SCHEDULE 1

Project Description

The objectives of the Project are to enhance tools for climate-smart planning, and to improve climate resilience of land and water management practices in selected Project Provinces of the Mekong Delta in Vietnam.

The Project consists of the following:

Part 1: Enhancing Monitoring, Analytics, and Information Systems

- (a) Investments in Monitoring Systems: support for expanding and upgrading the monitoring systems of MONRE and MARD for groundwater and surface water, and enhancing remote sensing technology to monitor coastal and riverbank changes, delta monitoring, and carrying out of specialized studies on river training, irrigation, groundwater, coastal and river erosion, and land use suitability.
- (b) Infrastructure and Integrated Information Systems: establishment of an integrated information systems framework to improve access, analysis, and presentation of Mekong Delta information, including support for the establishment of the Mekong Delta Center.
- (c) Mainstreaming Climate Resilience into Planning Processes: preparation of regulations for piloting regional coordination for climate change adaptation, and preparation of guidance reports on land-use planning, spatial and territorial development, and climate resilient investments.

Part 2: Managing Floods in the Upper Delta

Carrying out of a phased program of subprojects in selected areas of An Giang, Dong Thap and Kien Giang Provinces, aimed at protecting and/or reclaiming the benefits of controlled flooding, including support for:

- (i) modifying water and agricultural infrastructure to expand water retention capacity in rural areas;
- (ii) new agricultural/aquaculture cropping alternatives to the wet season rice crop;
- (iii) livelihoods' support measures for farmers;
- (iv) construction/upgrading of infrastructure for high value assets' protection; and
- (v) facilitating agriculture water use efficiency in the dry season.

Part 3: Adapting to Salinity Transitions in the Delta Estuary

Carrying out of a phased program of subprojects in selected areas of Ben Tre, Tra Vinh, Vinh Long, and Soc Trang Provinces, aimed at addressing salinity intrusion, coastal erosion, sustainable aquaculture and improvement of coastal communities' livelihoods, including support for:

- (i) construction of coastal defenses;
- (ii) water and agricultural infrastructure modifications along the coastal zone;
- (iii) farmers' aquaculture livelihood activities; and
- (iv) dry season agricultural water use efficiency measures.

Part 4: Protecting Coastal Areas in the Delta Peninsula

Carrying out of program of subprojects in selected areas of Bac Lieu, Ca Mau, and Kien Giang Provinces, aimed at addressing coastal erosion, groundwater management, sustainable aquaculture, and coastal and estuary communities' livelihoods, including support for:

- (i) coastal defenses infrastructure construction/rehabilitation;
- (ii) water control infrastructure modifications along the coastal zone;
- (iii) groundwater abstraction controls;
- (iv) water supply for domestic use;
- (v) livelihoods support for farmers; and
- (vi) dry season agricultural water use efficiency measures.

Part 5: Project Management and Implementation Support

Provision of support for Project management and implementation activities and Project monitoring and evaluation, including establishment of a monitoring and evaluation system for the Project, and carrying out of independent Project financial and technical audits.

SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. For the purpose of monitoring overall Project implementation and providing policy and technical advice, a Project Steering Committee (PSC) comprising representatives from MONRE, MARD, MPI, Provincial People's Committees, Ministry of Finance, Office of Government, and State Bank of Vietnam, shall be maintained throughout the period of Project implementation, and chaired by a MARD ministerial leader.
2. The Recipient shall cause MONRE, MPI, MARD and the Project Provinces to work in close collaboration in the implementation of the Project and shall take all necessary steps including management of Project fiduciary, procurement, financial accounting, payment, and disbursement activities, as the case may be, to ensure that throughout Project implementation:
 - (a) at the central level:
 - (i) MARD CPO is responsible for: (i) overall implementation and management of the Project; and (ii) with respect to its respective activities under Part 1(a), and Parts 2, 3, 4 and 5 of the Project;
 - (ii) MPI, through its assigned department is responsible for carrying out of Project implementation and Project monitoring and evaluation activities under Parts 1(c) and 5 of the Project; and
 - (iii) MONRE, through its MONRE PMU is responsible for the carrying out of Project implementation under Parts 1(a) and 1(b), and Project monitoring and evaluation activities under Part 5 of the Project.
 - (b) at the provincial level:
 - (i) MARD CPMU is responsible for overall sub-project management and will provide, as needed, technical specialist staff from technical departments including agriculture, forestry, aquaculture, climate change, water, and environment;
 - (ii) MARD CPMU is responsible for the provision of technical support for the preparation of complex sub-projects;

(iii) the Provincial Project Management Unit (PPMU) of the relevant Provincial People's Committee or Department of Agriculture and Rural Development (DARD) is responsible for the implementation of subproject activities under Parts 2, 3, 4, and 5 of the Project, including single-province subprojects within its respective jurisdiction; and

(iv) the Investment Construction Management Board No. 10, under the direct management of MARD, is responsible for implementation of inter-provincial subprojects.

3. The Recipient shall:

- (a) carry out the Project, and cause the Project to be carried out, in accordance with the Project Operations Manual (POM) setting forth guidelines and procedures for the implementation of the Project, including: (i) technical components; (ii) monitoring and evaluation arrangements; (iii) environmental and social safeguards compliance; (iv) policies, procedures and requirements under the Project in regard to financial management, flow of funds, definition of roles and responsibilities, internal control and reconciliation, record keeping, reporting and auditing; (v) guidelines and procedures for procurement consistent with the provisions of Section III of this Schedule 2, as well as the allocation of roles and responsibilities for procurement review and approval; and (vi) performance indicators; and
- (b) not amend, revise or waive, nor allow to be amended, revised or waived, the provisions of said POM or any part thereof, without the prior written agreement of the Association.

4. In case of any inconsistency between the provisions of the POM and those of this Agreement, the provisions of this Agreement shall prevail.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Safeguards

- 1. The Recipient shall ensure that all terms of reference for any technical assistance or studies carried out under the Project are consistent with, and pay due attention to, the Association Policies, as well as the Recipient's own laws relating to the environment and social aspects relevant to the Project.

2. The Recipient shall ensure that the Project shall be implemented in accordance with the guidelines, procedures, timetables and other specifications set forth in the Safeguard Instruments.
3. The Recipient shall:
 - (a) take all necessary actions to avoid or minimize to the extent possible any involuntary relocation of persons, or their loss of shelter, assets, or access to assets, or loss of income sources or means of livelihood, temporarily or permanently; and
 - (b) in the event that Project activities give rise to Affected Persons, prior to the commencement of such activities, cause to be prepared, a Resettlement Action Plan (RAP), acceptable to the Association, in accordance with the guidelines, requirements and procedures set forth in the Resettlement Policy Framework (RPF), and thereafter implement in a timely manner said RAP as approved by the Association.
4. The Recipient shall: (a) prepare Environmental and Social Impact Assessments (ESIAs), and/or Environmental and Social Management Plans (ESMP), including Environmental Codes of Practice (ECOPs), as the case may be, acceptable to the Association, all in accordance with the guidelines, requirements and procedures set forth in the Environmental and Social Management Framework (ESMF), and thereafter implement in a timely and satisfactory manner said instruments; and (b) ensure that no civil works carried out under the Project, shall commence unless and until the relevant Safeguards Instruments are furnished to the Association and all requisite consultation and public disclosure activities have been carried out, all in manner and form satisfactory to the Association.
5. The Recipient shall cause to be prepared, the Ethnic Minorities Development Plans (EMDP), acceptable to the Association, in accordance with the guidelines, requirements and procedures set forth in the Ethnic Minorities Policy Framework (EMPF), and thereafter implement in a timely manner each EMDP as approved by the Association.
6. The Recipient shall:
 - (a) not amend, revise or waive, nor allow to be amended, revised or waived, the provisions of the Safeguard Instruments or any provision of any one thereof, without the prior written agreement of the Association; and
 - (b) maintain policies and procedures adequate to enable it to monitor and evaluate, in accordance with guidelines acceptable to the Association, the implementation of the Safeguard Instruments.

7. In case of any inconsistency between the provisions of any of the Safeguard Instruments and this Agreement, the provisions of this Agreement shall prevail.
8. The Recipient shall ensure that all land acquisition required for the purposes of carrying out works under the Project are financed exclusively out of its own resources, and shall provide, promptly as needed, the resources needed for this purpose.
9. Without limitation to the provisions of paragraph 1 of Section II.A of this Schedule 2, the Recipient shall take all measures necessary on its part to regularly collect, compile, and submit to the Association, as part of the Project Reports, information on the status of compliance with the Safeguards Instruments, giving details of:
 - (a) measures taken in furtherance of the Safeguards Instruments;
 - (b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the Safeguards Instruments; and
 - (c) remedial measures taken or required to be taken to address such conditions.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators acceptable to the Association as set forth in the Project Operations Manual. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.
2. The Recipient shall carry out jointly with the Association, not later than thirty six (36) months after the Effective Date, or such other period as may be agreed by the Association, a midterm review to assess the status of Project implementation, as measured against the performance indicators set forth in the Project Operations Manual. Such review shall include an assessment of: (i) the progress in implementation; (ii) the results of monitoring and evaluation activities; (iii) the progress on procurement and disbursement; (iv) compliance with safeguard requirements; (v) adequacy of implementation arrangements; and (vi) the need to make any adjustments to the Project to improve performance.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.
2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar semester, interim unaudited financial reports for the Project covering the semester, in form and substance satisfactory to the Association.
3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, or any other periods acceptable to the Association. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. **Goods, Works and Non-consulting Services.** All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.
2. **Consultants' Services.** All consultants' services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works, and non-consulting services. The Procurement Plan shall specify the circumstances under which such methods may be used:

<u>Procurement Methods</u>
(a) National Competitive Bidding, subject to the additional provisions set forth in the Annex to this Schedule 2
(b) Shopping
(c) Direct Contracting
(d) Force Account
(e) Community Participation

C. Particular Methods of Procurement of Consultants' Services

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants' services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.
2. **Other Methods of Procurement of Consultants' Services.** The following table specifies methods of procurement, other than Quality and Cost-based Selection, which may be used for consultants' services. The Procurement Plan shall specify the circumstances under which such methods may be used:

<u>Procurement Methods</u>
(a) Quality-Based Selection
(b) Least-Cost Selection
(c) Selection Based on Consultants' Qualifications
(d) Single Source Selection of Consulting Firms
(e) Selection of Individual Consultants
(f) Single Source Selection of Individual Consultants

D. Review by the Association of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Association's Prior Review. All other contracts shall be subject to Post Review by the Association.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the "World Bank Disbursement Guidelines for Projects" dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance 100% (inclusive of Taxes) of Eligible Expenditures, consisting of goods, works, consultants' services, non-consulting services, Incremental Operating Costs, Training and Workshops.

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made for payments made prior to the date of this Agreement except that withdrawals up to an aggregate amount not to exceed SDR710,000 may be made for payments made prior to this date but on or after May 1, 2016 for Eligible Expenditures.
2. The Closing Date is December 31, 2022.

ANNEX to SCHEDULE 2

National Competitive Bidding Procedures

The procedures to be followed for the procurement of goods, non-consulting services, and works under contracts awarded on the basis of National Competitive Bidding shall be those set forth in: (a) Article 20 on Open Bidding of the Recipient's Law on Procurement No. 43/2013/QH13 dated November 26, 2013 and related provisions necessary to effect the same; and (b) the Recipient's Decree No. 63/2014/ND-CP dated June 26, 2014 Guiding Implementation of the Law on the Procurement (collectively, "National Procurement Laws"), subject to the provisions of Section I and Paragraphs 3.3 and 3.4 of the "Guidelines for Procurement of Goods, Works, and Non-Consulting Services under IBRD Loans and IDA Credits & Grants by World Bank Borrowers" dated January 2011 and revised July 2014 ("the Procurement Guidelines") and the following provisions:

Conflict of Interest

1. A bidder shall not have a conflict of interest. Any bidder found to have a conflict of interest shall be ineligible for award of a contract. The provisions on conflict of interest as stated under Section I of the Procurement Guidelines shall apply.

Eligibility

2. The eligibility of bidders shall be as defined under Section I of the Procurement Guidelines; accordingly, no bidder or potential bidder shall be declared ineligible for contracts financed by the Association for reasons other than those provided in Section I of the Guidelines. Foreign bidders shall be eligible to participate in bidding under the same conditions as national bidders. In particular, no domestic preference over foreign bidders shall be granted to national bidders in bid evaluation, nor shall foreign bidders be asked or required to form joint ventures with or be subcontractors to national bidders in order to submit a bid.

3. Government-owned enterprises or institutions of the Recipient's country are eligible to bid in the Recipient's country only if they can establish that they: (i) are legally and financially autonomous, (ii) operate under commercial law, and (iii) are not dependent agencies of the Recipient or Sub-Recipient.

Time for Bid Preparation

4. The time allowed for the preparation and submission of bids for large and/or complex packages shall not be less than thirty (30) days from the date of the invitation to bid or the date of availability of the bidding documents, whichever is later.

Standard Bidding Documents

5. The standard bidding documents acceptable to the Association shall be used.

Bid Opening and Bid Evaluation

6. Bids shall be opened in public, immediately after the deadline for submission of bids, regardless of the number of bids received.

7. Evaluation of bids shall be made in strict adherence to the criteria that shall be clearly specified in the bidding documents and quantified in monetary terms for evaluation criteria other than price; merit points shall not be used in bid evaluation. No bid shall be eliminated from detailed evaluation on the basis of minor, non-substantive deviations. The evaluation of bidder's qualifications shall be conducted separately subsequent to the technical and commercial evaluation of the bid.

8. A contract shall be awarded, within the period of the validity of bids, to the bidder who meets the appropriate standards of capability and resources and whose bid has been determined (i) to be substantially responsive to the bidding documents and (ii) to offer the lowest evaluated cost. A bidder shall neither be required nor permitted, as a condition for award, to undertake obligations not specified in the bidding documents or otherwise to modify the bid as originally submitted.

9. No bid shall be rejected on the basis of a comparison with the employer's estimate and budget ceiling without the Association's prior written agreement.

Rejection of All Bids and Re-bidding

10. Rejection of all bids is justified when there is lack of effective competition, or all bids are not substantially responsive, or no bidder meets the specified qualification criteria, or the bid price of the lowest evaluated winning bid is substantially higher than the Recipient's updated estimated cost or available budget. All bids shall not be rejected or new bids solicited without the Association's prior written agreement.

Complaints by Bidders and Handling of Complaints

11. The Recipient shall implement an effective and independent protest mechanism, acceptable to the Association, allowing bidders to protest and have their protests handled in a timely manner.

SCHEDULE 3

Repayment Schedule

Date Payment Due	Principal Amount of the Credit repayable (expressed as a percentage)*
On each May 1 and November 1:	
Commencing November 1, 2021 to and including May 1, 2031	1.65%
Commencing November 1, 2031 to and including May 1, 2041	3.35%

* The percentages represent the percentage of the principal amount of the Credit to be repaid, except as the Association may otherwise specify pursuant to Section 3.03 (b) of the General Conditions.
