Independent Auditor's Report

To

Rail Vikas Nigam Ltd.
New Delhi

We carried out the statutory audit of M/s Rail Vikas Nigam Ltd for the financial year 2014-15 and issued our audit report dated 11/08/2015.

We have audited the accompanying expenditure statement of the Rail Vikas Nigam Ltd. under "ADB Loan No.3108 IND" for the financial year ending March 31, 2015 in Indian Rupee.

Our responsibility is to examine and express opinion on this statement based on our audit as per the "Terms of reference" in accordance with the Guidelines of Asian Development Bank as provided to us by Rail Vikas Nigam Ltd.

We conducted our audit in accordance with auditing standards generally accepted in India and as per the "Terms of reference" on the Guidelines of Asian Development Bank as given to us by the Company. Those standards and ADB guidelines require that we plan and perform the audit to obtain reasonable assurance about whether the expenditure statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the expenditure statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the expenditure statements referred to above give a true and fair view of the expenditure incurred on such projects for the financial year ended March 31, 2015 in accordance with the auditing standard practiced in India and in accordance with the "Terms of reference" on the Guidelines of ADB as referred above.

In addition to the above, it is found that, the adequate supporting documents have been maintained to support claims to the ADB for reimbursement of eligible expenditure incurred for financial under the loan/credit agreement.
