Annex C ToR for the Independent Monitoring Consultant

An external Monitor expert is required to verify and assess the monitoring information relevant to the implementation of this RAP of Islamabad West Grid Station. The external expert will (i) verify the internal monitoring undertaken by PMU; (ii) conduct site visits, (iii) conduct meeting with relevant stakeholders district and provincial authorities involved in land acquisition and review implementation of resettlement activities semi-annually; (iv) review records of compensation payments, verify provision of entitlements to affected people and assess the significance of identified measures in restoring or enhancing AP's quality of life or livelihood; (v) advise PMU on safeguard compliance issue that arise in connection with the Project and agree on timeline in the conduct of agreed activity; (v) in the event of non-compliance, report to WB any non-compliance identified and recommend corrective actions to be incorporated in the corrective action plan to be prepared by the PMU..

Scope of Work

- Prepare a monitoring and evaluation plan, for review and approval by the PMU and WB. The plan should clearly define the activities and deliverables per reporting, schedule and highlight the scope and strategy of monitoring system, key indicators and methodology in the collection and analysis of data;
- Validate the internal monitoring and reporting of PMU. The external monitor is expected to review the adequacy of PMU's internal monitoring and reporting procedure, including the number and qualification of company staff engaged in implementing the RAP at different stages, determine adequacy and integrity of the process, recommend corrective actions and agree on the schedule of implementation of these corrective actions, if necessary;
- Validate the adequacy of public consultation and disclosure of information as designed and described in the RAP. Where necessary, the External Monitor should advise PMU if additional public consultation and disclosure of information need to be undertaken. The External Monitor should validate on ground that appropriate consultations and information disclosure took place;
- Assess the extent to which the entitlement matrix, list of displaced/APs or households (authorized representative of affected households), and specific entitlements such as compensation amount and procedure, are followed including timeliness of payment. The Monitor must closely look into the veracity/correctness of available proof of compensation such as receipt or any other document stating acceptance of compensation by the representative of APs/households;
- Assess the adequacy of income restoration strategy and evaluate the matching of specific livelihood development activities against the needs of the intended recipients/beneficiaries. The External Monitor should document the

implementation of each activity and determine effectiveness to affected people including women and vulnerable groups;

- Assess the adequacy of institutional arrangements, specifically the capacity of PMU, the local authorities involved in the land acquisition and resettlement process and other organizations expected to implement the RAP to ensure that the objectives of the RAP and the OP 4.12 are achieved, and suggest necessary enhancement measures, if necessary;
- Validate the adequacy of the GRM and suggest necessary enhancement measures, subject to further public consultations and disclosure, if necessary. Verify on ground the level of awareness of the community within the project impact area on the existing GRM, common issues raised, resolution of each registered case and level of satisfaction of community on the GRM;
- Conduct an interim audit of land acquisition and compensation and resettlement activities for people affected by the Project. As part of the audit, the following will be conducted:
 - Socio-economic survey will be undertaken to gather information on the AP's land area, land use including farm and livelihood activities, yield and income derived from the affected land, and APs sources of incomes, etc. prior to the Project taking possession of the land;
 - Audit of status of compensation payments, use of funds received by the affected people and current socio-economic living conditions;
 - Audit of project impacts on women as well as their needs and concerns and identify any additional potential assistance for women in affected villages;
 - An assessment of whether compensation at replacement cost has been paid, whether the livelihoods and standard of living of the APs have been restored and whether all activities implemented are in line with WB's policy requirements;
 - Based on the findings of the audit, the external monitor will prepare a Corrective Action Plan with estimated budget, timeline and implementation arrangements;
 - When unanticipated involuntary resettlement impacts are found during RAP implementation, the External Monitor should assess and advise PMU the need to conduct additional social impact assessment and/or updating of RAP, and ensure all existing applicable requirements, entitlements and provisions are followed;
 - Document and highlight major problems/issues encountered and lessons learned;
 - Where necessary, participate in discussion with PMU and among various Project lenders (such as WB) and its consultants;
 - The External Monitor will conduct semi-annual site visits, interview affected people and conduct consultations;
 - Immediately after completion of RAP implementation, the External Monitor will undertake a RAP Completion Audit covering all APs. The audit will also be supported by findings of the socio-economic survey which will include data on livelihoods and income levels of affected people that would help to determine whether affected households have been able to restore or improve their socio-economic status compared to the pre-Project level;
 - In the event that the RAP Completion Audit finds that the objectives of the RAP and the OP 4.12 have not been met, the External Monitor will continue with the

quarterly site visits during the duration of the implementation of the Corrective Action Plan; and

- Within 2 years following the completion of RAP implementation (or Corrective Action Plan in case Audit findings show non-compliance), conduct annual site visits to monitor whether affected people have maintained or improved their socio-economic status.

Deliverables

The External Monitor will deliver the following reports:

1. A Monitoring and Evaluation Plan, within one month after appointment
2. Interim Audit Report, within 3 months after completion of land acquisition compensation
3. payments
4. External monitoring reports
5. In the event that a Corrective Action Plan is prepared following the audit, prepare a close out report upon completion of CAP implementation.
6. Following completion of RAP/CAP implementation, prepare annual monitoring reports thereafter.

External monitoring reports and all other reports will be submitted simultaneously to PMU and WB. An evaluation report at the end of the project will be prepared with critical analysis of the achievements of the program and performance of the project as well as PMU.

Qualification and Experience of Consultant

The Consultant will have sufficient technical capacity to provide the above services and the specialists will have a Master degree in social science or relevant field and a minimum of 10 years' experience in dealing with social/community development projects and demonstrated experience in the resettlement monitoring requirements, as per involuntary resettlement/land acquisition, WB's involuntary resettlement operational policy, Pakistan's Land Acquisition Act of 1894, etc.
