**Philippines COVID-19 Emergency Response
Project (P173877)**

**Draft
ENVIRONMENTAL and SOCIAL
COMMITMENT PLAN (ESCP)**

2 April 2020

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of the Philippines (hereinafter the Borrower) through the Department of the Health will implement the Philippines COVID-19 Emergency Response Project (the **Project**). The International Bank for Reconstruction and Development (hereinafter the Bank) has agreed to provide financing for the Project.
2. The Borrower will implement material measures and actions so that the Project is implemented in accordance with the Environmental and Social Standards (**ESSs**). This Environmental and Social Commitment Plan (**ESCP**) sets out material measures and actions, any specific documents or plans, as well as the timing for each of these.
3. The Borrower is responsible for compliance with all requirements of the ESCP even when implementation of specific measures and actions is conducted by the Ministry referenced in 1. above.
4. Implementation of the material measures and actions set out in this ESCP will be monitored and reported to the Bank by the Borrower as required by the ESCP and the conditions of the legal agreement, and the Bank will monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
5. As agreed by the Bank and the Borrower, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, the Borrower will agree to the changes with the Bank and will update the ESCP to reflect such changes. Agreement on changes to the ESCP will be documented through the exchange of letters signed between the Bank and the Borrower. The Borrower will promptly disclose the updated ESCP.
6. Where Project changes, unforeseen circumstances, or Project performance result in changes to the risks and impacts during Project implementation, the Borrower shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.
