Component 1	A. Consulting Services:	Corporate Procurement (GN-2303-33)	Rapid Crisis Impact Assessment (RCIA) on public security and rule of law for Haiti	\$50,000	DC	Lump Sum	\$ 50,000.00	100%	\$ -	0%	31-Aug-24	1-Sep-24	5 months	DC method was selected since the the consulting firm GI-TOC is the only firm with expertise in security and justice in Haiti, with an observatory at the local level. This is the only organization in the security and justice sector with personnel deployed in the field. Given that they would be elaborating a general diagnosis on the impact of security and justice in Haiti, the experience of this organization on the subject through the various studies and analyses it has been conducting on the situation in the country, will allow for economies of scale in the collection of data for the analysis of the information available to prepare the diagnosis of citizen security and justice in the country. The Bank has had a relationship with GI-TOC through its participation in one of the special panels on security presented at the IDB 2024 Assembly, where its president was a keynote speaker sharing knowledge on security and justice. GI-TOC also participated in the Latin American Security Summit where the Alliance for Security, Justice and Development was presented in Guayaquil, Ecuador in 2024. Additionally, these consulting services will not exceed the \$50,000 threshold for direct contracting.
