ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN (ESCP)

DRAFT

AS OF APRIL 26, 2024

**INFRASTRUCTURE FOR SAFER AND RESILIENT SCHOOLS (ISRS) PROJECT
(P180936)**

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of the Philippines (the Borrower) will implement the Infrastructure for Safer and Resilient Schools (the Project), with the involvement of the Department of Education (DepEd) and Department of Public Works and Highways (DPWH), as set out in the Loan Agreement. The International Bank for Reconstruction and Development (the Bank or World Bank) has agreed to provide a financing of US\$500 million) for the Project, as set out in the Loan Agreement.
2. The Borrower, through DepEd as asset owner and implementing agency and DPWH as the co-implementing agency shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Bank. The ESCP is a part of the Loan Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the Loan Agreement.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Borrower shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring, and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Bank. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Bank.
4. As agreed by the Bank and the Borrower, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Borrower, through the DepEd and DPWH, and the Bank agree to update the ESCP to reflect these changes through an exchange of letters signed between the Bank and the Borrower's Undersecretary for School Infrastructure and Facilities (SIF) of DepEd and Senior Undersecretary for Unified Project Management Office of DPWH. The Borrower shall promptly disclose the updated ESCP.

ESS 5: LAND ACQUISITION, RESTRICTIONS ON LAND USE, AND INVOLUNTARY RESETTLEMENT			
5.1	Activities causing permanent land acquisition, land use restrictions, or involuntary resettlement will be considered ineligible for financing under this Project. Temporary relocation for affected groups, e.g., learners, faculty and school facilities will be outlined in the ESMP and respective learning school-based continuity plans that will be developed by the affected schools with DepEd prior to construction works. School sites with land donation issues will undergo land due diligence to ensure compliance with the requirements of ESS5, i.e., evidence of written consent or deed of donation; no physical or economic displacement or encumbrance caused to the landowner or other users and occupants; and mutual benefit of the land donation to the owner and DepEd/DPWH. Relocation Plan including school affiliated services (clinics, canteens etc) will be developed by DepEd PMO and DPWH PMO in consultation with selected schools and local stakeholders before the start of the construction works.	Prior to construction	DepEd-PMO DPWH-PMO DepEd RO DepEd SDO
5.2	On-site temporary resettlement plan to developed as part of the ESMP. No resettlement policy framework will be required, but when unavoidable temporary displacement will impact businesses structures, temporary closure or disruption of utilities, on-site temporary resettlement plan will be included in the ESMP.
