**B. Project Development Objective(s)**

The project development objective is to improve the quality of life of vulnerable youth by increasing the provision of services to young people, by increasing the participation of youth in decision-making related to these services, and by empowering local NGOs/service providers and communities.

**C. Project Description**

**D. Project location and Salient physical characteristics relevant to the safeguard analysis (if known)**

The Project will be implemented in East Amman and locations within the Ahgwar area. East Amman and the Ahgwar area, which cuts across several governorates, are amongst the poorest and least developed areas of Jordan, with significant infrastructure and service deficits. Communities in the Project area suffer from the highest poverty rates, while also being home to a large number of less educated and disadvantaged youth. No Safeguard analysis is required.

**E. Borrowers Institutional Capacity for Safeguard Policies**

As a category 'C' project, no further safeguards action is required.

**F. Environmental and Social Safeguards Specialists on the Team**
