(1) Grouping of acquisitions of a similar nature, such as publications, trips, etc., is recommended. If there are groups of similar individual contracts that are going to be executed in different periods, these can be included in a grouped way under a single heading, with an explanation in the comments column indicating the individual average value and the period during which they would be executed. For example: in an export promotion project that includes trips to participate in fairs, an item would be included that would read "Air tickets to Fairs", the estimated total value of US\$5,000 and an explanation in the Comments column: "This is a grouping of approximately 4 tickets to participate in fairs in the region during the year X and X1".													
(2) (i) Individual Consultant: CCI Individual Consultant Qualification; SD: Direct Selection or Single Source. Selection process must be in accordance with AM-650.													
(2) (ii) Consulting Firm: According to GN-2765-1, Selection Methods for Consulting Firms in operations executed by the Bank with: Single Source Selection (SD); SCS - Simplified Competitive Selection (<250K); Comprehensive Competitive Selection (>250K); and Framework Agreement - Task Order (TO). All consulting firm selection processes under this policy must use the Convergence module.													
(2) (iii) Assets: According to GN-2765-1, par. A.2.2.c: "the acquisition of goods and related services, except when such goods and services are necessary to achieve the objectives of the operational work carried out by the Bank and are included in the consulting services contract and represent less than 10% of the value of said contract".
