II. Key Safeguard Policy Issues and Their Management

A. Summary of Key Safeguard Issues

<p>1. Describe any safeguard issues and impacts associated with the proposed project. Identify and describe any potential large scale, significant and/or irreversible impacts:</p> <p>There are no identified safeguard issues and impacts associated with the proposed project.</p>
<p>2. Describe any potential indirect and/or long term impacts due to anticipated future activities in the project area:</p> <p>The procurement and operation of new tugboat(s) would, if any, have positive environmental impacts, by better fuel efficiency, less emissions and reduced leakage of e.g. oil into the port basin.</p>
<p>3. Describe any project alternatives (if relevant) considered to help avoid or minimize adverse impacts.</p> <p>There are no identified adverse impacts, therefore, there are no relevant project alternatives.</p>

4. Describe measures taken by the borrower to address safeguard policy issues. Provide an assessment of borrower capacity to plan and implement the measures described.
There are no identified safeguard policy issues. The borrower will be required to adhere to principles of good practice relating to operation, maintenance and repair of the boat(s).
5. Identify the key stakeholders and describe the mechanisms for consultation and disclosure on safeguard policies, with an emphasis on potentially affected people.
The key stakeholders for this project include the Government of Somaliland, the Berbera Port Authority, users of the port and citizens of the port who are employed by and provide services to the port. The ISDS will be published on info shop.

B. Disclosure Requirements
