In accordance with paragraph 5.9 of the “World Bank Procurement Regulations for IPF Borrowers” (July 2016) (“Procurement Regulations”) the Bank’s Systematic Tracking and Exchanges in Procurement (STEP) system will be used to prepare, clear and update Procurement Plans and conduct all procurement transactions for the Project.

This textual part along with the Procurement Plan tables in STEP constitute the Procurement Plan for the Project. The following conditions apply to all procurement activities in the Procurement Plan. The other elements of the Procurement Plan as required under paragraph 4.4 of the Procurement Regulations are set forth in STEP.

The Bank’s Standard Procurement Documents: shall be used for all contracts subject to international competitive procurement and those contracts as specified in the Procurement Plan tables in STEP.

National Procurement Arrangements: In accordance with paragraph 5.3 of the Procurement Regulations, when approaching the national market (as specified in the Procurement Plan tables in STEP), the country’s own procurement procedures may be used.

When the Borrower uses its own national open competitive procurement arrangements as set forth in ***Public Procurement Act 2007 (1st Amendment) and the Regulations made thereunder***, such arrangements shall be subject to paragraph 5.4 of the Procurement Regulations July 2016 (Amendment November 2017) and the following conditions:

- (a) Model bidding documents, including contract conditions agreed with the Bank (as amended from time to time), shall be used. Bidding documents shall be made available, by mail or in person, to all who are willing to pay the required fee.
- (b) Eligibility to participate in a procurement process for and to be awarded the Bank financed contracts shall be as defined under the paragraph Eligibility of Section III Governance. of the Procurement Regulations for IPF Borrowers, July 2016. Foreign bidders shall not be precluded from bidding and no preference of any kind shall be given to national bidders.

- (c) Prospective bidders shall be given at least thirty (30) days from the date of publication of the invitation to bid or the date of availability of the bidding documents, whichever is later, to prepare and submit bids. There shall not be any restriction on the modality for delivery of bids. Bids may be withdrawn or modified any time before the deadline for submission of bids. Bids shall be opened in public in one place, immediately after the deadline for submission of bids. Bids received after the deadline for bid submission shall be rejected and returned to bidders unopened.

In case of re-bidding, the time for preparation and submission of bids shall be as set forth under provision (c) above.
- (g) Bids shall be valid as per the period stated in the bidding documents. For contracts subject to prior review, the extension of bid validity shall not be allowed without the prior concurrence of the Bank: (a) for the first request for extension if it is longer than four (4) weeks; and (b) for all subsequent requests for extension irrespective of the period.

- (j) At the Recipient's request, the Bank may agree to the Recipient's use, in whole or in part, of its electronic procurement system, provided the Bank is satisfied with the adequacy of such system.
- (k) With respect to contracts subject to the Bank's prior review, the Recipient shall obtain the Bank's no objection before agreeing to: (a) a material extension of the stipulated time for performance of a contract; (b) any substantial modification of the scope of services or other significant changes to the terms and conditions of the contract; (c) any variation order or amendment (except in cases of extreme urgency) which, singly or combined with all variation orders or amendments previously issued, increases the original contract

amount by more than fifteen percent (15%); or (d) the proposed termination of the contract. A copy of all contract amendments shall be provided to the Bank.

- (l) The bidding document and contract as deemed acceptable by the Bank shall include provisions stating the Bank's policy to sanction firms or individuals, found to have engaged in fraud and corruption as defined in paragraph 3.32 of the Procurement Regulations.
