Dear Sir/Madam,

Please find the reply to your request in this email. You may click [here](#) to check if there is any supporting information.

AIIB Response:

Dear Alessandro,

Thank you for reaching out to the Asian Infrastructure Investment Bank (AIIB).

Kindly note that the AIIB loan for the China: JC Leasing Green and Blue Loan project will not be used to support any gas-related activities, including energy efficiency for natural gas.

In terms of disclosure, we will follow Section 21 of the [Environmental and Social Framework](#) to disclose any relevant information in due course.

We hope this provides sufficient clarification.

Should you have any further questions, please feel free to contact us at [AIIB](#).

Best regards,

Asian Infrastructure Investment Bank

Your Request (RX20240711112028):

Hello, I would like to know whether "energy efficiency", in the context of project China: JC Leasing Green and Blue Loan (nr. 000866) can include the use of natural gas? Is there any available information on the financial intermediary's portfolio supported by the AIIB's investment? Thank you in advance for your support.
