**BENIN COVID<sub>19</sub> PREPAREDNESS AND  
RESPONSE PROJECT (P173839)**

**ENVIRONMENTAL and SOCIAL  
COMMITMENT PLAN (ESCP)**

**April 10, 2020**

## ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Benin (hereinafter the **Recipient**) will implement the Benin - COVID-19 Preparedness and Response Project-P173839 (the **Project**). The International Development Association (hereinafter the **Association**) has agreed to provide financing for the Project. The multisectoral steering committee of the Global Health Security Agenda, chaired by the Head of the National Council to Combat HIV/AIDS, Tuberculosis, Malaria, Hepatitis and Epidemics (CNLS-TP) will oversee annual project planning, monitor project progress, and approve annual reports. This committee includes the Ministry of Health (MOH), the Ministry of Agriculture and Livestock, the Ministry of living conditions and sustainable development (MLCESD), one representative of the National Association of Municipalities of Benin, and two representatives of civil society. The project coordination unit (PCU) of REDISSE will be responsible for day-to-day project implementation.
2. The Recipient shall implement material measures and actions so that the Project is implemented in accordance with the Environmental and Social Standards (**ESSs**). This Environmental and Social Commitment Plan (**ESCP**) sets out material measures and actions, any specific documents or plans, as well as the timing for each of these.
3. The Recipient is responsible for compliance with all requirements of the ESCP even when implementation of specific measures and actions is conducted by the Ministry, agency or unit referenced in 1. above.
4. Implementation of the material measures and actions set out in this ESCP shall be monitored and reported to the Association by the Recipient as required by the ESCP and the conditions of the legal agreement, and the Association shall monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
5. As agreed by the Association and the Recipient, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, the Recipient shall agree to the changes with the Association and shall update the ESCP to reflect such changes. Agreement on changes to the ESCP shall be documented through the exchange of letters signed between the Association and the Recipient. The Recipient shall promptly disclose the updated ESCP.
6. Where Project changes, unforeseen circumstances, or Project performance result in changes to the risks and impacts during Project implementation, the Recipient shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.
