**RFI Ticket - Request Resolved**

Dear Alessandro Ramazzotti,

We have analyzed your request and would like to provide you with the following information:

According to the IDB's Access to Information Policy, for IDB Lab, the public documents available for the project RG-T4269 y RG-T4270: "AmazonBeEco Unlocking an Inclusive Bioeconomy in the PanAmazon" can be found at:

<https://www.iadb.org/en/project/RG-T4270>

<https://www.iadb.org/en/project/RG-T4269>

In these you can find information on the objective and location of the projects. As to whether this project includes investments in livestock, animal feed or aquaculture operations, we do not yet have this information available as the project is in the early stages of implementation.

For more information, please contact the project Executing Agency: Conexsus (Instituto Conexões Sustentáveis) e Institute for Sustainable Connections (ISC).

TICKET DETAILS**Short description**

Ticket Web - PIC20230703114314

Description	To whom it may concern: I would like to ask if this project includes investments in livestock, animal feed, or aquaculture operations? Are the project locations already known? Moreover, can you please fix the project disclosure on the IADB's webpage? The document attached is about a different project. Thanks.
