Sub: IDIPT UK Tranche-III: Submission of revised DDR of "Conservation & Development of Rural Tourism Sites of Rudraprayag, Chamoli and Uttarkashi District of Uttarakhand" sub-project (UKIDIPT/III/DDN/03)

Dear Madam,

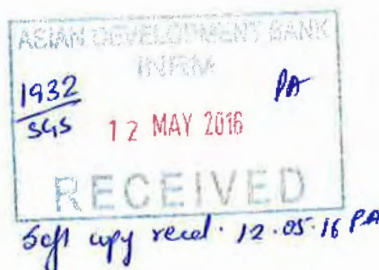

In reference to ADB Expert's observations on the Involuntary Resettlement Due Diligence Report of "Conservation & Development of Rural Tourism Sites of Rudraprayag, Chamoli and Uttarkashi District of Uttarakhand" sub-project (Package No: UKIDIPT/III/DDN/03) submitted vide letter no. 2971/2-10-ADB/IDIPT/297/2014-2015 and mail dated 8.9.15, revised DDR and cover letter along with Compliances is sent for your kind review and approval.

Encl: As above

Sincerely,

R.K.Joshi

(Addl. Program Director)

COMPLIANCES OF ADB COMMENTS ON DDR OF RURAL TOURISM

S.No	ADB Comments	DSC Compliances
1.	The IR and IP checklists need to be revised as they do not represent the information that is given in the write up.	Complied. New IR &IP Checklist has been added in the DDR.(See annexure 41 & 42.)
2.	In the DDR it is mentioned that there will be no IR impacts despite making a pedestrian pathway, Toilet blocks, railings and construction of other such facilities. This is across all the sub- projects covered in the report. Hence more clarification is required regarding this aspect.	Complied. It is confirmed that there will be no IR Impact will be envisaged in this sub-project. During site assessment it was noticed that few residential building are adjacent to the pathway in Kanakchouri, Durgadhar, Niti and Harshil but there will be no impact on that structure as suggested by design engineer. Access will be available for all the households during execution of works. (see para 17 of "Scope of Land Acquisition and Resettlement".
3.	The documentary proof regarding the ownership of each site where construction would be undertaken needs to be provided.	Complied. All the land revenue record as well as NOCs has been attached in this DDR for confirmation of ownership.(see annexure 1 to 32)
4.	Consultation would not be taken as proof of ownership. The consultation details attached in the report need to be translated in English so that it is understood by all.	Complied. All the site were finalized after discussion and consultation with Stakeholders. Consultation details has also translated in Hindi script for easily understanding.(See annexure 35 to 39).
5.	The scanned copies are not legible and clearer copies would need to be attached.	Complied.

I. INTRODUCTION:

A. Background:

1. The Infrastructure Development Investment Program for Tourism Financing Facility (the Facility) will develop and improve basic urban infrastructure and services in the four participating states of Himachal Pradesh, Punjab, Uttarakhand and Tamil Nadu—to support the tourism sector as a key driver for economic growth. It will focus on: (i) strengthening connectivity to and among key tourist destinations; (ii) improving basic urban infrastructure and services, such as water supply, road and public transport, solid waste management and environmental improvement, at existing and emerging tourist destinations to ensure urban amenities and safety for the visitors, and protect nature and culture-based attractions. Physical infrastructure investments will be accompanied by: (iii) capacity building programs for concerned sector agencies and local communities for better management of the tourist destinations and for more active participation in the tourism-related economic activities, respectively.
2. The State of Uttarakhand lies in the northern part of the country and shares international border with China. This physiographic situation attaches strategic importance to the region as well as the infrastructural development in the state. Uttarakhand has a total area of 51,125 km², of which 93% is mountainous and 64% is covered by forest. Most of the northern part of the state is covered by high Himalayan peaks and glaciers.
3. Tourism is one of the fastest growing industries in Uttarakhand. According to statistics maintained by the Tourism Board, the estimated tourist visits in Uttarakhand during 2006 were about 18.99 million by domestic tourists and 0.1 million by foreign tourists.
4. Considering the urgency of revamping and strengthening of tourism infrastructure in the state, Government of Uttarakhand is currently implementing the Infrastructure Development Investment Program for Tourism (the Investment Program) for which a Financing Framework Agreement (FFA) was signed by the Government of India and Asian Development Bank (ADB).
5. Community participation and Rural Tourism activities are important to sustain all other packages in the project and to ensure that poor, women and disadvantaged sections of society get benefitted from tourism interventions in the area. With considering the above factors, package of Rural Tourism has been finalized and 3 Districts/Clusters of Villages

covering 11 villages has been taken around the areas where infrastructure works will be done under this IDIPT-UK. These villages/ panchyats form clusters of villages where communities can be organized to participate in the activities of the project and can get benefitted in the process of tourism development in the area.

6. Under this Project, thrust will be to promote village tourism as the primary tourism product to spread tourism and its socio-economic benefits to rural and new geographic regions. Key geographic regions would be identified for development and promotion of Rural Tourism. The implementation would be done through a Convergence Committee headed by the District Magistrate. Activities like improving the natural environment, hygiene, socio-economic status, infrastructure etc. would be eligible for assistance.

B. Need of the sub-projects:

7. The following are the main reasons of the investment for the sub-project.(i) To provide opportunities to local communities to participate in management of tourism in their vicinity through organized groups.(ii) To build the capacity of communities in tourism-related economic and livelihoods activities(iii) Need to create more economically vibrant and environmentally sustainable area.(iv) At present un- managed and non- clean site.(v)To bring the destination on world map as World's most popular destinations(vi) To Strengthen our cultural significance(vii)Enhance quality of life, livelihood and environment.(viii) Promote tourism in the areas(ix)Create awareness among the locals, Indians and foreigners.
8. The villages taken up under this sub-project comes under three districts i.e Rudraprayag, Chamoli and Uttarkashi. – All three districts have good potential for rural tourism owing to availability of rich natural and ecological resources.

Figure 1: Location map

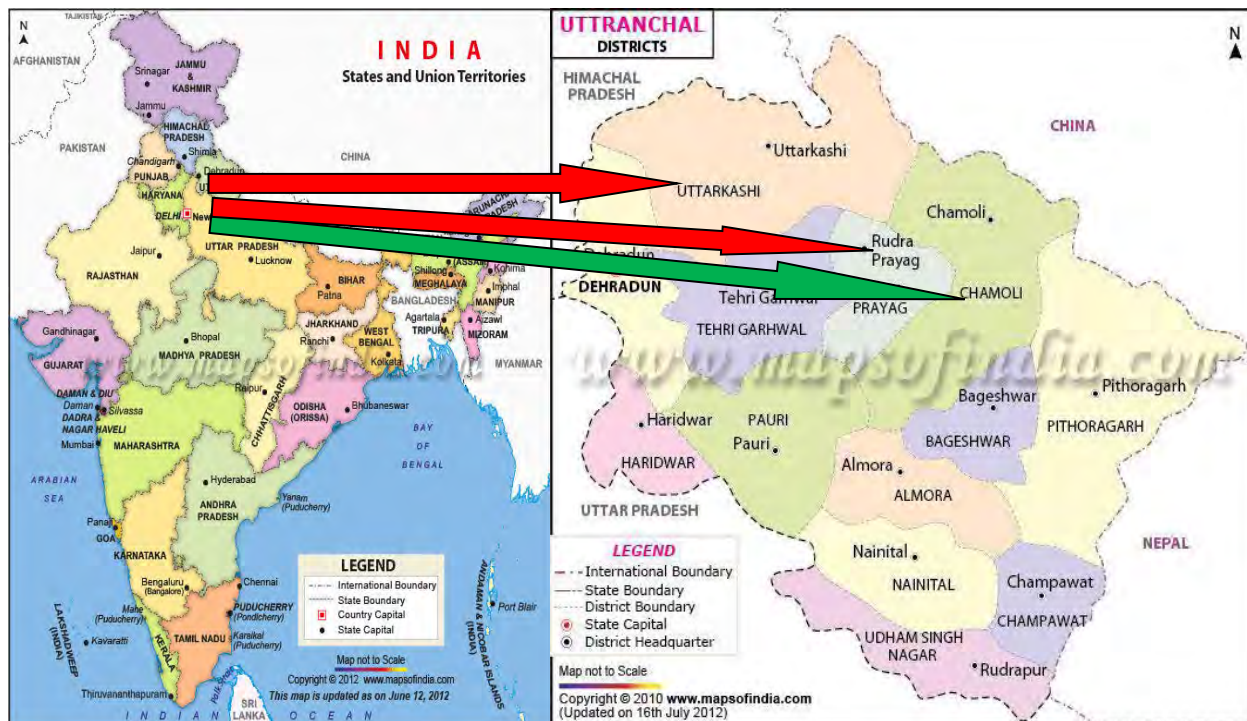

Table 1: Tourist Visits in the proposed project area

Year	Tourists in Uttarakhand		Rudraprayag and Uttarkashi Districts	
	Domestic	Foreign	Domestic	Foreign
2013	20025473	90444	661880	1597
2012	28292538	140524	1280165	3534

2010	30972134	136459	997817	3347
2009	23154214	118243	1097539	3999

C. District Profile:

9. Rudraprayag district is a district of Uttarakhand state of northern India. The district is bounded by Uttarkashi District on the north, Chamoli District on the east, Pauri Garhwal District on the south, and Tehri Garhwal District on the south. Rudraprayag lies on national highway NH 58 that connects Delhi with Badrinath and Mana Pass in Uttarakhand near Indo-Tibet border. As of 2011 it is the least populous district of Uttarakhand. According to the 2011 census Rudraprayag district has a population of 236,857, roughly equal to the nation

of Vanuatu. This gives it a ranking of 585th in India (out of a total of 640). The district has a population density of 119 inhabitants per square kilometer (310 /sq m)

Uttarkashi: Uttarkashi is located at 30.73°N 78.45°E. It has an average elevation of 1,165 metres (4,436 feet). Most of the terrain is hilly. There are many small and big rivers in Uttarkashi district. The Yamuna and the Ganges (Bhagirathi) are biggest and holiest among them, their origin is Yamunotri and Gangotri (Gomukh) respectively. Asi Ganga and Jad Ganga are some of the tributaries of the Ganges. As census 2011, Uttarkashi had population of 330,086 of which male and female were 168,597 and 161,489 respectively. In 2001 census, Uttarkashi had a population of 295,013 of which males were 152,016 and remaining 142,997 were females. Average literacy rate of Uttarkashi in 2011 were 75.81 compared to 65.71 of 2001. If things are looked out at gender wise, male and female literacy were 88.79 and 62.35 respectively. For 2001 census, same figures stood at 83.60 and 46.69 in Uttarkashi District. Total literate in Uttarkashi District were 215,126 of which male and female were 128,237 and 86,889 respectively most citizens of Uttarkashi are Garhwali, with large numbers of Punjabi, Kumaoni and people from other parts of Northern India. It also has a significant population of the Bhotiya Jadh people.

Chamoli: Chamoli district is the second largest district of Uttarakhand state of India. It is bounded by the Tibet region to the north, and by the Uttarakhand districts of Pithoragarh and Bageshwar to the east, Almora to the south, Garhwal to the southwest, Rudraprayag to the west, and Uttarkashi to the northwest. The administrative headquarters of the district is Gopeshwar. Chamoli hosts a variety of destinations of pilgrim and tourists' interest like Badrinath, Hemkund Sahib, Valley of Flowers and Auli. Chamoli also happened to be a birthplace of "Chipko movement". Chamoli proved itself "the most spectacular in its natural assets; be it maintain scenery, valley aspects, water-edges, floristic varieties, dramatic landform or the climatic cardinalities". The district is also inhabited by Bhotiya ethnic group who adhere to Hinduism. According to the 2011 census Chamoli district has a population of 391,114, roughly equal to the nation of Maldives. This gives it a ranking of 559th in India (out of a total of 640). The district has a population density of 49 inhabitants per square kilometer (130 /sq mi) .Its population growth rate over the decade 2001-2011 was 5.6%. Chamoli has a sex ratio of 1021 females for every 1000 males, and a literacy rate of 83.48%. Chamoli District is worldwide famous for its hill stations, picturesque spots and religious centers. This district has lot of options for pilgrimages and adventures trekkers. Chamoli includes popular Pilgrimage spots such as Badrinath, Kerdarnath, Tungnath and Joshimath, People visit here for religious aspect. This area also have option for adventures people who are fond of trekking in mountains such places are Devaria-Taal,

Vedni-Bugyal, Auli-Bugyal, Gurson-Bugyal and Roopkund. Chopata, Chamoli and Gwaaldham can be viewed as a Beautiful hill stations.

D. Village Profile:

Total **9 village from 3 districts** has been taken up under these packages. Details are below:

Table 2: District wise list of villages are as follows:

S.No	District	Block	Village
1	Rudraprayag	Ukhimath	Tungnath Chopta settlement
2			Kaviltha
3			Phalasi
4			Durgadhar (Bora Village)
5	Chamoli	Pokhri	Kanakchauri (Poghatha village)
6		Joshimath	Niti
7			Lata
8	Uttarkashi	Bhatwari	Harshil
9			Mukhba

1. **Bora (Durgadhar):** Bora is a traditional and calm village located at the distance of 21.5 Kms from Rudraprayag district and 1km from Durgadhar. This village is located in Agastmuni block of Rudraprayag Tehsil at Rudraprayag district with an elevation of 1600 meters above sea level. Total 297 households reside in Bora with population of 1320, out of which 627 are men and 693 are women (women more than men). Out of 297 households, , 165 under BPL and 20 are Antyodaya ¹category.
2. **Harshil:** Harsil is a beautiful village situated on the banks of Bhagirathi River, with dense deodar slopes on either side of the region. This Himalayan village is located at Bhatwari block of Uttarkashi district in Uttarakhand State of India at a height of 7,860 ft (2382meters) from sea level, 70 Kms towards East from District head quarter and 184 Kms from the state capital Dehradun. Total 45 households reside in Harsil with population of 214, out of which 110 are men and 104 women. Negi, Panwar and people from Bhutiya (Jadhs) group constitute the inhabitants of Harsil which comprises of people from different castes (General – 21%, Scheduled Caste – 10% and Scheduled Tribe-69%). Out of 45

¹ poorest among the BPL families.

households, 69 % comes under APL, 20% under BPL and 11 % under Antyodaya category. In Harsil, a family is comprises of 4 to 5 members. Overall literacy rate of the village is 83.14% out of total male literacy rate is 93.55% while female literacy rate is 68.33.

3. **Kaviltha:** Kaviltha is the birth place of great poet and dramatist Kalidasa. Kaviltha is a small and beautiful village of Himalaya region, situated at a distance of 20km from Ukhimath block of Rudraprayag district. It lies at an altitude of around 6,000 feet (1,818 m) above sea level. This village lies at the bank of river Saraswati in the Himalayas, surrounded by the peaks of Kedarnath in Rudraprayag. It is located at the distance of 51Kms towards North from District head quarter and 232 Kms from the state capital Dehradun. Total 92 households reside in Kaviltha with population of 338, out of which 160 are men and 178 are women.(women more than men). Rawat, Chauhan, Gaur, Kotwal are the inhabitants of Kaviltha which comprises of people from only General caste. Out of 92 households, 57 come under APL, 31 under BPL and 04 under Antyodaya category. Average literacy rate of the village is 79.42% out of which male literacy rate is 91.6% and 65.3% of female.
4. **Kanakchauri (Pagotha)** - comes under village Pagotha is famous as the starting point of trek to Kartika Swami Mandir from where the pilgrims begin their journey by foot.. The village is famous for its vernacular Slate & mud architectures, artisans and Malta orchards. Pogatha is just 3 km unpaved track from Kanakchauri which is situated on Pokhari - Rudraprayag route which links National Highway number 58 at Rudraprayag. Total 262 households reside in Pogatha with population of 872, out of which 418 are men and 454 women.(women more than men). Negi and Rawat are the inhabitants of this village. It also comprises of people from diverse castes where Scheduled Caste constitutes 16%, and General population constitutes 84%, of total households. Out of 262 households, 108 come under APL, 123 under BPL and 31 lands Antyodaya category. Average literacy rate of the village is 68.79% out of which male literacy rate is 91.5% and 48.8% of female.
5. **Lata:** Lata is one of the important villages of the Niti Valley which lies in the Joshimath subdivision of Chamoli district in the state of Uttarakhand (formerly Uttaranchal in the state of Uttar Pradesh), India. This valley is spread dramatically from an altitude between 2,100 and 7,817 meters. In the villages, homespun wool and woolen items have long been produced and knit by women to supplement family income. In addition, staple crops such as wheat, barley, millet, and local pulses and grains, and some cash crops such as kidney

beans and potatoes have been grown in the terraced hills overlooking the many river valleys. The Lata village has population of 305 of which 145 are males while 160 are females as per Population Census 2011. In Lata village population of children with age 0-6 is 34 which make up 11.15 % of total population of village. Average Sex Ratio of Lata village is 1103 which is higher than Uttarakhand state average of 963. Child Sex Ratio for the Lata as per census is 1125, higher than Uttarakhand average of 890. Lata village has lower literacy rate compared to Uttarakhand. In 2011, literacy rate of Lata village was 64.58 % compared to 78.82 % of Uttarakhand. In Lata Male literacy stands at 77.52 % while female literacy rate was 52.82 %. In Lata village, most of the village population is from Schedule Tribe (ST). Schedule Tribe (ST) constitutes 99.02 % while Schedule Caste (SC) was 0.33 % of total population in Lata village.

6. **Mukhwa** (Mukhawa) is a small vibrant village located at a distance of 3 Kms from Harshil valley and 23 Kms before Gangotri temple. This beautiful Himalayan village is located at Bhatwari block of Uttarkashi district in Uttarakhand State of India at a height of 8,645 ft (2,620 meters) from sea level, 73 Kms towards East from District head quarter and 187 Kms from the state capital Dehradun. This place is famous as winter abode or second home of Goddess Ganga. Every year on the auspicious occasion of Deepawali, the deity is taken down to the Mukhimath temple with a procession of devotees and celebrating band of Garhwal Rifles. Total 310 households reside in Mukhwa with population of 1398, out of which 713 are men and 685 women. Semwal, Nautiyal, Negi, Rana, Martoliya and Rawat are the inhabitants of this village. It also comprises of people from diverse castes where Scheduled Caste constitutes 7%, Scheduled Tribe 9% and General population constitute 84%, of total households. Out of 310 households, 250 come under APL, 42 under BPL and 18 lands under Antyodaya category². Average literacy rate of the village is 80.9% out of which male literacy rate is 93.5% and 68.3% of female.

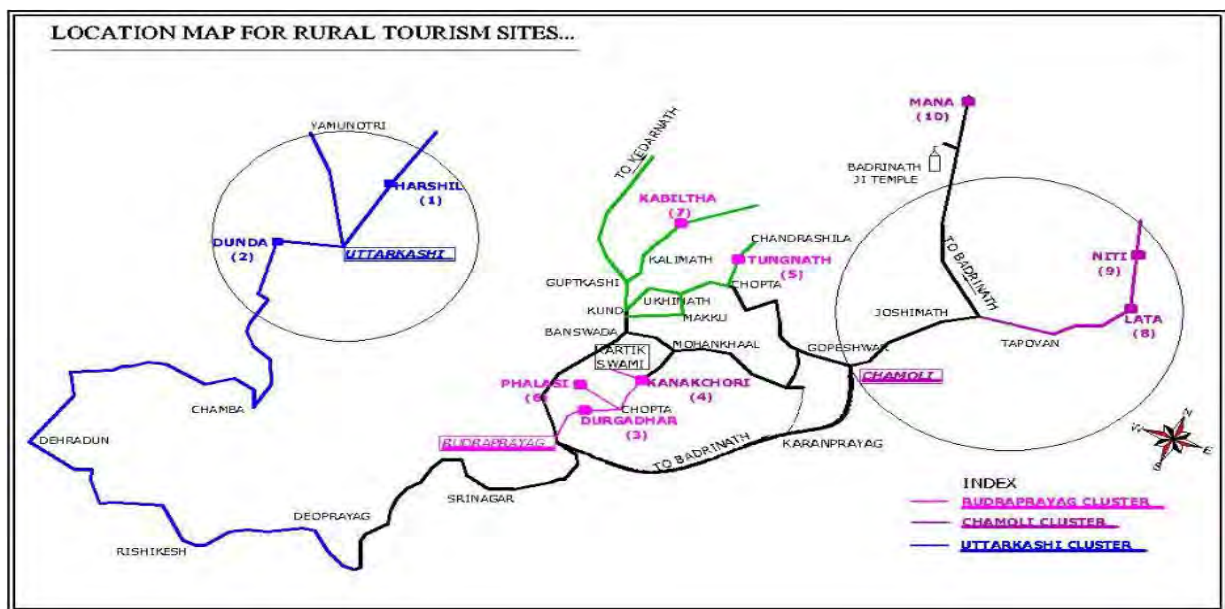

7. **Niti**: Niti is one of the last & most important villages in the Niti Valley of the Joshimath Tehsil of the Chamoli District of Uttarakhand. It came into limelight as being an important part of the Nanda Devi Biosphere Reserve, a world heritage site. Niti was one of the important villages especially as a trade town between Tibet and India. It was also the hub of mountaineering activity during the British times and post independence era with lots of people assisting mountaineering expeditions from the village. Total population of the

² Antyodaya Category: Scheme for poorest among the BPL families.

village is approx 1000. Schedule Tribes population is around 200 and remaining are from General and SC.

8. **Phalasi:** Phalasi village is located in Garhwal Himalaya Region, 21 kms towards north from district head quarter Rudraprayag and 201kms from state capital Dehradun. This Himalayan village is located at Augustmuni Block of Rudraprayag District in Uttarakhand State of India, at a height of 1296 meters from sea level. Total 207 households reside in Phalasi with population of 945, out of which 478 are men and 467 women which comprises of people from different castes (General – 68% , Scheduled Caste – 29% and OBC – 2%). In Phalasi, a family comprises of 4 to 5 members. Out of 207 households, 161 come under APL, 32 under BPL and 14 come under Anthodia category, overall literacy rate of the village is 67.13% out of total male literacy rate is 82.87% while female literacy rate is 54.16%.
9. **Tungnath:** Tungnath, located on the Chandranath Parvat in the Rudraprayag District is one of the sacred panch Kedar. It is the highest temple of Lord Shiva perched at an astounding elevation of 3680 mtr above sea level. Magnificent in its architecture and artistic structure, Tungnath Temple is considered to be more than 1000 year old, dedicated to Lord Shiva and few other idols of Goddess Parvati and other gods can be seen in the vicinity.

Figure 2: Location map

E. Objective of the Subproject:

10. The Rural Tourism component of the ADB project was envisaged keeping in mind the potential of Rural tourism especially in the context of hill states like UK. Building local capacity by training people in local communities such that they are able to manage their own area as a tourism destination, equipping them with the skills to develop efficient supply chains and market their destination to visitors through effective distribution channels. The overall aim is to create viable rural tourism destinations which can be developed as sustainable businesses, thereby building strong and healthy rural communities with a bright and confident future. It should also help to spread the economic benefits of tourism more evenly throughout the country. Thus the overall objective of the package was to:

- To enable local communities to make the most of their cultural and natural heritage.
- To help them achieve sustainable economic growth through tourism.
- To build local capacity and use local resources to develop destinations and offer visitors a taste of life in some of the most picturesque and untouched parts of India.
- Use of Cooperatives for achieving objectives and goals
- To control rural migration
- Enhanced quality of natural and cultural tourist attractions;
- Livelihood opportunities at local community level;
- Improved basic infrastructure and services at tourist destinations;
- Strengthened capacity of concerned sector agencies and local communities for planning, development, management and marketing of tourist destinations and attractions;
- Enhanced capacity to promote local communities to participate and small businesses at the destination points.
- To make alternative livelihood option for rural population and control migration
- Enhance the Values of the adjacent historic village landscape;
- Preservation and conservation of both the Monument and the cultural landscape of the historic site.

F. Scope of this report:

11. The works proposed are mentioned in table 3.

Table 3: Village wise specific proposed Hardware and Software activities

Name of Village	S.No	Proposed Hardware Components	Proposed Software Components
Tungnath	1	Replacing Broken/ Missing stone elements of temple shikhar	1. Home stay trainings: (a) Housekeeping (b) Cooking 2. Adventure trainings: <ul style="list-style-type: none"> ➤ Trekking ➤ Bird Watching ➤ Rock Climbing ➤ Camping ➤ Hiking ➤ Yoga & Meditation ➤ Repelling ➤ Mountaineering ➤ Horse Riding 3. Off season Activities: <ul style="list-style-type: none"> ➤ Packaging ➤ Solid waste Management ➤ Crowd and Disaster Management Training ➤ Cultural Interpretation Guide Training ➤ Horticulture and Floriculture Training ➤ Cultural Group Training ➤ Organic Farming ➤ Ancillary Service Provider Training (Taxi Drivers) ➤ Ancillary Service Provider Training (Restaurants and Dhaba owners) ➤ Ancillary Service Provider Training (Existing Primary and Secondary Accommodation Providers) ➤ Communication and Marketing Training
	2	Removal and refixing of displaced stone of main temple sabha manadapa walls	
	3	Removal and refixing of displaced stone of roof of main temple sabha manadapa	
	4	Removal of incongruent paint from the main temple facade	
	5	Preservative coating on all temple external surfaces i.e. walls, shikhar etc	
	6	Joint filling of shikhar stones with using mortar	
	7	Extension of top most wooden structure of the main temple shikhar	
	8	Relaying of displaced paving using same stones of temple prakara	
	9	Removal and reconstruction of bulged retaining walls	
	10	Removal and rearranging of shikhar stones of small shrines after proper numbering	
	11	Removal of blackening and algae from the main temple facade	
	12	Foundation retrofitting of main temple	
	13	Shivalinga water/Rain water disposal system of the temple/premises	
	14	Main entrance gateway structure to the premises	
	15	Improvement of pathway upto new gateway structure	
	16	Misc for conservation of interior surfaces of all temples	
	17	Misc for any unforeseen condition of the temples	
Kaviltha	1	Pathway	1. Home stay trainings: (a) Housekeeping (b) Cooking 2. Adventure trainings: <ul style="list-style-type: none"> ➤ Trekking ➤ Bird Watching ➤ Nature Walk/Jungle Walk ➤ Rock Climbing ➤ Camping ➤ Hiking ➤ AT Biking/ Mountain Biking ➤ Yoga & Meditation ➤ Repelling
	2	Construction of Guest House	
	3	Renovation of Kalidas Smarak & Community centre	
	4	Parking	
	5	Repairing of Existing Water body	
	6	Renovation of Panchayat Bhawan	
	7	Landscape for Samadhi	
	8	Informative Signage

G. Requirement of Due-Diligence Report:

12. In line with ADB Safeguard policy statement (2009) and the agreed Resettlement Framework of IDIPT, the project minimized involuntary resettlement by proposing all the proposed works within Temple Trust, and Govt land. As there is no involuntary resettlement involved in this sub-project, the preparation of RP for this sub-project is not required; hence this brief due-diligence report has been prepared for the documentary requirement for ADB. This report describes the findings and provides copies of relevant maps and legal documents.

13. In accordance with Safeguard Policy Statement requirements, the project is defined as C category for involuntary resettlement impact .As per final design and Detailed Project Report, during execution of hardware components, there will no impact on private/public land, private properties like housing, shops, commercial buildings, religious and community infrastructure. No NTH(Vendors, Hawkers,etc) were identified in the proposed areas.

H. Project Impact and Outcome:

14. The expected outcome of the Development of Rural Tourism activities in the villages, skill development and trainings, etc. as part of the concerned subproject proposal would be the following:

- Proper gender segregated database of the community groups as well as elaborate value chain analysis of the identified key products especially relating to off season activities
- Communities and other stakeholders aware on project activities, need and potential of tourism in their areas and their roles as well as responsibilities through active participation in micro planning etc.
- Community-based tourism cooperative societies, institutions and groups established and functioning in the management of tourist sites
- Around 200 individuals spread over 10 villages trained on heritage management and tourism-related skills
- Access ensured for communities and local entrepreneurs including women to tourism related livelihoods and income generation through research based marketing strategy

- Supportive infrastructure developed for Development of Rural tourism in form of tourism related equipment, institutional mechanisms and marketing linkages.
- Regulation in place for fostering Rural tourism products including home stay arrangements and traditional culture and crafts with focus on women participation through certification strategy.

II. Scope of Land Acquisition and Resettlement:

15. Works were designed after the seeing the availability of land and consultation with stakeholders especially with the members of Temple Trust and Village Panchayats. Series of transect walk and social assessment were conducted/done in the areas, where hardware works are to be executed. During transect walk and social assessment it was noticed that all the villages have small population and have an Archeological and Historical attractions. Sufficient vacant lands are available, which are the asset of Gram panchayat/Govt of UK and Temple Trust .No NTHs (vendors, hawkers etc) were identified in all the areas, where works are to be executed. During site assessment it was noticed that there will no impacts on private land, private properties like housing, shops, commercial buildings, religious and community infrastructure. By this Sub-Project intervention, full or partial, permanent or temporary, physical and economic displacements are conspicuously absent. There are no Project Affected Persons; no land or structure is to be acquired, no common property resources are affected. Even nobody's livelihood either temporarily or permanently is likely to be affected.

16. Most of the works are replacing and renovate the existing structures i.e replacing stone, paint, wooden structure, renovation of existing toilets, retaining walls, Renovation of Panchayat Bhawan etc. Transect walk and social assessment was concentrated in the areas where parking, Community hall, View point and other new works are proposed. it was noticed that no negative impact will be envisaged during execution of the these works, Vacant lands are available, which are under the possession of Temple Committee and UK Govt. Parking in Kaviltha and Niti will be developed in the Vacant Govt land. Guest House in Kaviltha will be constructed in vacant Govt land and wash rooms in Phalasi, Durgadhar, Kanakchori and Niti will also be developed in the Govt land. Eco-Huts and campaigning site will be developed in the village Harshil on Govt land and similarly community centre works in Niti village will also be executed in Govt land. Discussion was made with the concerned village Pradhan and

Revenue Inspector for providing land records and NOCs for the above site. Records have been provided them and also attached in this DDR(See annexure 1 to 34).

Table 4: Detail of New Works and possible IR Impacts

S.No	Name of Village	New proposed works	Remarks/ possible IR Impacts
1	Kavilta	Guest House, Parking, Toilet Block	No IR impact will be envisaged. Works are proposed in vacant govt land . 0.069 hec vacant govt land is available. (see annexure 12).
2	Palashi	Toilet Block,Pathway	No IR impact will be envisaged. Works are proposed in vacant govt land 0.096 hec vacant govt land is available.(see annexure 1 to 4).
3	Durgadhar	Toilet Block, Sitting Benches,	No IR impact will be envisaged. Works are proposed in vacant govt land . 2.507 hec vacant govt land is available.(see annexure 17 to 20).
4	Harshil	Sitting Arrangement, Parking, Water Tank,Rain Shelter and Hut	No IR impact will be envisaged. Works are proposed in vacant govt land .
5	Niti	Community Hall,Parking,View Point, Toilet,Glass House	No IR impact will be envisaged. Works are proposed in vacant govt land . 7.889 hec vacant govt land is available. (see annexure 23to 25).
6	Mukhwa	Sitting Arrangement,Toilet	No IR impact will be envisaged. Works are proposed in vacant govt land .
7	Kanakchouri	Rian Shelter,Toilet	No IR impact will be envisaged. Works are proposed in vacant govt land .

17. During site assessment it was also noticed that few residential building are adjacent to the pathway in Kanakchouri,Durgadhar,Niti and Harshil but there will be no impact on that structure as suggested by design engineer. Access will be available for all the households during execution of works. Detail of Subproject Components and its Impact on Land Acquisition and Resettlement are presented in Table 5.

Table 5: View of Pathway that will be upgraded

III. Indigenous Peoples:

18. There will be no impact on Indigenous peoples (IPs). Sub-project does not have any impact on Indigenous people or ethnic minority, though the scheduled tribe populations in all the villages are quite high. However, after extensive consultation and numerous site visits, it is confirmed that the tribal population is no different from the mainstream population in their way of living and work. In Lata, Niti and Harshil villages, maximum number of people are from Schedule Tribe category and engaged in weaving and agriculture works. Their socio-economic conditions are not distinct from the main esteem society. This is categorized as “C” for Indigenous Peoples. No Indigenous peoples Development Plan (IPDP) will be needed for this sub-project. All the proposed construction activities will be done within the vacant Temple Trust land, Panchayat Land, Tourism Dept Land and existing premises of Temples.

IV. Gender Issues:

19. The project will not have any such negative impact on women. Under the DPR, provision has been made for increase women participation at every stage, so that they can avail maximum benefits of the project. As a part of social due diligence, focused group discussions were carried out among the women group in the surrounding villages of the project to create awareness among the upcoming development activities and their livelihood opportunity likely to come. The following provision has been made specific to women to make the project gender sensitive:

- Gender segregated data has been generated while planning for community-based activities and would continue to be done in the process of implementation, monitoring and evaluation.
- Specific training to women groups has been planned under the sub-project. Women based Self-Help groups are to be formed, trained and linked to livelihoods in tourism. In other kinds of trainings, at least 30% women are to be made participants.
- Economic empowerment of poor women is one major aspect of this plan. Skill trainings have been incorporated in the sub-project keeping in mind specific needs of women in tourism sector.
- Women membership in institutions and committees has been planned to ensure their participation in decision making processes, particularly in community-based activities.
- Role of women in planning and implementation of every stage of sub-projects has been worked out. This is more specific in identifying the community-based tourism products in project area and identification of infrastructure needs at village level and their implementation.
- Gender Action Plan (GAP) has been prepared during the design stage of the IDIPT. This has guided in incorporating gender mainstreaming activities in all sub-projects including

community-based activities and skill trainings. Gender aspects have been incorporated in all 6-result based activities of sub-project on community-based activity.

V. Public Consultations:

20. Meetings and individual interviews were held by involving all stakeholders. Consultations have been made with the Village Panchayat, Temple Committee, Dept of Tourism and villagers as well and discussed about the works, which will be benefitted for the villagers. The objective of this project is to promote livelihood of the villagers. The DPR was made after considering the views of Temple Committee, Panchayat and villagers. Several FGD were held with the stakeholders. Participants were of the views that this sub-project is important and very much needed and all are pleased by the project and they supported this project. (Detail are attached annexure 23 to 25). None of the community members opposed this sub-project.

VI. Finding:

21. In this Sub-Project intervention, full or partial, permanent or temporary, physical and economic displacements are conspicuously absent. There are no Project Affected Persons; no land or structure are to be acquired, no common property resources are affected. Even livelihood either temporarily or permanently is likely to be affected of anyone.

22. This subproject has been categorized as “C” for Involuntary Resettlement (IR) impact as per the ADB’s Safeguard Policy Statement, 2009 (SPS).

VII. Other Social Measures and Recommendations:

23. Most of the works will be undertaken on the vacant Govt lands so there will be no need to acquire land, and thus there will be no impacts on the asset or landowners or tenants etc. However construction works will impede the access of tourists as well as locals, thus construction contractor and site Engineer will be adopted good engineering practices during execution to reduce the disturbances to the tourist as well as localities. During Execution time, following points should be considered : (i) Provide walkways and metal sheets where required to maintain access across trenches for people and vehicles; (ii) Increase workforce in front of temple, so works should be completed on time. (iii) Provide sign boards for pedestrians to inform nature and duration of construction works and contact numbers for concerns/complaints (iv) All safety rules at work, and Provision of adequate health and safety measures such as

water, food, sanitation, personal protective equipment, workers insurance, and medical facilities.(v) The Contractor shall consult with members of temple trust, village panchayat as well as local residents before and during execution of works, because they are familiar of the site, conditions etc(vi) All works will be carried out without unreasonable noise and air pollution etc.

VIII. Conclusions:

24. It is concluded from this Due Diligence study that: the proposed infrastructure improvements do not incur any change substantially; there are no issues of land acquisition and resettlement related to these subprojects. All facilities will be built on vacant Temple Trust land, Panchayat land, Tourism Department land and will not cause any loss of income or assets. In case any claims or complaints are to be submitted during the construction period, an effective and efficient Grievance Redress Mechanism will enhance provision of timely and sensible hearings and facilitate solutions.

अनापत्ति पुण्ड्र पत्र

परिचय प्रकाशिका
पृष्ठ १०६
T-111, Dohadpur.

विषय - लुंगराय मंदिर में पर्यटन विभाग देहरादून द्वारा किए जाने वाले विनाश
कार्यों के अनापत्ति पुण्ड्र पत्र के लक्षणों में।

महोदय,

निवेदन है कि पर्यटन विभाग देहरादून द्वारा लुंगराय मंदिर में पुनर्निर्माण कार्य जैसे- ताकती मीन काट, ईंटियाँ लगाना (अच्छाकराया), लोहे के
लैंच लगाना, कच्चा पानी खनाना, लोहा लपेट लगाना मंदिर का बहुत बड़ा हीम
करा, धर्मशाला का जीर्णोद्धार, अमरकान्तपुर मंदिर का कच्चापत्र कार्य तथा
मे हीम करा। जेवना में पर्यटन विभाग ऊपर कर्णों के लुंगराय मंदिर पर्यटन मंडली
अनापत्ति पत्र जारी है। कार्य पूर्ण होने के बाद मंदिर लोहा लपेट का पर्यटन मंडली
व टैपलेट इन्फोर्मेशन शुरू होने का यह अधिकार दिया जाना है। जो उक्ति हीम
काली अथवा व अन्य मंदिर ही अथवा व चंदे से प्रस्तावित विनाश कार्य का पूर्ण
कर ले रखकर कर रहे हैं। लुंगराय मंदिर लोहा लपेट जिम्मेवारी जेनी है।
मंदिर लोहा लपेट का वर्तमान में चढ़ावा व चढ़ा व अन्य क्षेत्रों से अनापत्ति
पत्र जारी कर दिया है। वर्तमान में लुंगराय मंदिर पर्यटन मंडली
मंडली जो लुंगराय मंदिर है, अनापत्ति पत्र जारी है। लुंगराय मंदिर लोहा लपेट
लेने वाले विनाश कार्य का यह अधिकार पर कार्य कर ले। लुंगराय मंदिर लोहा लपेट
करने को लुंगराय मंदिर है।

मंदिर लोहा लपेट का विनाश ले भी अनापत्ति पुण्ड्र पत्र लेने जेवना जेवनी
पर्यटन मंडली लुंगराय मंदिर है कारण लुंगराय मंदिर लोहा लपेट ही लुंगराय मंदली
कार्य कच्चा पानी से कच्चा अनापत्ति व जेवना इन्फोर्मेशन कर ले। अनापत्ति कार्य
अनापत्ति कार्य अनापत्ति कर ले लुंगराय मंदिर पर कर ले लुंगराय मंदिर।
मंदिर लोहा लपेट का कार्य लुंगराय मंदिर लुंगराय मंदिर है।

Temple Trust, Tungeshwar does not have any objection for the proposed works for beautification of Temple premises, railing, provision of SWM, Street Lighting, Provision Of Guest House, seating desk, Electricity etc for the villages under Rural-Tourism packages and given assurance to provide all kind of support to UTDB for this works.

Annexure 35: Details of Consultation

In this sub-project, there is no IR and IP impact and both the checklist has been filled up after the comprehensive social impact assessment. Extensive consultation was made with stakeholders for make them aware of the proposed works.

The basic objectives of this stakeholders' consultation were:

- (i) To inform the stakeholders on the proposed work
- (ii) To seek the views of stakeholders on the proposed work
- (iii) To ensure their participation in planning of sub-project and its operation and maintenance.
- (iv) Scope of livelihood generation after the sub-project execution.

Key stakeholders identified for consultation were:

- (I) Temple Trust Committee
- (II) Village Panchayat Samiti
- (III) Local Villagers
- (IV) Shopkeepers and Business Bodies
- (V) Civil Society/Govt Officials

Summary of discussion and views of stakeholders:

Summary of discussion and views of stakeholders								
S.NO.	Date	Location	Persons Consulted	Issues Discussed				
1.	18 Feb. 2014	Durgadhar Bazar	Villagers, shopkeepers etc.	<p>Stakeholders were happy to know that initiative has been taken by Tourism Department with ADB loan for the infrastructure development works in Kartikeye swami, Durgadhari and Tungeshwar Temple and its vicinity. They expected that Tourist inflow will be increased after the execution of this sub-project, the present site lacks basic amenities in all the proposed locations. During consultation, Temple and Village Panchayat has given assurance to provide all kind of support and were happy to know that proposed design was being worked out in regular consultation with them.</p> <p>Stakeholders also agreed that design is so good and after execution it may attract more tourists for a longer duration of time. So, there seems to be a strong possibility for a better business.</p>

Annexure 36: Meeting minutes of the meeting held at Rudraprayag on 22 February 2014

दिनांक 22 फरवरी 2014 को जिलाधिकारी, रुद्रप्रयाग की अध्यक्षता में एशियन डेवलपमेंट बैंक द्वारा वित्त पोषित सप्त परियोजना के SAR की प्रथम बैठक की कार्यवाही का कार्यवृत्त

उपस्थिति -

- 1- श्री एमएसएस राणा, मुख्य विकास अधिकारी, रुद्रप्रयाग।
- 2- श्री अजय शर्मा, उप प्रमाणीय वनाधिकारी, रुद्रप्रयाग।
- 3- श्री रवीन्द्र निराला, वन क्षेत्राधिकारी, कंदारनाथ वन्यजीव प्रभाग, गोपेश्वर-समौली।
- 4- श्री इन्द्रजीत बोस, अधिशासी अभियन्ता, लोक निर्माण विभाग, रुद्रप्रयाग।
- 5- श्रीमती सीमा चौटियाल, प्र० जिला पर्यटन विकास अधिकारी, रुद्रप्रयाग।
- 6- श्री रंजन मलिक, डीएसएस।
- 7- पल्लवी, आर्टिस्ट इक्को टूरिज्म प्लानर, डीएससी।
- 8- श्री विनोद कुमार चमोली, इन्चार्ज डिजाइन सुपविजन कन्सल्टेंट(डीएससी)।
- 9- श्री नरेश चमोली, पीएमएस आइडीडीआईपीटी०, देहरादून।
- 10- श्री वराहनाथ सिंह नेगी, कोषाध्यक्ष, मन्दिर समिति फलासी।
- 11- श्री योगेश्वर नेगी पूर्व अध्यक्ष छात्र संघ अगस्त्यगुनि।
- 12- श्री शत्रुघ्न नेगी अध्यक्ष, श्री कार्तिकेय मन्दिर समिति।
- 13- श्री धीरेन्द्र सिंह रावत उपाध्यक्ष, महाकवि कालीदास समिति कविल्ता।
- 14- श्री सुरेशानन्द गौड़, महामंत्री महाकवि कालीदास जन्म भू स्मारक समिति कविल्ता।
- 15- श्री वीरपाल सिंह नेगी, सामाजिक कार्यकर्ता ग्राम ज्यूही।
- 16- श्री कुलदीप सिंह बर्वाल, सामाजिक कार्यकर्ता, कुण्डा दानकोट।
- 17- श्री सुरज सिंह नेगी, पूर्व प्रदेश प्रवक्ता, उत्तराखण्ड युवा कॉंग्रेस।

सर्वप्रथम जिला पर्यटन विकास अधिकारी, द्वारा बैठक में सभी अधिकारियों, डीएससी० टीम, जनप्रतिनिधियों व आगन्तुकों का अभिवादन एवं स्वागत किया गया तथा बैठक में उपस्थित समस्त सदस्यों का परिचय प्राप्त किया गया। जिलाधिकारी महोदय द्वारा डीएससी० टीम से जानकारी चाही गयी कि किन-किन योजना पर कार्य किया जाना है। जिस पर श्री विनोद चमोली इन्चार्ज डीएससी० द्वारा अवगत कराया गया कि ए०डी०वी० के अन्तर्गत जनपद में कार्तिक स्वामी एवं तुंगनाथ ट्रेकिंग रूट का विकास, मन्दिरों का सौन्दर्यीकरण, एवं इन स्थलों पर आने वाले ग्रामों को रूरल टूरिज्म के रूप में विकसित किया जाना है, जिस पर बैठक में निम्न कार्यों को किये जाने हेतु प्रस्ताव रखे गये -

1- कार्तिक स्वामी का पर्यटन विकास - कार्तिक स्वामी में निम्न कार्य किये जा सकते हैं -

- कनकचौरी से कार्तिक स्वामी तक 3.5 किमी० खण्डिजा मार्ग का निर्माण।
- रास्ते पर जगह-जगह रैलिंग का निर्माण।
- पैदल मार्ग पर बैचेज की स्थापना।
- मन्दिर से 150 मीटर तीचे ब्यू-प्वाइंट एवं सैन सेंटर का निर्माण।
- कार्तिक स्वामी मन्दिर समिति की धर्मशाला का जीर्णोद्धार एवं सौद्यालय की व्यवस्था।
- कार्तिक स्वामी में पेयजल की व्यवस्था।
- कार्तिक स्वामी मन्दिर परिसर एवं रास्ते में सोलर लाइट की स्थापना।

जिला पर्यटन विकास अधिकारी, द्वारा अवगत कराया गया कि कार्तिक स्वामी में 04 सोलर लाइट जिला योजना 2013-14 में प्रस्तावित है, किन्तु शासन से अनुमोदित धनराशि के सापेक्ष

घनराशि अवमुक्त न होने के कारण वर्ष 2014-15 में मन्दिर परिसर में 04 सोलर लाइट स्थापित की जायेगी।

उप प्रभागीय वनाधिकारी, रुद्रप्रयाग द्वारा अवगत कराया गया कि कार्तिक स्वामी वन क्षेत्रान्तर्गत है, जिस कारण कार्तिक स्वामी क्षेत्र में पक्का निर्माण नहीं किया जा सकता है तथा कार्तिक स्वामी को विकसित करने हेतु किसी अन्य कार्यदाई संस्था से भी कार्य नहीं किया जा सकता है, कार्तिक स्वामी में वन अधिनियम के अन्तर्गत ही इक्को फ़ैण्डली निर्माण वन विभाग द्वारा किया जा सकता है।

(कार्य 0 - प्रोजेक्ट मैनेजमेन्ट यूनिट डी0एस0सी, वन प्रभाग रुद्रप्रयाग, जिला पर्यटन विकास अधिकारी, रुद्रप्रयाग)

2- चोपता-तुंगनाथ का पर्यटन विकास - चोपता-तुंगनाथ को विकसित किये जाने हेतु निम्न कार्य किये जा सकते हैं -

- तुंगनाथ में भी चोपता से तुंगनाथ तक निर्मित खण्डिजा मार्ग का जगह-जगह पर निर्माण व रैलिंग का निर्माण।
- रास्ते व मन्दिर परिसर में सोलर लाइट की स्थापना।
- व्यू-प्वाइंट एवं रैन सैल्टर का निर्माण।
- पैदल मार्ग पर बैचेज की स्थापना।
- श्री तुंगनाथ मन्दिर में स्थित श्री बद्री-कंदार मन्दिर समिति की धर्मशाला का जीर्णोद्धार।
- शौचालय की स्थापना।
- दुगलबिट्टा में पी0डब्ल्यू0डी0 का गेस्ट हाउस का पुर्नोद्धार।

श्री रवीन्द्र निराला, वन क्षेत्राधिकारी, गुप्तकाशी (वन्य जीव प्रभाग गोपेश्वर-चमोली) द्वारा अवगत कराया गया कि चोपता श्री तुंगनाथ क्षेत्र वन्य जीव प्रभाग गोपेश्वर-चमोली के अन्तर्गत है, जिसमें पक्का निर्माण न कर इक्को फ़ैण्डली निर्माण कार्य किया जा सकता है व सेन्चुरी क्षेत्र के अन्तर्गत होने के कारण भारत सरकार वन मंत्रालय की अनुमति ली जानी आवश्यक है।

जिला पर्यटन अधिकारी द्वारा अवगत कराया गया कि पूर्व में भारत सरकार ग्रामीण पर्यटन योजना के अन्तर्गत वर्ष 2004-05 में ₹0 45.00 लाख की घनराशि प्रदान की गयी थी, जो उप वन संरक्षक वन्य जीव प्रभाग गोपेश्वर-चमोली को उपलब्ध कराई गयी थी जिसमें वन विभाग द्वारा सारी एवं देवरियाताल में इन्टरप्रेटेशन सेन्टर व रिसर्प्शन सेन्टर का निर्माण भी किया गया है। जिलाधिकारी महोदय द्वारा डी0एस0सी0 टीम को सुझाव दिये गये कि सेन्चुरी क्षेत्र में किये जाने वाले कार्यों में कार्यदाई संस्था उप वन संरक्षक वन्य जीव प्रभाग गोपेश्वर-चमोली से प्रस्ताव एवं आगमन प्राप्त कर कार्यवाही की जाय।

(कार्य 0 पी0एम0यू0, डी0एस0सी0, उप वन संरक्षक वन्य जीव प्रभाग गोपेश्वर-चमोली, जिला पर्यटन विकास अधिकारी, रुद्रप्रयाग)

3- ग्रामीण पर्यटन का विकास - ग्रामीण पर्यटन को विकसित किये जाने के सम्बन्ध में इन्चार्ज डी0एस0सी0 द्वारा अवगत कराया गया कि प्रथम चरण में 10 ग्रामों को विकसित किया जाना है। कार्तिक स्वामी व कालीमठ क्षेत्रान्तर्गत आने वाले ग्रामों का उनके द्वारा सर्वेक्षण किया जा चुका है व जिसमें कालीमठ, फाटा, कविल्ठा, ऊखीमठ, फलासी धिमतोली कनकचौरी का निरीक्षण किये गये।

जनप्रतिनिधि श्री सूरज नेगी द्वारा अवगत कराया गया कि रुद्रप्रयाग से कार्तिक स्वामी मार्ग पर ग्राम चोपता पड़ता है, जिसे ग्रामीण पर्यटन के रूप में विकसित किया जा सकता है व चोपता से पैदल 500 मीटर फलासी गाँव में तुंगनाथ जी का प्राचीन मन्दिर है, जिसको शंकराचार्य जी ने जीर्णोद्धार किया था का भी सौन्दर्यीकरण करवाया जाय। जिससे वहाँ देशी पर्यटकों के साथ-साथ विदेशी पर्यटक भी आयें। चोपता,स्वारी-ग्वांस मोटर मार्ग पर व्यू प्वाइन्ट का निर्माण व ग्वांस से कार्तिक स्वामी तक 3.5 किमी0 ट्रैक रूट का निर्माण किया जाय।

जिलाधिकारी, महोदय द्वारा चौमासी को पर्यटन ग्राम के रूप में विकसित करने का सुझाव दिया गया, यह ग्राम श्री केदारनाथ मार्ग पर स्थित है व 16/17 जून 2013 आई भीषण आपदा के समय श्री केदारनाथ से खाम बुग्याल होते हुए इस रास्ते कुछ यात्री सुरक्षित बचे व भविष्य में इस मार्ग को भी विकसित किया जाना है। जिला पर्यटन विकास अधिकारी द्वारा अवगत कराया गया कि ऊखीमठ नगर पंचायत के अंतर्गत है इसके स्थान पर चौमासी को पर्यटन ग्राम के रूप में विकसित किया जा सकता है। डी०एम०यू० द्वारा यह भी प्रस्ताव रखा गया कि पर्यटन ग्राम में पड़ने वाले अन्य स्थलों पर पार्किंग, यू-प्वाइन्ट, दुर्गाधर में दुर्गा माता का मन्दिर सौन्दर्यीकरण, खड़पतिया हेलीपैड के निकट यू-प्वाइन्ट का निर्माण किया जाना है। जिस पर जिलाधिकारी द्वारा सरकारी भूमि उपलब्ध करवाये जाने हेतु सहमति दी गयी।

बैठक में यह निर्णय लिया गया कि जनपद में पर्यटन ग्राम के अन्तर्गत फाटा, कालीमठ, कविल्ठा, चौमासी, चोपता फलासी, घिमतोली को विकसित किया जाय।

(कार्य०- पी०एम०यू०, डी०एस०सी०, वन विभाग, जिला पर्यटन विकास अधिकारी, रुद्रप्रयाग)

अन्त में बैठक धन्यवाद के साथ समाप्त की गयी।

Indigenous Peoples Categorization Form

Indigenous Peoples Impact Screening Checklist

KEY CONCERNS (Please provide elaborations on the Remarks column)	YES	NO	NOT KNOWN	Remarks
A. Indigenous Peoples Identification				
1. Are there socio-cultural groups present in or use the project area who may be considered as "tribes" (hill tribes, scheduled tribes, tribal peoples), "minorities" (ethnic or national minorities), or "indigenous communities" in the project area?		✓		The sub-project will not entail any permanent land acquisition and resettlement impact. All the implementation activities will be confined to land under control of the government of the state. Hence this is not applicable.
2. Are there national or local laws or policies as well as anthropological researches/studies that consider these groups present in or using the project area as belonging to "ethnic minorities", scheduled tribes, tribal peoples, national minorities, or cultural communities?				NOT APPLICABLE
3. Do such groups self-identify as being part of a distinct social and cultural group?				NOT APPLICABLE
4. Do such groups maintain collective attachments to distinct habitats or ancestral territories and/or to the natural resources in these habitats and territories?				NOT APPLICABLE
5. Do such groups maintain cultural, economic, social, and political institutions distinct from the dominant society and culture?				NOT APPLICABLE
6. Do such groups speak a distinct language or dialect?				NOT APPLICABLE
7. Has such groups been historically, socially and economically marginalized, disempowered, excluded, and/or discriminated against?				NOT APPLICABLE
8. Are such groups represented as "Indigenous Peoples" or as "ethnic minorities" or "scheduled tribes" or "tribal populations" in any formal decision-making bodies at the national or local levels?				NOT APPLICABLE
B. Identification of Potential Impacts				
9. Will the project directly or indirectly benefit or target Indigenous Peoples?				NOT APPLICABLE
10. Will the project directly or indirectly affect Indigenous Peoples' traditional socio-cultural and belief practices? (e.g. child-rearing, health, education, arts, and governance)				NOT APPLICABLE
11. Will the project affect the livelihood systems of Indigenous Peoples? (e.g., food production system, natural resource management, crafts and trade, employment status)				NOT APPLICABLE

Indigenous Peoples Categorization Form

KEY CONCERNS (Please provide elaborations on the Remarks column)	YES	NO	NOT KNOWN	Remarks
12. Will the project be in an area (land or territory) occupied, owned, or used by Indigenous Peoples, and/or claimed as ancestral domain?				NOT APPLICABLE
C. Identification of Special Requirements <i>Will the project activities include:</i>				
13. Commercial development of the cultural resources and knowledge of Indigenous Peoples?				NOT APPLICABLE
14. Physical displacement from traditional or customary lands?				NOT APPLICABLE
15. Commercial development of natural resources (such as minerals, hydrocarbons, forests, water, hunting or fishing grounds) within customary lands under use that would impact the livelihoods or the cultural, ceremonial, spiritual uses that define the identity and community of Indigenous Peoples?				NOT APPLICABLE
16. Establishing legal recognition of rights to lands and territories that are traditionally owned or customarily used, occupied or claimed by indigenous peoples?				NOT APPLICABLE
17. Acquisition of lands that are traditionally owned or customarily used, occupied or claimed by indigenous peoples?				NOT APPLICABLE

D. Anticipated project impacts on Indigenous Peoples

Project component/ activity/ output	Anticipated positive effect	Anticipated negative effect
