Supplemental Letter - Representations

Dear Sirs and Mesdames:

In connection with (a) the Financing Agreement ("Financing Agreement") of even date herewith between Republic of Liberia ("Recipient") and the International Development Association ("World Bank") for the provision of a credit ("Credit") for the above-captioned Project ("Project"), and (b) the Project Agreement ("Project Agreement") of same date between the World Bank and Liberia Water and Sewer Corporation ("PIE") also for the Project, the PIE hereby undertakes and warrants to the World Bank that:

1. The financial statements of the PIE dated June 30, 2015, copies of which have been furnished to the World Bank, correctly set forth the financial and operating condition of the PIE as of that date, and since that date there have been no material adverse changes in the financial and operating conditions of the PIE.
2. The PIE is not engaged in litigation as plaintiff or defendant, the outcome of which might materially and adversely affect its financial condition.
3. The PIE has no outstanding agreements or liabilities, contingent or otherwise (including taxes), that might materially and adversely affect its financial condition.
4. No debt of the PIE is secured by any mortgage, pledge, charge, priority, or other lien, and no contract or arrangement exists for the creation of any such mortgage, pledge, charge, priority, or other lien.
5. There are no existing defaults in the payment of principal of, or interest or other charges on, any of the debts of the PIE.
6. The PIE is not in violation of, and execution and delivery of the Project Agreement and the compliance with all its terms do not and will not result in any violation of, any provisions of any existing agreement, franchise, concession, license, or permit, or of any statute, law, decree-law, executive decree, regulation, or any other legal rule of a similar nature presently in effect and applicable to the PIE.

7. The PIE is a duly existing autonomous legal entity, established and operating under the laws of the Republic of Liberia, with full authority to carry out its present business, including in the Recipient's territory, to carry out the Project, and to execute and deliver the Project Agreement, and has furnished to the World Bank true copies of the Project Implementing Entity's Legislation (as defined in the Financing Agreement) presently in force and effect and governing or applicable to the operations of the PIE.

It is our understanding that, in making Credit and entering into the Project Agreement with the PIE, the World Bank may rely on the representations contained herein.

Very truly yours,

LIBERIA WATER AND SEWER CORPORATION
