2. The member of the Committee is of the opinion that the project toward the financing of which the proceeds of such credit are to be applied comes within the purposes of the Association as set forth in Article I of said Articles of Agreement, and that said project is designed to promote the economic development of the Republic of Niger and is of high developmental priority in the light of the needs of the Republic of Niger.
3. Accordingly, the member of the Committee finds that said project merits financial assistance from the Association, and hereby recommends said Program for such assistance.
