

Due Diligence Report on Social Safeguards

April 2015

IND: Rural Connectivity Investment Program – Project 3

Due Diligence of Ongoing Projects in Assam, Chhattisgarh, Madhya Pradesh, Odisha, and West Bengal under Project 1 and Project 2 (Loan 2881-IND) and (Ln 3065-IND)

Prepared by Ministry of Rural Development, Government of India for the Asian Development Bank.

CURRENCY EQUIVALENTS

(as of 31 March 2015)

Currency unit	–	Indian rupees (INR/Rs)

WHH	:	Women Headed Households

GLOSSARY

Affected Persons (APs): Affected persons are people (households) who stand to lose, as a consequence of a project, all or part of their physical and non-physical assets, irrespective of legal or ownership titles.

Encroacher: A person, who has trespassed government land, adjacent to his/her own land or asset, to which he/she is not entitled, by deriving his/her livelihood there. Such act is called "Encroachment."

Pallisabha Resolution: A resolution drawn up by the collective decision of villagers. The resolution drawn up for the purpose of the project refers to identification of the affected persons, extent of their losses by unique identification and signed consent of the affected persons to donate voluntarily the identified assets for the project purpose. The resolution is also signed by the village sarpanch, village president and other villagers including senior citizens of the village.

Panchayat: An institution (by whatever name called) of self-government for rural areas constituted at the village, intermediate, and district levels under article 243B of the Constitution of India. The three levels of panchayat comprise gram panchayat at village level, intermediate panchayat at block level, and zilla panchayat at district level.

Village level mechanism for grievance redress: village committees were in place comprising the village sarpanch, village president and senior citizens for the purpose of redressal of grievances

Sarpanch: Elected head of the Gram Panchayat

Zilla: A district which is the first administrative division at the state level.

NOTE

In this report, \$ refers to US Dollars

I. CONTEXT AND PURPOSE OF THE REPORTS

A. Introduction

1. The Rural Connectivity Investment Program (RCIP) is continuation of Rural Road Sector II the Government of India (GOI) launched “The Pradhan Mantri Gram Sadak Yojna (PMGSY)” in year 2000 the objective of PMGSY is to provide all-weather road connectivity to all rural habitations with a population of more than 500 persons in plains and 250 persons in hill states. This program is being implemented through National Rural Road Development Authority (NRRDA) under Ministry of Rural Development (MORD) at central level and through State Rural Road Development Authority/Agencies (SRRDA) at state level.

2. The Rural Connectivity Investment Program (RCIP) is continuation of Rural Road Sector II Program (RRS IIP) and is a multi-Project financing facility (MFF) that will construct or upgrade to all-weather standards 3,998 rural roads equivalent to 13,884 km, and connecting 5,238 habitations in the states of Assam, Chhattisgarh, Orissa, Madhya Pradesh and West Bengal (RCIP states). The RCIP will also focus on improvement of institutional arrangements, business processes and associated capacity building. This will especially be done in relation with design, operation, safeguard, financial, road safety, and asset management matters. Investments in rural roads will improve connectivity, cut transport costs, and provide enabling infrastructure to areas currently with poor access to markets and urban towns, and thus contribute to growth and equity in the country’s largest sector.

3. RCIP I (“Project 1”) of Loan number Ln 2881-IND of \$252 million entailed the cost of upgrading to all-weather standards of 1076 rural roads equivalent to 3885 km in the five project states, connecting in the process 1597 habitations. Project 1 also included the construction of 5 rural connectivity training and research centers (RCTRCs) and rural roads network management units (RRNMUs). Project 1 was approved in 2013 and became effective on 5 June 2013. Originally, the loan was planned to improve 945 rural roads, but project savings allowed for the construction of an additional 131 rural roads, bringing the total number of roads to 1076 (3885 km).

4. RCIP II (“Project 2”), with the Loan number Ln 3065-IND targets the upgrading of 1100 roads equivalent to 3870 km, with the goal of connecting 1694 habitations. Project 2 of \$275 million was approved on 25 November 2013. Originally, the loan was planned to improve 1061 rural roads, but project savings allowed for the construction of an additional 28 rural roads, bringing the total number of roads to 1100 (3870 km). As of March 2015, 591 out of 769 (76%) contracts have been awarded and 596 km of roads (15%) have been constructed.

5. RCIP Project 3 is currently under preparation and expected to be approved at the end of 2015. It involves the upgrading of 1822 rural roads, equivalent to 6128 km, as well as 25 RRNMU in all RCIP states. The Project is expected to connect 1947 habitations. Its cost is estimated at USD 518.30 million.

6. This report is designed to provide an update on the status of social safeguards requirements implementation for Projects 1 and 2.

B. Overview of the Social Safeguards Requirements of the Project

7. The Community Participation Framework (CPF)¹, specific to each state, establishes social safeguards guidelines supplemental to the PMGSY guidelines for community consultation that comply with ADB social safeguards requirements. The CPF details the procedural steps and requirements to be followed for all subprojects to be included under the Rural Connectivity Investment Program (RCIP) to be financed under ADB Loans prior to the approval of each loan Project.

8. The social impacts under PMGSY are expected to be minimal. The construction will take place on the existing alignment and the civil works proposed beyond this alignment are minor (i.e. shoulder adjustments or drainage). However, the available width of the existing tracks may not always be sufficient to accommodate the proposed improvements, and may result in impact on an individual's land, tree, crop or structure. Common impacts include damage on very narrow strips of land, fences or verandahs. In very rare cases are impacts on structures expected.

9. Given the minimal nature of impacts, the standard practice that has been exercised under RCIP is voluntary donation by affected households. The CPF outlines the key steps that need to be undertaken to ensure that negative social and economic impacts are avoided or minimized, communities along the road are properly consulted, impacted persons are identified, and that donations are voluntary. This process results in a set of documents ("CPF documents") for each road that demonstrate the social due diligence process has been complied with. In short, the CPF provides the procedure to ensure and document that:

- a) There is full consultation with the community
- b) Affected households (titled and non-titled) are identified
- c) Donations are voluntary
- d) Donations do not severely affect the living standards of Affected Households (AH)
- e) Vulnerable Affected Households (VAH) are identified and assisted
- f) A grievance system mechanism is in place

10. The CPF includes specific considerations and provision for Vulnerable Affected Households (VAH). VAH are defined as (i) those headed by women, (ii) Scheduled Tribes (ST), (iii) Scheduled Castes (SC), and (iv) Disabled persons, (v) Households Below Poverty Line (BPL) as per the state poverty line for rural areas, (vi) Households who are or will become BPL as result of loss to assets and / or livelihoods and (vii) Households losing structures. According to the CPF, VAH need to be identified through census survey and support and additional assistance should be provided to them in the form of linking them with existing government and stataal programmes.

11. The Project Implementation Unit(s) (PIUs) and Project Implementation Consultants (PICs) (described below) are responsible to verify that Affected Persons agree to donate whatever asset is likely to be affected. This is always substantiated by a Memorandum of Understanding (MoU) between the PIU and the individual affected. Moreover, a survey is

¹ The references for the State specific CPFs will be provided in the next chapters.

conducted to ensure that impacts do not affect the living standards of APs or VAPs. Any road that does not meet these requirements is excluded from the program.

C. Projects Description

1. Institutional Arrangements

12. The key social due diligence activities, namely, compliance with the CPF, the facilitation of the consultation process, and the monitoring of the implementation of the Gender Action Plan (GAP) are conducted by the following actors:

13. **The Project Implementation Units (PIUs)**, which is the SRRDA at the field level, each of which has one Social safeguards focal point.

14. **The Project Implementation Consultants (PICs)** for each state, whose social experts carry most of the day-to-day social due diligence and monitoring activities, including facilitating the Transect Walks, carrying the survey of Affected Persons (APs), linking Vulnerable Affected Persons (VAPs) with pro-poor government programs. Their team usually involves one or more social experts and they use surveyors/field staff on demand.

15. **The Technical Support Consultant (TSC)** appointed at the national level by NRRDA, verify whether the social due diligence process conducted by the PICs/PIUs complies with the CPF. They conduct a sample check of a minimum of 10% of roads per state annually to ensure compliance. This check involves desk review of CPF documentation and field visits. The TSC also provided the PIUs/PICs with social safeguard documentation templates and review.

2. Overall Progress of Projects 1 and 2

16. The implementation of Project 1 is on-track. As of March 2015, 528 out of 586 (90%) contract packages, equivalent to a total amount of \$282 million have been awarded, and a cumulative disbursement of \$117.18 million has been achieved. In terms of project outputs, 1,849 kms (52%) of all-weather rural roads to be constructed under Project 1 have been completed, connecting 614 habitations in the RCIP states. Table 1 below shows the outputs achieved by each state under Project 1.

Table 1- Status of Achievements – Project 1

RCIP States	Targeted			Achieved		
	No. km	No. Road	No. habitations connected	No. km	No Road	No. habitations connected
Assam	426.43	172	246	113.85	56	71
Chhattisgarh	1,008.63	302	447	581.78	185	219
Madhya Pradesh	1187	234	366	710	117	182
Madhya Pradesh Phase B	355.38	131	n/a	0	0	0
Odisha	757	212	427	321.5	50	73
West Bengal	151	25	111	122	18	69
Total	3885.44	1076	1597	1849.13	426	614

17. The implementation of Project 2 is also on-track. As of March 2015, 591 out of 769 (76%) packages worth approximately \$252 million have been awarded, and a cumulative disbursement of \$45.2 million has been achieved. In terms of project outputs, 596 kms (16%) of all-weather rural roads to be constructed under Project 2 have been completed, connecting 235 habitations in the RCIP states. Table 2 below shows the outputs achieved by each state under Project 2.

Table 2 – Status of Achievements – Project 2

RCIP States	Targeted			Achieved		
	No. km	No. Roads	No. habitations	No. km	No. roads	No. habitations
Assam	499.57	202	314	7	3	13
Chhattisgarh	429.06	132	169	99.3	25	19
Madhya Pradesh	654.04	254	257	232	74	74
Odisha	1184.06	343	435	56.99	0	0
Odisha Phase B	173.8	39	n/a	0	0	0
West Bengal	930.09	130	519	200.74	39	129
Total	3870.62	1100	1694	596.03	141	235

D. Implementation of Social Safeguards in Projects 1 and 2

1. Full Consultation with the Community and Affected Households (Titled and Non-Titled)

18. As per CPF and PMGSY guidelines, the alignment of roads is finalized through transect walks with the community during the preparation stage. The objectives are to ensure active community participation, select the alignment that best suits the community's needs, minimizes adverse social impacts, and identify the people likely to be affected by the project.

19. The PIC supported the PIU in organizing Transect Walks. Overall, close to 60,000 persons participated to the Transect Walks. For Project 1, over 30,000 people participated and 27,000 participated for Project 2. Key concerns about the road alignment and improvements were discussed during the walks. Examples of the documentation related to transect walks are provided in the following chapters, specific to each state. Table 3 below shows the details on the number of participants for each state.

Table 3 – Transect Walk Participants for Projects 1 & 2

RCIP State	Project 1	Project 2	Total
Assam	5,198	4,129	9,327
Chhattisgarh	4,012	2,183	6,195
Madhya Pradesh	7,727	6,690	14,417
MP additional	2,481		2,481
Odisha	8,268	7,027	18,647
Odisha additional		2,632	
West Bengal	481	4,761	5,242
Total	31,515	27,422	58,937

2. Affected households (titled and non-titled) are identified

20. Subsequent to the transect walks, the PIUs/PICs with the help of Gram Panchayats conducted formal consultation with all those persons likely to get affected as a result of the road improvement. "Gramsabha" meetings were held at Gram Panchayat level attended by the sarpanch, secretary, senior citizens of the village and the village community including all the APs and the PIU officials. The PIC then carries out a survey to identify all the affected persons, their socio-economic characteristics as well as their assets to be affected.

21. For the implementation of Projects 1 and 2, a total of 6,238 Affected Persons (APs) and 2403 Vulnerable Affected Persons (VAPs) were identified. For Project I, 3190 VAPs were identified and 3048 for Project II. Details on the APs and VAPs number for each state and Project are provided in the Table 4 below.

Table 4 – No. APs and VAPs identified during Projects 1 and 2 Preparation.

RCIP State	Project 1		Project 2	
	APs	VAPs	APs	VAPs
Assam	1,082	446	483	222
Chhattisgarh	264	224	242	88
Madhya Pradesh	1,065	317	336	104
Odisha	33	0	509	256
West Bengal	746	306	1,478	440
MP additional	103	35		
Odisha additional			67	29
Total	3,190	1,293	3,048	1,110

3. Donations are voluntary

22. Voluntary donations from each affected person are confirmed through verbal and written record and verified and adopted through a constitutional process and through the writing of a Memorandum of Understanding (MoU), which follows a standard format developed under this program. This process is verified by the Technical Support Consultant (TSC). Examples of MoUs are provided in the next chapters.

4. Voluntary donations do not severely affect the living standards of APs

23. The survey also includes an inventory of the impacted assets and the PICs make an assessment on whether the impacts are significant and affect the living standards of the APs.

24. The overall data provided by the PICs confirms that impacts are limited and do not affect the living standards of the APs. According to the data, no APs have lost more than 5% of their assets nor have any been relegated to Below Poverty Level (BPL) category as a result of the project. The TSC through its random sample check also confirmed this finding.

5. Vulnerable Affected Households (VAH) are identified and assisted

25. The CPF calls for special assistance to VAPs in the form of proactively linking them to national or state-sponsored subsidy or employment programs, such as the BPL programs that entitles them to receive essential commodities e.g. food grains, sugar, kerosene fuel etc. at subsidized rates and the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) Program that guaranties employment under programs like road construction works

in panchayat roads, tree plantation works etc. for a minimum of 100 days period in a financial year. Some of the VAPs were already linked to these programs prior to the Projects. A note on these programs is presented in Appendix-7. For all the others, the PICs through the Gram Panchayat have ensured their inclusion to these programs. The PICs have been monitoring this aspect to ensure that the VAPs receive this support assistance.

26. Overall, a total of 2,664 Vulnerable Affected Persons have been identified during the due diligence of Projects I and II. Of these, 48% (1,280) were already linked to national and state-sponsored pro-poor schemes. The projects provided assistance in linking an additional 29% (776 VAPs). To date, 33% (or 608 VAPs remain to be linked. Details are provided for each project in Table 5 below.

Table 5– Project-specific VAPs Assistance

RCIP State	Project 1			Project 2		
	No. VAPs	Already Linked	Linked by RCIP	No. VAPs	Already Linked	Linked by RCIP
Assam	446	90	154	222	30	63
Chhattisgarh	224	157	67	88	64	24
Madhya Pradesh	317	212	105	104	81	23
MP additional	35	0	0	0	0	0
Odisha	197	146	146	256	74	74
Od. additional	0	0	0	29	0	0
West Bengal	306	306	0	440	120	120
Total	1,525	911	472	1,139	369	304
Share		60%	31%		32%	27%

6. A Grievance Redress Mechanism is in place

27. The CPF requires setting up Grievance Redress Mechanism in all the subproject roads. Usually, those take the form of village committees comprising the sarpanch, panchayat secretary and other prominent citizens of the village. Although this is supported and documented by the PICs, we could not obtain the data on how many village committees were set up in each state for each project. The PICs do not regularly monitor this data. However, all the committees were set up for the random sample roads checked by the TSC.

E. Gender Action Plan (GAP)

28. In addition to the implementation of the CPF and social safeguards and in line with ADB's gender inclusiveness policy, a generic Gender Action Plan has been designed for RCIP and specific GAPs for each project (See Appendix 1).

29. The PICs/PIUs monitor the implementation of the Gender Action Plan. For each state, the PIC provides an annual report to ADB and the EA Women on the GAP implementation progress. The review of the monitoring reports shows the following:

30. **Participation in construction activities:** The monitoring of construction activities is not consistent across all states. For example, the Odisha PIC does not have data for Project 1 and the PIC for Chhattisgarh does not have data for Project 2. But overall, women represent around 30% of the workforce across all states in both projects, close to attaining the GAP target of 33%.

The state of Assam slightly lags behind in terms of reaching the target. Table 6 below provides information for both states.

Table 6- Female representation in construction activities

RCIP State	Project 1			Project 2		
	Total workers	No. Females	%	Total workers	No. Females	%
Assam	9,987	2,465	25%	2,070	608	29%
Chhattisgarh	2,910	1,254	43%	0	0	0%
Madhya Pradesh	2,626	1,115	42%	444	164	37%
Odisha	-	-	0%	7,197	2056	29%
West Bengal	384	99	26%	2,842	939	33%
Total	15,907	4,933	31%	12,553	3,767	30%

31. Ensure the Training of women in road-network management and conduct training in social and gender-sensitive designs: the RTRCs have not been built yet and thus this activity has not yet started.

32. **Participation in Transect Walks:** Overall, women represent around 17% of the transect walk participants under both project. This is below the 30% target set up in the Gender Action Plan (GAP), although there has been a significant improvement from Project 1 where women's participation was at 13% to Project 2, where it rose to 22%.

Table 7- Female representation in Transect Walks

RCIP State	Project 1			Project 2		
	Total Particip.	No. Females	%	Total Particip.	No. Females	%
Assam	5,198	773	15%	4,129	656	16%
Chhattisghahr	4,012	267	7%	2,183	705	32%
Madhya Pradesh	7,727	887	11%	6,690	1,509	23%
MP additional	2,481	761	31%			
Odisha	8,268	927	11%	7,027	815	12%
Odisha additional				2,632	1,497	57%
West Bengal	481	50	10%	4,761	744	16%
Total	28,167	3,665	13%	27,422	5,926	22%

33. **Participation in maintenance activities:** No data has been collected on maintenance activities as these are performed post-project completion and usually contracted to a specialized company.

II. ASSAM - RANDOM SAMPLE CHECK OF SOCIAL SAFEGUARDS COMPLIANCE PROJECTS 1&2

A. Status of RCIP Project 1 and Project 2 in Assam

34. The state under RCIP Project 1 (Loan 2881-IND) had 172 roads totaling 426.43 km and Project 2 (Loan 3065-IND) had 202 roads totaling 499.5 km. A summary of district wise subproject roads in Assam under RCIP Project 1 and Project 2 is as in Table 8 under:

Table 8 – Summary of Projects 1&2 in Assam

Particulars	Project 1	Project 2
No. of districts where subprojects are located	25	18
Total no.of roads in the Project	172	202
No. of Packages	143	196
Total length of roads (Km)	426.43	499.5

35. Out of 172 no. of roads under Project 1, 56 no. roads have been completed while out of the 202 no. of roads under Project 2, 3 no. roads have been completed. Others are at various stages of implementation.

36. A list of all the roads for Assam under Projects 1 & 2 with the number of APs and VAPs identified in each road is included in Appendix 2.

37. The social due diligence follows the requirements of the Assam Community Participation Framework approved in 2011.²

B. Methodology

38. The Technical Support Consultant (TSC) conducted desk review and field visit of a sample of 25 roads under Project -1 (covering 14.29% of the 175 roads in 25 districts) and 20 roads under Project -2 (covering 10% of the 201 roads in 18 districts) was randomly selected covering at least one from each district. The TSC conducted a desk review and verified all the documentation related to these roads (i.e. project documents, files, correspondences, progress reports, and data of the SRRDA/PIUs and MoUs). The TSC also conducted field visits consultations with the village community, focus group discussions, and individual interviews were carried out involving officials of SRRDA/PIUs, project affected families, village sarpanch, panchayat secretary and members of village panchayats, eminent citizens, community leaders, members of women groups in project area. The team also discussed the process of voluntary donations with the APs.

C. Findings

39. **APs and VAPs were identified:** For all the sample roads reviewed, the TSC confirmed that census survey of the APs and VAPs had been a carried. The TSC also confirmed that Transect walks had been conducted for all sample roads. The consultation process was supplemented by distribution of information booklets in Assamese (local language) has made the APs aware of their special entitlement.

² <http://www.adb.org/sites/default/files/project-document/61274/40423-013-ind-rf-02.pdf>

40. Out of the 25 subproject roads reviewed under Project 1, 8 roads already had adequate ROW for the construction purpose and were free of encumbrances. The direct impacts for the 17 roads were limited to narrow strips of land along the existing alignment, shifting of temporary boundary fences without affecting any of the residential structures. In case of 2 roads namely NH 37 to Bagaribari in Goalpara District and Kuchbari Part I to Kuchbari Part II road in Bongaigaon district, 3 nos. and 2 nos. commercial structures respectively will be affected and the Gram Panchayat has agreed to provide space and support for reconstruction of the shops. Overall for the sample roads under Project 1, 254 AP and 77 VAPs would be affected. See Table 9 below for more information.

Table 9: Details of Samples Road with Impacts for Project 1 – Assam

SI No	Name of District	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)
1	Barpeta	Niz Chenga to Bampara	2.860	6	4	SC – 1 BPL – 3	<5% - 4
2	Bongaigaon	Kuchbari Part I to Kuchbari Part II	0.700	2	2	BPL – 1 Str. Loss – 1	<5% - 2
3	Dhubri	NH 31 to Pasuarkhal Pt II rd.	1.500	18	11	BPL – 11	<5% - 18
4	Dibrugarh	LBT Road to Niz Moderkhat	1.855	19	5	BPL – 5	<5% - 19

41. Out of the 20 roads reviewed under Project 1, 10 roads already had adequate ROW for the construction purpose and were free of encumbrances. The direct impacts for the remaining 10 roads were limited to narrow strips of land along the existing alignment, shifting of temporary boundary fences without affecting any of the residential structures. Though there are APs in the road of NH151 to Suprakandi in North Karimganj block of Karimganj District, none of them fall

under vulnerable category. In case of Kuchbari-I to Balargudam Road in Tapattary Block of Bongaingaon District a shop will be affected and the Gram Panchayat has agreed to provide space and support for its reconstruction. In case Batgaon to Kadamtola Road in Chenga Block of Barpeta District, 3 residential structures will be affected without affecting the main structure and the Gram Panchayat agreed to provide support to the Affected Persons under MGNREGA. Overall for the sample roads under Project 2, 116 AP and 69 VAPs would be affected. See Table 10 below for more information.

Table 10: Details of Samples Road with Impacts for Project 2 – Assam

SI No	Name of District	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)

Total				116	69	BPL & SC - 16 SC - 17 SC/WHH - 2 BPL - 16 BPL & ST - 1 WHH - 1 Str. Loss - 3 ST - 13	<5% - 113 Str. Loss - 3

Note: ST - Scheduled Tribes, SC - Scheduled Castes, Gen BPL – Non SC/ST Households Below Poverty Line (BPL)

42. **Assistance to VAPs:** The TSC confirmed that the Panchayats had taken steps to include the names of all the poor/vulnerable APs for issuance of BPL (Below Poverty Line) cards that would entitle these APs to receive essential commodities e.g. food grains, sugar, kerosene fuel etc. through government programmes like Public Distribution System (PDS) at subsidized rates. Some of the vulnerable APs already possessed job cards prior to the present road development. All vulnerable APs have been provided job cards under the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA).

43. **Voluntary donations and extent of impact:** It was evident from the consultations on the roads that APs had agreed for voluntarily donating their land for the proposed road improvement. Based on the assessment, the voluntary donations had marginal impact on a *kutcha* boundary walls, veranda and on agricultural lands. It is important to note that no AP has been relegated to BPL category as a result of the project and none are losing more than 5% of their assets. All those belonging to the BPL category have long been there prior to the impact of the project. The land requirement and status of MOU with the APs are presented below in Table 10 for the sample roads reviewed.

Table 10(a): Status of MOU with APs (Assam Project 1)

Sl. No.	District	Name of Road	Additional land required for road construction	Land availability certificate from Rev. Dept.	Type of structure(s) affected	MOU obtained

15	Lakhimpur	Fulbari No.2 to Dhemagarh No.2 Road	Required	Obtained	Nil	Obtained
16	Nagaon	Nonoi Dakhipat Road to Rangalumukh	Not required	Obtained	Nil	Nil
17	Nalbari	Sandha LP School to Katra HE school	Required	Obtained	Nil	Obtained
18	Sonitpur	Mahkhowajan to Amguri Kachari	Required	Obtained	Nil	Obtained
19	Tinsukia	DRT Road - to Dihingia vill (Makum Dhelakhat road)	Not required	Obtained	Nil	Nil
20	Udalguri	Batabari No.1 to Hatibandha Road	Required	Obtained	Nil	Obtained

44. **Grievance Redress Committees had been established:** In case of all the subproject roads, village committees were in place comprising the sarpanch, panchayat secretary and other prominent citizens of the village for the purpose of redressal of grievances. As the site selection process involved participation and full consultation with the community, there was hardly any grievance by the APs and no complaint was received by any of these village committees. PIU staff is in regular contact with the village community and community leaders to facilitate resolving any grievance that may arise.

III. DUE DILIGENCE OF SOCIAL SAFEGUARDS COMPLIANCE – PROJECTS 1 AND 2 RURAL CONNECTIVITY INVESTMENT PROGRAM: CHHATTISGARH

A. Status of Project 1 and Project 2 Roads in Chhattisgarh

45. Under RCIP Project 1, the state had 302 roads totaling to a length of 1008.63 km and Project 2 (Loan 3065-IND) had 132 roads totaling 429.06 km. A summary of district wise subproject roads in Chhattisgarh under RCIP Project 1 and Project 2 is as in Table 11 under:

Table 11– Summary of Projects 1&2 in Chhattisgarh

Particulars	Project 1	Project 2
No. of districts where subprojects are located	10	8
Total no.of roads in the Project	302	132
No. of Packages	78	54
Total length of roads (Km)	1008.63	429.06

46. Out of 302 no. of roads under Project 1, 185 no. roads have been completed. Out of 132 no. of roads under Project 2, 25 no. roads have been completed. Others are at various stages of implementation.

47. A list of all the roads for Chhattisgarh under Projects 1 & 2 with the number of APs and VAPs identified in each road is included in Appendix 2.

48. The social due diligence follows the requirements of the Chhattisgahr Community Participation Framework approved in 2011.³

B. Methodology

49. A sample of 30 roads under Project 1 covering 10% of the 302 roads in 10 districts and 16 roads under Project 2 (covering 12% of the 132 roads in 8 districts) was randomly selected covering at least one from each district. The desk review comprised review of project documents, files, correspondences, progress reports, and data of the SRRDA/PIUs. During field visits by the TSC experts consultations with the village community, focus group discussions, and individual interviews were carried out involving officials of SRRDA/PIUs, project affected families, village sarpanch, panchayat secretary and members of village panchayats, eminent citizens, community leaders, members of women groups in project area. The team also enquired with the APs about the land donation process.

C. Findings

50. **APs and VAPs were identified:** For all the sample roads reviewed, the TSC confirmed that census survey of the APs and VAPs was conducted. The TSC also confirmed that Transect walks had been conducted for all sample roads. The consultation process was supplemented by distribution of information booklets in Hindi (local language) has made the APs aware of their special entitlement.

³ <http://www.adb.org/sites/default/files/project-document/61275/40423-013-ind-rf-03.pdf>

51. Out of the 25 sample roads reviewed under Project 1, 8 roads already had adequate ROW for the construction purpose and were free of encumbrances. The direct impacts for the 17 roads were limited to narrow strips of land along the existing alignment, shifting of temporary boundary fences without affecting any of the residential structures. In the roads reviewed under Project 1, NH-6 - Kashibahara road in Pithora block of Mahasamund district, one community religious structure (a small temple) were affected. The village community has been consulted in this regard and the community has agreed for the shifting of the structure. The gram panchayat has also given a written consent for shifting of this structure. Overall for the sample roads under Project 1, 91 AP and 86 VAPs would be affected. See Table 12 below for more information.

Table 12: Chhattisgarh Sample Roads Reviewed Project 1

SI No	Name of District	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)

52. Under Project 2, out of the 16 roads sample roads reviewed, 10 had adequate RoW. One veranda (chabutara) would be affected in Amethi to Gudguda road in Raipur district. In case of the roads in which APs are identified, the village community has been consulted in this regard and the community has agreed for voluntary donation of required land for the

construction of the roads. Overall, 6 roads had 24 AP and 11 VAPs. See Table 13 below for more information.

Table 13 Chhattisgahr Sample Roads Reviewed Project 2

14	Bilaspur	T01 Majhwani Kenda Road To Kupabandha	Not required	Obtained	Nil	Nil

S. No.	District	Road Name	Additional land required for road construction	Land availability certificate from Rev. Dept.	Type of structure(s) affected	MOU obtained
15	Bilaspur	Katra - Kirhatola To Dhapnipani	Not required	Obtained	Nil	Nil
16	Durg	Sapghara - Simda	Not required	Obtained	Nil	Nil

55. **Grievance Redress Mechanism:** In case of all the subproject roads, village committees were in place comprising the sarpanch, panchayat secretary and other prominent citizens of the village for the purpose of redressal of grievances. As the site selection process involved participation and full consultation with the community, there was hardly any grievance by the APs and no complaint was received by any of these village committees. PIU staff is in regular contact with the village community and community leaders to facilitate resolving any grievance that may arise.

IV. DUE DILIGENCE OF SOCIAL SAFEGUARDS COMPLIANCE – PROJECTS I & II RURAL CONNECTIVITY INVESTMENT PROGRAM: MADHYA PRADESH

A. Status of Projects 1 and 2 in Madhya Pradesh

56. The state under RCIP Project 1 (Loan 2881-IND) had 234 roads totaling 1187.25 km and Project 2 (Loan 3065-IND) had 131 roads totaling 355.36 km. As of March 2015, the Government is now planning to include 131 no. subproject roads of length 355.36 km (under 55 packages) in RCIP Project 2 (Ln 3065-IND) as part of Phase B. A summary of district wise subproject roads in Madhya Pradesh under RCIP Project 1 and Project 2 is as in Table 15 under:

Table 15– Summary of Projects 1 and 2 in Madhya Pradesh

Particulars	Project 1	Project 2 Phase A	Project 1 Phase B
No. of districts where subprojects are located	22	9	18
Total no.of roads in the Project	234	254	131
Total length of roads (Km)	1187.25	668.350	355.36

57. Out of 234 no. of roads under Project 1, 117 no. roads have been completed. Out of 265 no. of roads under Project 2 (both phases A and B), 74 no. roads have been completed. Others are at various stages of implementation.

58. A list of all the roads for Madhya Pradesh under Projects 1 & 2 with the number of APs and VAPs identified in each road is included in Appendix 2.

59. The social due diligence follows the requirements of the Madhya Pradesh Community Participation Framework approved in 2011.⁴

B. Methodology

60. A sample of 25 roads under Project 1 phase A (covering 10.7% of the 235 roads in 22 districts), 18 roads under Project 1 Phase B (13.74% of 131 roads), and 16 roads under Project 2 (covering 12% of the 132 roads in 8 districts) were randomly selected covering at least one from each district. The desk review comprised review of project documents, files, correspondences, progress reports, and data of the SRRDA/PIUs. During field visits by the TSC experts consultations with the village community, focus group discussions, and individual interviews were carried out involving officials of SRRDA/PIUs, project affected families, village sarpanch, panchayat secretary and members of village panchayats, eminent citizens, community leaders, members of women groups in project area. The team also enquired with the APs about the land donation process.

C. Findings

61. **APs and VAPs were identified:** For all the sample roads reviewed, the TSC confirmed that census survey of the APs and VAPs had been a carried. The TSC also confirmed that Transect walks had been conducted for all sample roads. The consultation process was

⁴ <http://www.adb.org/sites/default/files/project-document/61276/40423-013-ind-rf-04.pdf>

supplemented by distribution of information booklets in Marathi and Hindi (local language) has made the APs aware of their special entitlement.

62. Out of the 25 subproject roads reviewed under Project 1, 13 roads already had adequate RoW for the construction purpose and were free of encumbrances. The direct impacts were limited to narrow strips of land along the existing alignment, shifting of temporary boundary walls/ fences and/or affecting the veranda (*chabutara*) without affecting any of the residential structures. In case of the roads in which APs are identified, the village community has been consulted in this regard and the community has agreed for voluntary donation of required land for the construction of the roads.

63. Out of the 25 sample roads reviewed under Project 1 Phase A, 13 roads already had adequate ROW for the construction purpose and were free of encumbrances. The direct impacts for the 13 roads were limited to narrow strips of land along the existing alignment, shifting of temporary boundary fences without affecting any of the residential structures. Overall for the sample roads under Project 1 Phase A, 68 AP and 32 VAPs would be affected. See Table 16 below for more information.

Table 16: Madhya Pradesh Sample Roads Reviewed Project 1- Phase A

SI No	Name of District	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)

65. Out of the 27 roads reviewed under Project 2, 10 roads already had adequate ROW for the construction purpose and were free of encumbrances. The direct impacts for the remaining 8 roads were limited to narrow strips of land along the existing alignment and/or shifting of temporary boundary fences. Overall for the sample roads under Project 2, 75 AP and 41 VAPs would be affected. See Table 18 below for more information.

Table 18: Madhya Pradesh Sample Roads Reviewed Project 2

27	Ratlam	Dhatrawada to Kankarwa	5.40	4	3	ST-1 WHH-2	<5% - 4

66. None of the subproject roads impacted other structures or Common Property Resources (CPRs) like community land, places of worship etc...

67. **Assistance to VAPs:** The TSC confirmed that the Panchayats had taken steps to include the names of all the poor/vulnerable APs for issuance of BPL (Below Poverty Line) cards that would entitle these APs to receive essential commodities e.g. food grains, sugar, kerosene fuel etc. through government programmes like Public Distribution System (PDS) at subsidized rates. Some of the vulnerable APs already possessed job cards prior to the present road development. All vulnerable APs have been provided job cards under the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA).

68. **Voluntary donations and extent of impact:** It was evident from the consultations on the roads that APs had agreed for voluntarily donating their land for the proposed road improvement. Based on the assessment, the voluntary donations had marginal impact on a *kutch*a boundary walls, veranda and on agricultural lands. It is important to note that no AP has

been relegated to BPL category as a result of the project and none are losing more than 5% of their assets. All those belonging to the BPL category have long been there prior to the impact of the project. The land requirement and status of MOU with the APs are presented below in Table 19 for the sample roads reviewed.

Table 19(a)- Status of MOU with APs (Madhya Pradesh Project 1)

Sl. No.	District	Name of Road	Additional land required for road construction	Land availability certificate from Rev. Dept.	Type of structure(s) affected	MOU obtained
1	Bhopal	Ratua to Sukaliya	Required	Obtained	Nil	Obtained

21	Tikamgarh	Baldevgarh Kakarwaha Road to Atariya	Not required	Obtained	Nil	Nil
22	Tikamgarh	Patha-Pathori Road to Midawali	Not required	Obtained	Nil	Nil
23	Indore	Choraldam Road to Buralia	Not required	Obtained	Nil	Nil
24	Mandsaur	Dalauda Digon road to Pinda	Not required	Obtained	Nil	Nil
25	Bhopal	T11 (Arjunkhedi) to Khejra Ghat	Required	Obtained	Nil	Obtained
26	Sehore	T08 (Jherkheda Ghati Sehore MDR) to Toona Khurd	Required	Obtained	Nil	Obtained
27	Ratlam	Dhatrawada to Kankarwa	Required	Obtained	Nil	Obtained

69. **Grievance Redress Mechanism:** In case of all the subproject roads, village committees were in place comprising the sarpanch, panchayat secretary and other prominent citizens of the village for the purpose of redressal of grievances. As the site selection process involved participation and full consultation with the community, there was hardly any grievance by the APs and no complaint was received by any of these village committees. PIU staff is in regular contact with the village community and community leaders to facilitate resolving any grievance that may arise.

V. DUE DILIGENCE OF SOCIAL SAFEGUARDS COMPLIANCE – PROJECTS 1& 2 RURAL CONNECTIVITY INVESTMENT PROGRAM: ODISHA

A. Status of Project 1 and Project 2 Projects in Odisha

70. The state under RCIP Project 1 (Loan 2881-IND) had 212 roads totaling 757 km and Project 2 (Loan 3065-IND) had 343 roads totaling 1184.06 km. Due to cost savings, an additional package of 39 roads has been added to Project 2. A summary of district wise subproject roads in Odisha under RCIP Projects 1 and 2 is as in Table 20 under:

Table 20 – Summary of Projects 1&2 in Odisha

Particulars	Project 1	Project 2 Phase A	Project 2 Phase B
No. of districts where subprojects are located	15	14	1
Total no.of roads in the Project	212	343	39
No. of Packages	168	281	28
Total length of roads (Km)	757	1184.06	173.80

71. Out of 212 no. of roads under Project 1, 50 no. roads have been completed. Out of 382 no. of roads under Project 2 (both phases A and B), 0 no. roads have been completed. Others are at various stages of implementation.

72. A list of all the roads for Odisha under Projects 1 & 2 with the number of APs and VAPs identified in each road is included in Appendix 2.

73. The social due diligence follows the requirements of the Odissa Community Participation Framework approved in 2011.⁵

B. Methodology

74. The Technical Support Consultant conducted a desk review and field visit of a sample of randomly selected 29 roads under Project 1 (covering 13% of the 212 roads in 15 districts), 35 roads under Project 2 Phase A (covering 10.20% of the 343 roads in 14 districts), and 5 roads under Project 2 Phase B (covering 12.82% of the 39 roads). The desk review comprised review of project documents, files, correspondences, progress reports, and data of the SRRDA/PIUs. During field visits by the TSC experts consultations with the village community, focus group discussions, and individual interviews were carried out involving officials of SRRDA/PIUs, project affected families, village sarpanch, panchayat secretary and members of village panchayats, eminent citizens, community leaders, members of women groups in project area. The team also discussed the process of voluntary donations with the APs.

C. Findings

75. **APs and VAPs were identified for all the sample roads reviewed.** The TSC confirmed that census survey of the APs and VAPs had been conducted. The TSC also confirmed that Transect walks had been conducted for all sample roads. The consultation process was supplemented by distribution of information booklets in Oriya (local language) has made the APs aware of their special entitlement.

⁵ <http://www.adb.org/sites/default/files/project-document/149361/40423-013-ind-rf-05.pdf>

76. Out of the 29 subproject roads reviewed for Project 1, 23 roads already had adequate RoW for the construction purpose and were free of encumbrances. The direct impacts were limited to narrow strips of land along the existing alignment, shifting of temporary boundary walls/ fences and/or affecting the veranda (chabutara) without affecting the structure of the residence proper, thus not requiring dislocation of the APs. In Khurda district the road from Rajas to Garia affected a wooden cabin belonging to a disabled person. The AP has shifted the cabin to the vacant space behind the original location of the cabin with support from the gram panchayat. In the same road an extension of the 'Bhagavat ghar' i.e. the village community meeting and worship place was affected for which the panchayat had given its consent for voluntary shifting of the same. In case of the roads in which APs were identified, the village community had been consulted and the community had agreed for voluntary donation of required land for the construction of the roads. Overall for the sample roads under Project 1, 575 AP and 28 VAPs would be affected. See Table 21 below for more information.

Table 21 Odisha Sample Roads Reviewed Project 1

SI No	Name of District	Package No.	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)
1	Dhenkanal	OR-09-ADB-61/T-I	NH-55 to Siridihi (A)	3.00	2	Nil	Nil	<5% - 2
2	Dhenkanal	OR-09-ADB-55/T-I	P.W.D. Road (T3) to Jarada Chhak to Dehuryhata	2.35	3	3	BPL - 3	<5% - 3
3	Balasore	OR-02-ADB-16/T-I	PWD Road to Janakipal	2.150	11	11	BPL-8 BPL/SC- 3	<5% - 11
4	Khurda	OR-18-ADB-08/T-I	Rajas to Garia	2.00	12	10	BPL-8 BPL/SC-1 BPL/Disabled-1	<5% - 11 Comm. Struc. - 1
5	Khurda	OR-18-ADB-10/T-I	RD Road to Dangarpada to Dalak	8.17	6	4	BPL-4	<5% - 6
6	Puri	OR-26-ADB-15/T-I	DBPWD Raod to Singhakuda	5.165	23	Nil	Nil	<5% - 23
TOTAL					57	28	BPL -23 BPL/SC - 4 BPL/Disabled-1	<5% - 23

77. Out of the 35 sample roads reviewed for Project 2 Phase A, 32 roads already had adequate RoW for construction purpose and were free of encumbrances. No structures were affected. A total of 27 APs and 7 VAPs were identified. See Table 22 below for more information.

Table 22 Odisha Sample Roads Reviewed Project 2- Phase A

SI No	Name of District	Package No.	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)
1	Bargarh	OR-3-ADB-90/T-II	Kathadera to Ludupali	1.74	2	2	SC- 1, BPL -1	<5% - 2

SI No	Name of District	Package No.	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)
2	Bargarh	OR-3-ADB-95/T-II9((A)	PR Road to Temper	6.10	7	5	BPL – 2 BPL/Disable - 1 SC/BPL – 1 BPL/FHH-1	<5% - 5
3	Puri	OR-26-ADB-57/T-II	PWD road to Manapada	1.00	18	0	0	<5% - 18
TOTAL					27	7	SC- 1, BPL – 3 BPL/Disable - 1 SC/BPL – 1 BPL/FHH-1	<5% - 23

78. Out of the 5 sample roads of Project 2 Phase B reviewed, one road had sufficient RoW, the remaining 4 roads had 28APs and 11 VAPs. See Table 23 below for more information:

Table 23: Odisha Sample Roads Reviewed Project 2- Phase B

SI No	Name of District	Package No.	Road Name	Length (Km)	Total APs	No. of Vulnerable APs	Category wise Break up of Vulnerable APs	Impact on total land (%)
1	Ganjam	OR-11-ADB-32/TIII	Nuagam to Binjigiri	4.1	10	4	SC- 2 BPL-2	<5% - 4
2	Ganjam	OR-11-ADB-32/TIII	Sunakhandi to Sandhipiplapanka	2.5	7	2	SC/BPL-2	<5% - 2
3	Ganjam	OR-11-ADB-35/TIII	PWD Road to Boribandha	2.0	6	3	SC/BPL-3	<5% - 3
4	Ganjam	OR-11-ADB-36/TIII	RD Road (Mayangi) to Dhepapalli	13.2	5	2	SC/BPL-2	<5% - 2
5	Ganjam	OR-11-ADB-44/TIII	RD Road to Rambhapalli	6.0	0	0	0	0

79. None of the subproject roads impacted other structures or Common Property Resources (CPRs) like community land, places of worship etc...

80. **Assistance to VAPs:** The TSC confirmed that the Panchayats had taken steps to include the names of all the poor/vulnerable APs for issuance of BPL (Below Poverty Line) cards that would entitle these APs to receive essential commodities e.g. food grains, sugar, kerosene fuel etc. through government programmes like Public Distribution System (PDS) at subsidized rates. Some of the vulnerable APs already possessed job cards prior to the present road development. All vulnerable APs have been provided job cards under the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA).

81. **Voluntary donations and extent of impact:** It was evident from the consultations on the roads that APs had agreed for voluntarily donating their land for the proposed road improvement. Based on the assessment, the voluntary donations had marginal impact on a kutch boundary walls, veranda and on agricultural lands. It is important to note that no AP has been relegated to BPL category as a result of the project and none are losing more than 5% of their assets. All those belonging to the BPL category have long been there prior to the impact of

the project. The land requirement and status of MOU with the APs are presented below in Table 24 for the sample roads reviewed.

Table 24(a) - Status of MOU with APs (Odisha Project 1)

Sl. No.	District	Name of Road	Additional land required for road construction	Land availability certificate from Rev. Dept.	Type of structure(s) affected	MOU obtained
1	Angul	Antulia to Radasinga	Not required	Obtained	Nil	Nil

34	Sambalpur	SH-10 to Pudapada	Not required	Obtained	Nil	Nil
35	Sambalpur	Gochhara Katupali	Not required	Obtained	Nil	Nil

VI. DUE DILIGENCE OF SOCIAL SAFEGUARDS COMPLIANCE – PROJECTS 1 & 2 RURAL CONNECTIVITY INVESTMENT PROGRAMME: WEST BENGAL

A. Status of Projects 1 and 2 in West Bengal

82. The state under RCIP Project 1 (Loan 2881-IND) had 28 roads totaling 166.67 km and Project 2 (Loan 3065-IND) had 130 roads totaling 930.084 km. A summary of district wise subproject roads in West Bengal under RCIP Projects 1 and 2 is as in **Table 25** under:

Table 25– Summary of Projects 1 and 2 in West Bengal

Particulars	Project 1	Project 2
No. of districts where subprojects are located	04	10
Total no.of roads in the Project	25	130
No. of Packages	25	128
Total length of roads (Km)	151	930

83. Out of 25 no. of roads under Project 1, 18 no. roads have been completed while out of the 130 no. of roads under Project 2, 39 no. roads have been completed. Others are at various stages of implementation.

84. A list of all the roads for West Bengal under Projects 1 & 2 with the number of APs and VAPs identified in each road is included in Appendix 2.

85. The social due diligence follows the requirements of the Odissa Community Participation Framework approved in 2011.⁶

B. Methodology

86. The Technical Support Consultant conducted a desk review and field visit of a sample of randomly selected 3 roads under Project 1 (covering 10% of the 25 roads) and 14 roads under Project 2 (covering 10% of the 130 roads). The desk review comprised review of project documents, files, correspondences, progress reports, and data of the SRRDA/PIUs. During field visits by the TSC experts conducted consultations with the village community, focus group discussions, and individual interviews with officials of SRRDA/PIUs, project affected families, village sarpanch, panchayat secretary and members of village panchayats, eminent citizens, community leaders, members of women groups in project area. The team also discussed the process of voluntary donations with the APs.

C. Findings

87. **APs and VAPs were identified:** For all the sample roads reviewed, the TSC confirmed that census survey of the APs and VAPs had been conducted. The TSC also confirmed that Transect walks had been conducted for all sample roads. The consultation process was supplemented by distribution of information booklets in Bengali (local language) to make APs aware of their special entitlement.

⁶ <http://www.adb.org/sites/default/files/project-document/59913/40423-013-ind-rp-02.pdf>

88. West Bengal is one of the most densely populated states in India. Although the 3 roads of Project 1 reviewed already existed, the widening of these roads to meet NRRDA design guidelines affected some additional land. The direct impacts were limited to narrow strips of land along the existing alignment and/or shifting of temporary boundary fences. Although there were 157 affected persons in the roads reviewed, no loss of structures was involved in any of these 3 roads. In case of the roads where APs were identified, the village community was consulted and the community had agreed for voluntary donation of strips of their land for the construction of the roads. A total of 41 VAPs were also identified. Details are provided in Table 26 below:

Table 26- West Bengal Sample Roads Reviewed Project 1

Sl No	Name of District	Road Name	Length (Km)	Total APs	No. of VAPs	Category wise Break up of VAPs	Impact on total land (%)
1	North 24 Paraganas	Dholtukri - Mohonpur Paschim	2.247	35	21	SC-17, SC/BPL-2, BPL-2	<5% - 33 >5-<10% - 2
2	Bankura	Nagri-Banbedia	12.21	68	18	SC-1, SC/BPL-3, BPL-14	<5% - 68
3	Birbhum	Mini steel Plant Lakhindarpur - via Gibdharpur Gobindapur	3.10	54	2	SC/WHH-2	<5% - 54
Total				157	41	SC-18, SC/BPL-5, BPL-16 SC/WHH-2	<5% - 155 >5-<10% - 2

89. Out of the 14 roads reviewed under Project 2, two (2) roads already had adequate ROW for the construction purpose and were free of encumbrances. The direct impacts for the remaining 12 roads were limited to narrow strips of land along the existing alignment, shifting of temporary boundary fences without affecting any of the residential structures. Out of these 12 roads, there were 929 APs and 241 VAPs in 11 roads. See Table 27 below for more information.

Table 27- West Bengal Sample Roads Reviewed Project 2

Sl No	Name of District	Road Name	Length (Km)	Total APs	No. of VAPs	Category wise Break up of VAPs	Impact on total land (%)
1	Bankura	Belia to Shyamnagar	9.742	44	6	BPL-0, ST-0, SC-5, FHH-1	5%
2	Bankura	Kanchanpur to Nabanda	8.098	25	1	BPL-0 ST-0, SC-1	5%

9	North 24 Parganas	Teghoria Dakshin to Balipur Dakshin	3.499	66	1	1FHH	5%
10	North 24 Parganas	Teghoria Dakshin to Sankargachi Purba	2.238	66	1	FHH-1	5%
11	Purba Medinipur	Uttar Brindaban Chack to Uttar Narayan Pakuria	7.718	Nil	Nil	NIL	NIL
12	Burdwan	Uttar Lakshmipur to Tamaghata Bazar	3.207	2	Nil	NIL	5%
13	Paschim Medinipur	Gopinath pur to Kotaijiagena	11.876	432	175	BPL-166, ST-42, SC-7	5%
14	Paschim Medinipur	Makrampur to Nayapukur	11.242	51	20	BPL-13, SC-12, ST-6	5% - 10%

90. None of the subproject roads impacted other structures or Common Property Resources (CPRs) like community land, places of worship etc...

91. **Assistance to VAPs:** The TSC confirmed that the Panchayats had taken steps to include the names of all the poor/vulnerable APs for issuance of BPL (Below Poverty Line) cards that would entitle these APs to receive essential commodities e.g food grains, sugar, kerosene fuel etc. through government programmes like Public Distribution System (PDS) at subsidized rates. Some of the vulnerable APs already possessed job cards prior to the present road development. All vulnerable APs have been provided job cards under the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA).

92. **Voluntary donations and extent of impact:** It was evident from the consultations on the roads that APs had agreed for voluntarily donating their land for the proposed road improvement. Based on the assessment, the voluntary donations had marginal impact on a *kutcha* boundary walls, veranda and on agricultural lands. It is important to note that no AP has been relegated to BPL category as a result of the project and none are losing more than 5% of their assets. All those belonging to the BPL category have long been there prior to the impact of the project. The land requirement and status of MOU with the APs are presented below in Table 28 for the sample roads reviewed.

Table 28(a) -Status of MOU with APs (West Bengal Project 1)

Sl. No.	District	Name of Road	Additional land required for road construction	Land availability certificate from Rev. Dept.	Type of structure(s) affected	MOU obtained

VII. CONCLUSION

93. The field visit and review of CPF documentation revealed that:
- a) Consultations with community members and affected people has taken place
 - b) People agreed to voluntarily contribute their land/assets for the road construction, and this was confirmed through verbal and written records
 - c) The Projects do not impact the APs' standards of living
 - d) Grievance redress mechanisms are in place.
94. It can be concluded that the social safeguard measures covered by the CPF and the institutional arrangement of SRRDA with support from PIC are able to safeguard the project.

APPENDIX 1: RCIP GENDER ACTION PLAN (GAP)

Activities	Indicators and Targets^a	Responsibility	Time Frame
Output 1. Selected priority rural roads prioritized by PMGSY for 2012 sanction are constructed/ upgraded into all-weather standard			
1.1. Hire women workers for skilled and unskilled work in road construction and maintenance. Ensure equal wages for equal work done to both male and female skilled and unskilled labor in project works.	At least 33% of workers hired in road construction works through MGNREGA are women, who receive the same wages as their male counterparts.	PIU/ Contractor	Y1 – onwards
1.2. Ensure that contract documents prohibit the hiring of child labor.	Explicit provision prohibiting child labor is evident in project contracts.	PIU/ contractor	Y1 - onwards
1.3. Ensure that impact on vulnerable female-headed households due to road construction is mitigated.	All affected FHH directly benefit from appropriate mitigation measures, and/or linked to poverty alleviation/livelihood restoration programs of MGNREGA, IAY, SGSY etc.	PIU/PIC. TSC will monitor	-Y1 - onwards
Output 2. Quality of design of RCIP roads is improved			
2.1. Involve women from the local communities in project areas in the identification of road alignment and decision making during the transect walk.	At least 30% of community members consulted on the design of RCIP roads are women	PIU (AE/JE) PIC, ZP,GP, PRI	Y1
Output 3. Maintenance of RCIP roads is improved and sustainable			
3.1 Engage women as road maintenance workers or supervisors for road maintenance. (This activity will be undertaken under MNREGA especially in the states of Chhattisgarh and West Bengal.)	At least 33% of road maintenance workers/ hired for strengthening of earthen shoulders, tree plantation along the shoulders for a forestation and prevention of erosion of shoulders are women.	PIU/PIC	Y2 – Y4
3.2 Ensure the engagement of women in each of the RRNMUs to be established in each state	At least 25% of the staff in each RRNMU in each of the 5 states are women.	PIU	Y1 - onwards
Output 4. Road safety measures are incorporated into the lifecycle of roads in RCIP states			
4.1 Consider the specific needs of vulnerable users (elderly, women, children, and disabled) in the design and modification of roads, wherever applicable.	Road safety design features installed in rural roads, e.g., speed bumps, rumble strips, zebra crossings, cautionary/ informative signages, guard stones, shoulders used as safe sidewalks, etc.	PIC,TSC, PIU	Y1
4.2 Ensure women's participation in community orientation and road safety awareness campaigns	At least 30% female participation in road safety orientation and awareness training programs.	PIU,PIC.,TSC	Y1 – Y3

Activities	Indicators and Targets ^a	Responsibility	Time Frame
5.1 Ensure the engagement and training of women in all aspects of rural road network management and development in the PIUs, and Panchayat Raj Institutions through RCTRC's.	At least 30% of PIU and PRI staff engaged are women and have been trained in all aspects of RRNM	SRRDA/PIU	Y3
5.2 Develop and utilize social- and gender-sensitive training modules on the design, construction, and maintenance of rural roads, for staff, including design consultants, contractors and Panchayat Raj Institutions.	At least two social- and gender-sensitive training modules (one for consultants, contractors and project staff of PIUs and one for the PRIs) developed and utilized	RCTRC's with support from PIU	Y2
5.3 Train design consultants, contractors and PRIs on the social- and gender-sensitive design, construction and maintenance of rural roads	All project design consultants and contractors, and at least 10 PRIs capacitated on social- and gender-sensitive design, construction, and maintenance of rural roads	RCTRC's with support from PIU	Y3
Output 6. Effective project management provided			
6.1 Collect sex-disaggregated data during the baseline survey and conduct a gender analysis during preparatory surveys, feasibility studies, assessments and reports.	Reports on the baseline survey, feasibility studies especially poverty and social assessment study and assessments include clear gender analyses with sex-disaggregated data.	PPTA consultants, PIU (AE/JE) PIC, ZP, GP, PRI	Y1 - onwards
6.2 Include social and gender indicators in the PMIS for the implementation of RCIP and systematically monitor its progress with the regular collection of sex-disaggregated data.	PMIS with social and gender indicators and regularly updated with sex-disaggregated data	PIU, PIC, TSC	Y1 – Y4.
6.3 Appoint a social and gender officer at the PIU or PIC level	Effective social and gender officer engaged at the PIC level.	PIU	Y1

AE = Assistant Engineer, FHH = female-headed households, GP = Gram Panchayat, IAY = Indira Awaas Yojana, JE = Junior Engineer, MGNREGA = Mahatma Gandhi National Rural Employment Guarantee Act, PIC = Project Implementation Consultants, PIU = project implementation unit, PMGSY = Pradhan Mantri Gramin Sadak Yojana, PMIS = project management information system, PRI = Panchayat Raj Institution, RCIP = Rural Roads Connectivity Improvement Project, RCTRC = Rural Connectivity Training and Research Centre, SGSY = Swarnjayanti Gramin Swarozgar Yojana, RRNMU = Rural Road Network Management Unit, SRRDA = State Rural Roads Development Authority, TSC = Technical Support Consultants, ZP = Zilla Parishad

^a Quantitative targets will be refined at project onset in consultation with the EAs and IAs based on the results of the baseline survey and impact monitoring.

APPENDIX 2: LIST OF ROADS WITH APS/VAPS FOR EACH STATE

ASSAM: List of Roads with APs, VAPs

Assam Project 1

SI	District	Block	Road Details			Nos. of AP/ VAP	
			Name	Code	Length (km)	AP	VAP
1	Barpeta	Bajali	Bilpar to Kharadhara	L026	1.000		
2	Barpeta	Barpeta	B D Road to Budrutop	L31	1.300		
3	Barpeta	Barpeta	Nagaon to Damrabua	L047	2.000	11	7
4	Barpeta	Barpeta	Ganakuchi to Nasatra	L029	1.000	1	0
5	Barpeta	Barpeta	Balapara Botia road to Moripur	L038	1.000		
6	Barpeta	Barpeta	Niz Barala to Debra	L040	4.800		
7	Barpeta	Barpeta	Niz Barala to Chagalchari	L041	3.000		
8	Barpeta	Chenga	Niz Chenga to Bampara	L029	2.860	6	4
9	Barpeta	Mondia	Balajan to Satrakanara		2.200		
10	Barpeta	Pakabetbari	L32 to Balarbitha	L034	1.930	68	1
11	Baska	Baska	Karemura to Nikashi Namati Masalpur	T02	7.000		
12	Baska	Baska	Road from Dihira to Nikasshi		3.000		
13	Baska	Goreswar	T4 to Sonmohori	L032	2.500		
14	Baska	Nagrijuili	T01 to Chandannagar	L026	2.450		
15	Bongaigaon	Boitamari	Katasbari to Kanara beel		1.800		
16	Bongaigaon	Boitamari	Ghilaguri Part II to Ravapara		2.000		
17	Bongaigaon	Dangtol	Kharija Dolaigaon to Kharija Dolaigain I		0.750		
18	Bongaigaon	Dangtol	Nachankuti to Takuamari		1.000		
19	Bongaigaon	Dangtol	East Bhadrangaon III to Digdari		2.500		
20	Bongaigaon	Manikpur	Patiladoha to Khursamari		2.842		
21	Bongaigaon	Tapatary	Kuchbari Part I to Kuchbari Part II		0.700		
22	Bongaigaon	Tapatary	Kuchbari to Balargudam		1.300		
23	Cachar	Borjelenga	Bagbahar III to Bagbahar V		3.000		
24	Cachar	Borkhola	NH53 to Abhongcherra		2.250		
25	Cachar	Borkhola	Road from Dudpatil I to dudpatil VIII		1.500		
26	Cachar	Kalain	Karbala grant to Natanpur grant		0.930		
27	Cachar	Sonai	LRA Road to SMD Road		2.700		
28	Chirang	Borobajar	Amguri Farmanchali		3.000		
29	Chirang	Sidli Chirang	SH1 to Borogaon		2.800		
30	Chirang	Sidli Chirang	105 to Birinchiguri		1.250		
31	Chirang	Sidli Chirang	SH1 to Uttar Dakhwngaon		1.200		
32	Chirang	Sidli Chirang	Kunkrajhora Rangijhora		1.500		
33	Chirang	Sidli Chirang	22 to Kumguri		1.800		
34	Chirang	Sidli Chirang	Bengtol Kha Pt-1 Durgapur		2.300		
35	Chirang	Sidli Chirang	22 to Sherfanguri Pt-1 & 11		3.000		
36	Chirang	Sidli Chirang	SH1 to Madhyam Dakhingaon		5.000		
37	Darrang	Kalaigaon	Naptipara to Jaberikuchi Road		2.000		
38	Darrang	Kalaigaon	Samalakhat to Lengrijar		2.000		
39	Darrang	Pachim Mangaldoi	Jhargaon to Janaramchokwa Road	L036	5.000		
40	Darrang	Pachim Mangaldoi	Bhalukhowapara to NH-52		4.500		
41	Darrang	Pachim Mangaldoi	Choto Athiabari to NH-52		3.000		
42	Darrang	Sipajhar	Bhakatpara Pandaghat Road (Mohtoli to Duni)		2.000		
43	Dhemaji	Bordoloni	Gogamukh Ghilamara road at 2nd km to subansiri dyke cum road		0.900		
44	Dhemaji	Bordoloni	Baligaon to Tingiri		2.450		
45	Dhemaji	Machkhowa	Uriamguri To Sissimukh Via Nagakhalia		4.040		
46	Dhubri	Bilasipara	Gaurangtari Pt II to Simlabari road	L022	1.350	5	1

SI	District	Block	Road Details			Nos. of AP/ VAP	
			Name	Code	Length (km)	AP	VAP
47	Dhubri	Chapar Salkocha	Supariguri to Gaurangtari Pt II road	L038	0.700	2	1
48	Dhubri	Chaparsalkocha	Arearjhar Pt I to Sagolkuti road		1.250		
49	Dhubri	Mahamaya	NH way 31 at Rangamati to Choutara road	L042	1.500	4	2
50	Dhubri	Mahamaya	6th km of B S road to Choruavita road	L024	3.500		
51	Dhubri	Mahamaya	NH way 31 to Pasuarkhal Pt II road	L030	1.500	18	11
52	Dhubri	Mahamaya	3rd km of B S road at Jogirmahal to Salmara	L026	1.500	8	3
53	Dhubri	Mahamaya	NH way 31 at Khoraghat to Khamar	L044	1.200	16	6
54	Dhubri	Mahamaya	8th km of Fakiragram Sapatgram road to Sesapani road		1.000		
55	Dhubri	Mahamaya	Dhanpur to Barkuti via Suripara road		1.600		
56	Dhubri	Mankachar	Nizchirakhowa to Chamrasali road	L041	1.700	1	0
57	Dhubri	Rupsi	Naicharkuti to Naicherkuti Taria road		1.000		
58	Dhubri	Rupsi	Bhogdanga KT Road		3.000		
59	Dibrugarh	Joypur	Malipothar To Joypur Town	L021	2.500		
60	Dibrugarh	Joypur	63 to Chengelijan Habi no1	L059	2.680	9	0
61	Dibrugarh	Joypur	Balimora TE To Kamargaon Road	L031	4.000		
62	Dibrugarh	Lahowal	LBT road to Niz Maderkhat	L028	1.855	19	5
63	Dibrugarh	Tengakhata	Phukanbari TE to Matiekhana	L050	6.100	36	20
64	Dibrugarh	Tingkhong	Gerekoni to Rangbanani	L052	2.500	22	3
65	Dima Hasao	Jatinga Valley	M.L.Road to Tuolpoi		0.720		
66	Goalpara	Balijana	Bapupara to Rakhapara	L-32	4.000		
67	Goalpara	Jaleswar	Thorko to Hurkachungi (Hurkachungi Thorko)	L023	2.750		
68	Goalpara	Krishnai	Bheltarghat Khamari	T2	2.500		
69	Goalpara	Kuchdhowa	NH-37 to Bagaribari	L-27	2.500	3	3
70	Goalpara	Lakhipur	Kurswakati to Salmara	L-34	3.000		
71	Goalpara	Matia	Dolgoma to Gossaibari	L-39	1.500	6	3
72	Goalpara	Matia	Harimura (Krishnai) to Tengabari	L-31	2.000		
73	Goalpara	Matia	Pakalagiti to Garoputary		2.000		
74	Golaghat	Golaghat East	T2 to Bosagaon	L23	2.655	12	4
75	Golaghat	Golaghat West	T6 to Beloguri	L041	1.500		
76	Golaghat	Golaghat West	T02 to Borpak	L027	2.000	5	5
77	Golaghat	Golaghat West	T6 to Jigalati	L033	2.500		
78	Golaghat	Gomariguri	04G28 to Adarsha No. 1	L21	2.705	3	1
79	Golaghat	Gomariguri	T1 to Titabor Tangia	L26	2.323	34	16
80	Golaghat	Gomariguri	T6 to Samukjan	L37	2.097	1	0
81	Jorhat	Titabor	T01 to Buruk Baruah	L21	1.750	1	0
82	Jorhat	Titabor	T04 to Deoghoria Grant	L58	1.163	16	8
83	Jorhat	Titabor	T04 to Sodial Kachari	L52	3.000		
84	Jorhat	Titabor	T04 to Tairakuri Gaon	L75	2.088	4	2
85	Jorhat	Titabor	T06 to Namchung Road	L61	1.145	2	0
86	Jorhat	Titabor	T06 to Alengi	L64	2.870		
87	Kamrup	Bongaon	Ukium No. 1 to Ukium No. 2	T3	2.997	14	9
88	Kamrup	Chayagaon	30 to Lankhar	T3	10.503		
89	Kamrup	Sualkuchi	T02 to Rowmari	L052	1.480	3	1
90	Kamrup	Sualkuchi	T02 to Bongsor	L59	1.941		
91	Karbi Anglong	Amri	Road from Umswai Pantaloo PWD road to Marjong Lalung gaon		1.500		
92	Karbi Anglong	Bokajan	NH 36 at Langtibuk to Dillai gate Sarumanthi via Diliram Basti	L036	3.750	1	1

SI	District	Block	Road Details			Nos. of AP/ VAP	
			Name	Code	Length (km)	AP	VAP
93	Karbi Anglong	Bokajan	Rongkimi to Lengri		5.250		
94	Karbi Anglong	Bokajan	Poisa Engti to NH 39		3.150		
95	Karbi Anglong	Chinthong	Road from 3rd km of BH road to Borpathar		1.500		
96	Karbi Anglong	Lumbajung	Road from 20th Km of Jhum Control road to Nagachang		1.600		
97	Karbi Anglong	Rongkhang	85th Km of SH 35 to Kheroni Majbasti	L038	3.100	18	3
98	Karimganj	Badarpur	A road from Baniargool to Mugrapur (T04 to Kuchirgool)		1.979		
99	Karimganj	Dullavcherra	A Road from Cheragibazar to West Cheragi village (T04 to Pachim Cheragibond)		3.000
