Dear Ms. Medina Bolivar,

### **Re: BL-T1181 – Strengthening of the Central Execution Unit**

The Ministry of Economic Development, on behalf of the Government of Belize, hereby requests that the country be considered a beneficiary of the Non-Refundable Technical Cooperation (TC) BL-T1181 “Strengthening of the Central Executing Unit in the Ministry of Finance, Economic Development and Investment, Civil Aviation and Immigration” which will be executed by the Inter-American Development Bank (IDB).

This Technical Cooperation will benefit Belize by providing support to the Ministry of Finance, strengthening its institutional, planning, and management capacities through the Central Executing Unit. This, in turn, will enhance the Ministry’s project execution performance, improving its development effectiveness.

Please note that the Government of Belize grants its no-objection to the IDB executing this technical cooperation.

Sincerely,
