Dear Minister:

The purpose of this letter of agreement, hereinafter referred to as the “Agreement”, between the Republic of Suriname, hereinafter referred to as the “Beneficiary”, and the Inter-American Development Bank, hereinafter referred to as the “Bank”, which we are submitting for your consideration, is to formalize the terms and conditions of a grant for a non-reimbursable technical cooperation to the Beneficiary, up to the amount of four hundred and fifty thousand dollars of the United States of America (US\$450,000), which shall be chargeable to the resources of the Infrastructure Project Preparation Fund (InfraFund), hereinafter referred to as the “Contribution”. The Contribution will be used to finance the procurement of goods and non-consulting services and the selection and contracting of consultants necessary for the execution of a technical cooperation project to support the Air Transport Modernization Program, hereinafter referred to as the “Project”, which is described in the Annex of this Agreement. Unless otherwise stated in this Agreement, the term “dollars” shall hereinafter refer to the currency of legal tender in the United States of America.

The Bank and the Beneficiary agree upon the following:

First. Components of the Agreement. This Agreement consists of this part one, referred to as the “Special Conditions”; part two, referred to as the “General Conditions”, and the Annex, attached hereto. The prevalence between the aforesaid parts and the Annex is established in Article 1 of the General Conditions.

Second. Executing Agency. The execution of the Project and the utilization of the resources of the Bank’s Contribution shall be carried out by the Ministry of Transport, Communications and Tourism, hereinafter referred to as the “Executing Agency” or “MTCT”.

Third. Conditions Precedent to First Disbursement. The first disbursement of the resources of the Contribution shall be subject to the fulfillment, to the satisfaction of the Bank: (a) of the conditions precedent stipulated in Article 2 of the General Conditions; and (b) that the Executing Agency presents evidence of: (i) the establishment of the Project Steering Committee; and (ii) the appointment of a Project Manager within the Executing Agency.

Fourth. Reimbursement of Expenditures Chargeable to the Contribution.

With the consent of the Bank, resources of the Contribution may be used to reimburse expenditures incurred or to finance those that may be incurred in the Project on or after December 13, 2013, and up to the date of this Agreement, provided that requirements substantially similar to those set forth in this Agreement have been fulfilled.

Fifth. Deadlines. (a) The period for execution of the Project shall be eighteen (18) months, from the effective date of this Agreement.

(b) The period for disbursement of the resources of the Contribution shall be twenty four (24) months from said date. Any part of the Contribution which has not been utilized within this period shall be canceled.

(c) The aforementioned deadlines and any others that may be stipulated in this Agreement may be extended, when duly justified, with the written consent of the Bank.

Sixth. Total Cost of the Project and Additional Resources. (a) The Beneficiary undertakes, either directly or through the Executing Agency, as applicable, to make timely provision of the resources required, in addition to the Contribution, for the complete and uninterrupted execution of the Project (hereinafter referred to as the "Counterpart Resources"). The total amount of Counterpart Resources required is estimated to be the equivalent of one hundred twelve thousand and five hundred dollars (US\$112,500), to make up a sum equivalent to five hundred sixty two hundred thousand five hundred dollars (US\$562,500), which is estimated to be the total cost of the Project. These estimates do not reduce the obligation of the Beneficiary to provide any additional resources required to complete the Project.

(b) The Counterpart Resources provided by the Beneficiary may be in kind and shall be used to finance the cost categories which are chargeable to it, as established in the Project's budget set forth in the Annex.

Seventh. Recognition of Expenses Chargeable to the Counterpart Resources. The Bank may recognize as part of the Counterpart Resources of the Project, expenditures incurred or which may be incurred in the Project on or after December 13, 2013, and up to the effective date of this Agreement, provided that requirements substantially similar to those set forth in this Agreement have been fulfilled.

Eighth. Currencies for Disbursements. The Bank shall disburse the Contribution in dollars. The Bank may convert these convertible currencies into other currencies; including the local currency by applying the exchange rate indicated in Article 9 of the General Conditions.

Ninth. Exchange Rate. For the purposes of Article 9 of the General Conditions of this Agreement, the parties agree that the applicable exchange rate shall be as stated in paragraph (b)(ii) of said Article. In this case, the applicable rate shall be the rate in effect on the date on which the Beneficiary, the Executing Agency, or any other person or entity with delegated authority to incur expenditures, makes the respective payments to the contractor or supplier.

Tenth. Use of the Contribution. The resources of the Contribution may be used only for the procurement of goods and related services and the selection and contracting of consultants of the member countries of the Bank. Consequently, the procedures and specific bidding documents for bidding processes or other forms of contracting financed with the resources of the Contribution shall allow free competition of providers of goods and related services and of consultants of said countries.

(b) For the procurement of goods and non-consulting services, any of the methods described in the Procurement Policies may be used, provided that such method has been identified for the respective procurement in the Procurement Plan approved by Bank.

(c) The threshold for determining the use of international competitive bidding will be made available to the Beneficiary or the Executing Agency, as the case may be, at www.iadb.org/procurement. Below that threshold, the selection method shall be determined according to the complexity and characteristics of the procurement, which should be reflected in the Procurement Plan approved by the Bank.

(d) Regarding the use of the national competitive bidding method, the respective national competitive bidding procedures may be used provided that, in the opinion of the Bank, these procedures ensure economy, efficiency, transparency and general consistency with the provisions of Section I of the Procurement Policies and taking into account the provisions of paragraph 3.4 of the Policy, among others.

(e) Regarding the use of the national competitive bidding method, this may be used provided that the contracting or procurement is carried out in accordance with the bidding document or documents agreed to between the Executing Agency and the Bank.

(b) For the selection and contracting of consulting services, any of the methods described in the Consultant Policies may be used, provided that such method for the respective procurement has been identified in the Procurement Plan approved by Bank.

(c) The threshold for determining the short list of international consultants will be made available to the Beneficiary or the Executing Agency, as the case may be, at www.iadb.org/procurement. Below that threshold, the short list may be composed entirely of national consultants of the Beneficiary's country.

Seventeenth. Access to Information. (a) The Beneficiary undertakes to notify the Bank, in writing, within a maximum period of ten (10) working days from the date of signature of this Agreement, whether it considers this Agreement to contain information that may qualify as an exception to the principle of disclosure of information under the Access to Information Policy of the Bank, in which case the Beneficiary undertakes to identify such information in the relevant provisions of the Agreement. In accordance with the aforementioned policy, the Bank will make available on its “Web” page the text of this Agreement once it has entered into effect and the aforementioned period has expired, excluding only that information which the Beneficiary has identified as an exception to the principle of disclosure of information under this policy.

In case of inconsistencies or contradictions between the Special Conditions and the corresponding Annex or Annexes, specific provisions shall prevail over general provisions.

Article 2. Conditions prior to first disbursement. (a) The first disbursement of the Contribution shall be subject to the fulfillment of the following requirements by the Beneficiary, directly or through the Executing Agency:

(b) If within one hundred eighty (180) days from the date of entry into effect of this Agreement, or within such longer period as the parties may agree in writing, the conditions precedent to the first disbursement established in this Article and in the Special Conditions have not been fulfilled, the Bank may terminate this Agreement by giving notice to the Beneficiary or to the Executing Agency, as the case may be.

Article 3. Requisites for all disbursements. In order for the Bank to make any disbursement, it shall be necessary that: (a) the Beneficiary or the Executing Agency, as the case may be, shall have submitted in writing, or by electronic means in such form and conditions as may be specified by the Bank, a disbursement request and, in support thereof, shall have supplied to the Bank such pertinent documents and other background materials as the Bank may have required; (b) the Beneficiary or the Executing Agency, as the case may be, shall have opened and maintains one or more bank accounts in a financial institution in which the Bank shall make the disbursements of the Contribution; (c) unless the Bank otherwise agrees, disbursement requests must be presented no later than thirty (30) calendar days prior to the expiration date of the period for disbursement or of any extension thereof which the Beneficiary or the Executing Agency, as the case may be, and the Bank may have agreed

to in writing; and (d) none of the circumstances described in Article 7 of these General Conditions shall have occurred.

Article 4. Disbursement procedures of the Contribution. (a) The Bank shall make disbursements of the Contribution as follows: (i) by transferring to the Beneficiary or the Executing Agency, as the case may be, the sums to which it is entitled under this Agreement, by means of reimbursement of expenditures or advance of funds¹; (ii) by making payments on behalf of and in agreement with the Beneficiary or the Executing Agency, as the case may be, to third parties or other banking institutions; and (iii) by utilizing such other modality as the parties may agree upon in writing. Except by express agreement between the parties, the disbursement requests for reimbursing expenditures financed by the Beneficiary or Executing Agency, as the case may be, shall be made promptly following the incurrence of such expenses, or no later than sixty (60) days following the conclusion of each calendar semester or within such other term as the parties may agree; and

If audit services are to be financed with resources of the Contribution, and such services will not be concluded and paid for prior to the expiration of the Closing Period referred to in section (a) above, the Beneficiary or the Executing Agency, as the case may be, shall inform and reach agreement with the Bank as to the way in which payment for such services will take place, and shall return to the Bank the resources of the Contribution allotted for such purpose, should the Bank not receive the audited financial statements and other audited reports within the periods stipulated in this Agreement.

Article 6. Expenditures chargeable to the Contribution. The Contribution shall exclusively finance those categories of expenditures which are set forth as chargeable to the Contribution in the budget contained in the Annex that describes the Project. Article 8. Prohibited Practices. (a) For the purposes of this Agreement, a Prohibited Practice shall be understood to include the following practices: (i) a "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party; (ii) a "fraudulent practice" is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation; (iii) a "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party; (iv) a "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party; and (v) an "obstructive practice" is: (A) deliberately destroying, falsifying, altering or concealing evidence material to the investigation or making false statements to investigators in order to materially impede a Bank Group investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or (B) acts intended to materially impede the exercise of the Bank's inspection and audit rights provided in Articles 13(c), 14(g) and 15(e) of these General Conditions.

(b) In addition to the provisions in Articles 7(c)(i) and 7(c)(ii)(B) of these General Conditions, if it is demonstrated that in accordance with the sanctions procedures of the Bank any firm, entity or individual bidding for or participating in a Bank-financed activity including, inter alia, applicants, bidders, suppliers, contractors, consulting firms and individual consultants, personnel, sub-contractors, sub-consultants, goods and service providers, concessionaires, the Beneficiary or the Executing Agencies (including their respective officers, employees, and agents, irrespective of

- (d) The imposition of any measure to be taken by the Bank pursuant to the provisions referred to above may be public.
- (e) Any firm, entity or individual bidding for or participating in a Bank-financed activity including, inter alia, applicants, bidders, contractors, consulting firms and individual consultants, personnel, sub-contractors, sub-consultants, providers of goods or services, concessionaires, the Beneficiary or the Executing Agency (including their respective officers, employees, and agents, irrespective of whether the agency is express or implied) may be subject to sanctions pursuant to agreements that the Bank may have with other international financing institutions regarding the mutual enforcement of debarment decisions. For purposes of this sub-paragraph (e) the term "sanction" shall mean any debarment, conditions on future contracting or any publicly-disclosed

action taken in response to a violation of an international financing institution applicable framework for addressing allegations of Prohibited Practices.

(f) When a Beneficiary procures goods, works or services other than consulting services directly from a specialized agency or hires a specialized agency to provide technical assistance under an agreement between the Beneficiary and such specialized agency, all provisions contained in this Agreement regarding sanctions and Prohibited Practices shall apply in their entirety to applicants, bidders, contractors, consulting firms or individual consultants, personnel, sub-contractors, sub-consultants, suppliers of goods and services (including their respective officers, employees, and agents, irrespective of whether the agency is express or implied), or any other entity that has signed contracts with such specialized agency to supply such goods, works or services other than consulting services in connection with Bank-financed activities. The Bank retains the right to require the Beneficiary to invoke remedies such as suspension or termination. The Beneficiary agrees that contracts with specialized agencies shall include provisions requiring said agencies to consult the Bank's list of firms and individuals declared ineligible temporarily or permanently by the Bank. In the event that a specialized agency signs a contract or purchase order with a firm or an individual declared ineligible either temporarily or permanently by the Bank, the Bank will not finance the related expenditures and will apply other remedies as appropriate.

Contribution to the currency of the country of the Beneficiary or the Executing Agency. In this case, for purposes of reimbursement of expenditures chargeable to the Contribution and the recognition of expenditures chargeable to the local counterpart, the applicable exchange rate shall be the prevailing exchange rate on the date on which the reimbursement request is presented to the Bank; or (ii) the prevailing exchange rate in the country of the Beneficiary or the Executing Agency, as the case may be, on the actual date of the payment of the expenditure in the currency of the country of the Beneficiary or the Executing Agency.

In this case, for purposes of reimbursement of expenditures chargeable to the Contribution and recognition of expenditures chargeable to the local counterpart, the applicable exchange rate shall be the prevailing exchange rate on the date on which the reimbursement request is presented to the Bank; or (ii) the prevailing exchange rate in force in the country of the Beneficiary or Executing Agency, as the case may be, on the actual date of the payment of the expenditure in the currency of the country of the Beneficiary or the Executing Agency, as the case may be.

The Beneficiary, directly or via the Executing Agency as the case may be, undertakes to notify the Bank of any change in legislation or change affecting such legislation, in which case the Bank may cancel, suspend or change the terms of its validation. The use of country systems does not constitute a waiver of the application of the provisions set forth in Section I of the Procurement Policies and Consultant Policies, including the requirement that the respective procurements and contracting of services be set forth in the Procurement Plan, and said use of country systems is subject to the other provisions of this Contract.

(c) The Beneficiary, directly or via the Executing Agency as the case may be, undertakes to update the Procurement Plan at least annually or more frequently, depending on the Project needs. Each updated version of the Procurement Plan shall be submitted for review and approval of the Bank.

At any time during the execution of the Project, the Bank may change the method of review of these processes, with prior notice to the Beneficiary or the Executing Agency. The changes approved by the Bank shall be reflected in the Procurement Plan.

(e) The Beneficiary, directly or via the Executing Agency, as the case may be, agrees to obtain, prior to awarding the contract for each of the works of the Project, if any, legal possession of the property where the construction of the respective work is to take place, easements or other rights required for its construction and use, as well as water rights required for the work in question.

 - (ii) The Tribunal shall proceed ex aequo et bono, basing itself on the terms of this Agreement, and shall issue an award even if either party should fail to appear or to present its case.
 - (iii) The award shall be in writing and shall be adopted with the concurrent vote of at least two of the members of the Tribunal. It shall be handed down within sixty (60) days from the date on which the Referee has been appointed, unless

the Tribunal determines that, due to special and unforeseen circumstances, such period should be extended. The parties shall be notified of the award by means of a communication signed by at least two members of the Tribunal. The parties agree that any award of the Tribunal shall be complied with within thirty (30) days from the date of notification and it shall be final and not be subject to any appeal.

- (e) **Costs.** The fees of each arbitrator shall be paid by the party which appointed him or her and the fees of the Referee shall be paid by both parties in equal proportion. Prior to the convening of the Tribunal, the parties shall agree on the remuneration of any other person who by mutual agreement, they deem should participate in the arbitration proceedings. If such agreement is not reached in a timely manner, the Tribunal itself may determine the compensation that is reasonable for such person under the circumstances. Each party shall defray its own expenses in the arbitration proceedings but the expenses of the Tribunal shall be divided and borne equally by both parties. Any doubt regarding the division of expenses or the manner in which they are to be paid shall be determined, without appeal, by the Tribunal.
- (f) **Notification.** All notifications regarding the arbitration proceeding or the award shall be made in the manner provided in this Article. The parties expressly waive any other form of notification.

In cases of Agreements with Ecuador, the parties agree that, for the purposes of notification, this paragraph (f) shall read: “All notifications regarding the arbitration proceeding or to the award shall be made in the manner provided in the Agreement. The parties expressly waive any other form of notification. Notwithstanding the foregoing, any party delivering a notification hereunder must also notify the Attorney General (Procurador General del Estado) of Ecuador.”
