3. Implementation of Regional Activities in Participating Countries

Implementing targeted technical assistance, training and information and knowledge sharing at regional level under Parts A, B, C, D and E.1 and E.2 of the Project, on behalf

of the Participating Countries, including goods and small works, as relevant, and in accordance with the PIM.

SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall vest its Ministry of Rural Development with the responsibility of implementing the overall Project, with the assistance of CILSS, OIE and CRSA, as relevant, and providing oversight on all national level activities. To that end, the Recipient shall cause the Ministry of Rural Development to maintain a National Project Coordination Unit, with the terms of reference and staffing satisfactory to the Association, to be specifically responsible for: (a) Project management, including monitoring and evaluation, financial management of funds and procurement; (b) preparing national Project progress reports; and (c) communication.
2. The Recipient shall cause the Ministry of Rural Development to maintain until the completion of the Project, a National Steering Committee under terms of reference satisfactory to the Association, and which shall: (a) be vested with responsibility for providing policy and strategic guidance related to national level activities under the Project; (b) be chaired by the Recipient's Minister of Rural Development (or a designee) and shall comprise of representatives from the government, stakeholders, farmers and the private sector; and (c) meet at least once each Fiscal Year to undertake, *inter alia*, the review and approval of the draft AWP&B.
3. The Recipient: (a) shall ensure that the Project is carried out in accordance with the PIM; provided, however, that in case of any conflict between the provisions of the PIM and the provisions of this Agreement, the provisions of this Agreement shall prevail; and (b) except as the Association shall otherwise agree, shall not amend, abrogate or waive any provision of the PIM.
4. The Recipient shall:
 - (a) prepare a draft AWP&B for each Fiscal Year, setting forth, *inter alia*:
 - (i) a detailed description of planned activities for the Project for the following Fiscal Year; (ii) the sources and uses of funds therefor; and (iii) responsibility for execution of said Project activities, budgets, start and completion date, outputs, and monitoring indicators to track progress of each activity;
 - (b) not later than November 30 of each Fiscal Year, and after considering the comments provided by the National Steering Committee, furnish to the

Association for its comments and approval, the draft AWP&B and promptly thereafter, finalize the AWP&B taking into account the Association's views and recommendations thereon; and

- (c) adopt the final version of the AWP&B in the form approved by the Association not later than January 31 of such Fiscal Year.
- 5. For the purpose of smooth implementation of the Project, the Recipient shall: (a) no later than one month after the Effective Date, appoint all key staff required for the Project, including a Financial Management Specialist and a Procurement Specialist; (b) no later than three months after the Effective Date, appoint an internal auditor for the Project; and (c) no later than five months after the Effective Date, appoint an external auditor for the Project; all with the terms of reference and qualifications satisfactory to the Association.
- 6. The Recipient shall, no later than two months after the Effective Date, make available to the Project, a computerized accounting system, with technical specifications satisfactory to the Association.
- 7. The Recipient shall: (a) open and maintain an account at the Public Treasury (the Project Account); (b) replenish said account with an amount up to 1,125,000,000 FCFA over the life of the Project; (c) annually, deposit into the Project Account, the amount representing the Recipient's counterpart contribution to the Project for the current Fiscal Year consistent with the AWP&B; and (d) ensure that the amounts deposited into the Project Account shall be used exclusively for the purposes of defraying the cost of expenditures incurred for the execution of the Project, and not otherwise financed out of the proceeds of the Credit.

B. Subsidiary Agreement

- 1. To facilitate the implementation of the targeted technical assistance, training, and information and knowledge sharing at the regional level under Part E.3 of the Project, the Recipient shall make an amount representing 4% of the proceeds of the Financing allocated from time to time to Category (2) of the table set forth in Section IV.A.2 of this Schedule, on a grant basis, available to the CILSS under a subsidiary agreement between the Recipient and the CILSS, under terms and conditions approved by the Association ("Subsidiary Agreement").
- 2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Sub-projects

1. The Recipient shall make Sub-financings to Beneficiaries under Part D.1(b)(ii) in accordance with eligibility criteria and procedures acceptable to the Association included in the PIM.
2. The Recipient shall make each Sub-financing under a Sub-financing Agreement with the respective Beneficiary on terms and conditions approved by the Association, which shall include the following:
 - (a) The Sub-financing shall be denominated in FCFA.
 - (b) The Recipient shall obtain rights adequate to protect its interests and those of the Association, including the right to: (i) suspend or terminate the right of the Beneficiary to use the proceeds of the Sub-financing, or obtain a refund of all or any part of the amount of the Sub-financing then withdrawn, upon the Beneficiary's failure to perform any of its obligations under the Sub-financing Agreement; and (ii) require each Beneficiary to: (A) carry out its Sub-project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, including in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient; (B) provide, promptly as needed, the resources required for the purpose; (C) procure the goods, works and services to be financed out of the Sub-financing in accordance with the provisions of this Agreement; (D) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Association, the progress of the Sub-project and the achievement of its objectives; (E) (1) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations, resources and expenditures related to the Sub-project; and (2) at the Association's or the Recipient's request, have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the statements as so audited to the Recipient and the Association; (F) enable the Recipient and the Association to inspect the Sub-project, its operation and any relevant records and documents; and (G) prepare and furnish to the

Recipient and the Association all such information as the Recipient or the Association shall reasonably request relating to the foregoing.

3. The Recipient shall exercise its rights under each Sub-financing Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any Sub-financing Agreement or any of its provisions.

E. Safeguards

1. The Recipient shall ensure that the Project is implemented in accordance with Safeguards Frameworks and the Safeguards Instruments. To that end, if any Project activities would, pursuant to the relevant Safeguards Framework, require the preparation of a Safeguards Instrument, the Recipient shall ensure that said activities shall not be implemented unless and until said Safeguards Instrument has been: (a) prepared, in accordance with the relevant Safeguards Framework and furnished to the Association for approval; (b) disclosed following approval of the Association; and (c) all measures required to be taken thereunder prior to the commencement of said activities, have been taken. Except as the Association shall otherwise agree in writing, and subject to compliance with the same consultation and information disclosure requirements as applied to the adoption of the aforesaid Safeguards Instruments in the first instance, the Recipient shall not amend or waive any provision of the Safeguards Instruments.
2. The Recipient shall, in its Project Reports, report on progress made on compliance with the Safeguards Instruments under the Project, giving details of measures taken in furtherance of the Safeguards Instruments and any conditions which interfere or threaten to interfere with the timely implementation of the Safeguards Instruments, and remedial measures taken or required to be taken to address such conditions.
3. The Recipient shall ensure that all advisory, analytical, planning, institutional capacity building, strategizing and such other services carried out under the Project shall be carried out according to terms of reference, satisfactory to the Association, requiring such services to deliver products which take into account, and are consistent with, the Association's social and environmental safeguard policies.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than two months after the end of the period covered by such report.
2. The Recipient shall:
 - (a) maintain policies and procedures adequate to enable it to monitor and evaluate on an ongoing basis, in accordance with the indicators acceptable to the Association, the carrying out of the Project and the achievement of the objective thereof;
 - (b) prepare, under terms of reference satisfactory to the Association, and furnish to the Association, on or about October 31 of each year, a report integrating the results of the monitoring and evaluation activities and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objective thereof during the period following such date; and
 - (c) review with the Association, on or about November 30 of each year, or such later date as the Association shall request, the report referred to in the preceding paragraph (b), and, thereafter, take all measures required to ensure the efficient completion of the Project and the achievement of the objective thereof, based on the conclusions and recommendations of the said report and the Association's views on the matter.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.
2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association, as part of the Project Report, not later than one month after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. **Goods, Works and Non-Consulting Services.** All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.
2. **Consultants' Services.** All consultants' services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.
2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan:
 - (a) Limited International Bidding;
 - (b) National Competitive Bidding (NCB), subject to the following additional provisions:

- (i) Even though the National Procurement Code does not apply to small contracts, the procedures will require that for such contracts, a competitive method be used.
- (ii) In addition to the advertisement through a General Procurement Notice in the United Nations Development Business (UNDB) on-line and on the Bank's external website, bids would be advertised in national widely circulated newspapers.
- (iii) All eligible firms, including foreign bidders, shall be allowed to participate in NCB procedures.
- (iv) No domestic preference would be granted to domestic bidders or bidders from the West African Economic and Monetary Union (WAEMU) countries and for domestically manufactured goods.
- (v) Bidders would be given at least four weeks to submit bids from the date of availability of the bidding documents, except in cases of emergency declared by the Beneficiary, and provided that such emergency is recognized by the Association and the Association has given its approval for less time for the bids submission.
- (vi) The evaluation and award process of alternative bids would be revised to be concordant with the Bank's Procurement Guidelines.
- (vii) Procurement entities would use appropriate standard bidding documents acceptable to the Association.
- (viii) Each bidding document and contract financed out of IDA financing would include provisions on matters pertaining to fraud and corruption as defined in paragraph 1.16 (a) of Procurement guidelines.
- (ix) In accordance with paragraph 1.16 (a) of procurement guidelines, each bidding document and contract financed out of the proceeds of the Financing Agreement would provide that:
 - (1) bidders, suppliers, contractors and subcontractors would permit the Association, at its request, to inspect their accounts and records relating to the bid submission and contract performance, and to have such accounts and records audited by auditors appointed by the Association; and

- (2) any deliberate and material violation by the bidder, supplier, contractor or sub-contractor of such a provision may be described as obstructive practice, as defined in paragraph 1.16 (a) (v) of the Procurement Guidelines.
- (x) The Association may recognize, at the request of the Recipient, any exclusion from participation as a result of debarment under the national system, provided that the debarment is for offenses involving fraud, corruption or similar misconduct, and further provided that the Association confirms that the particular debarment procedure afforded due process and that the debarment decision is final.
- (c) Shopping;
- (d) Procurement under Framework Agreements in accordance with procedures which have been found acceptable to the Association;
- (e) Direct Contracting;
- (f) Force Account;
- (g) Procurement from an agency of the United Nations;
- (h) Well-established Private Sector Procurement Methods or Commercial Practices which have been found acceptable to the Association;
- (i) Procurement under Public Private Partnership Arrangements in accordance with procedures which have been found acceptable to the Association; and
- (j) Community Participation procedures which have been found acceptable to the Association.

C. Particular Methods of Procurement of Consultants' Services

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants' services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.
2. **Other Methods of Procurement of Consultants' Services.** The following methods, other than Quality and Cost-based Selection, may be used for procurement of consultants' services for those contracts which are specified in the Procurement Plan: (a) Quality-based Selection; (b) Selection under a Fixed Budget; (c) Least Cost Selection; (d) Selection based on Consultants'

Qualifications; (e) Single-source Selection of consulting firms; (f) Well-established Private Sector Procurement Methods or Commercial Practices which have been found acceptable to the Association; (g) Selection of an agency of the United Nations; (h) Selection of consultants under Indefinite Delivery Contract or Price Agreement; (i) Procedures set forth in paragraphs 5.2 and 5.3 of the Consultant Guidelines for the Selection of Individual Consultants; and (j) Single-source procedures for the Selection of Individual Consultants.

D. Review by the Association of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Association's Prior Review. All other contracts shall be subject to Post Review by the Association.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the "World Bank Disbursement Guidelines for Projects" dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.
