Country Representative - Belize

1024 Newtown Barracks
Belize City, Belize

Dear Ms. Medina Bolívar,

**Ref: Government of Belize Request for participating in ONE Caribbean Technical
Cooperations**

Please receive our warm greetings, we are writing to formally request to be a beneficiary of “**RG-T4590** - One Safe Caribbean Against Organized Crime” to be resourced under the Inter-American Development Bank’s (IDB) ONE Caribbean Framework.

RG-T4590 will combat transnational organized crime. We look forward to implementing specific objectives, namely: (i) improve data generation and diagnostic assessment capabilities related to serious and organized crime; and (ii) strengthen the regional intelligence-sharing and analysis architecture.

Given the nature and scope of these technical cooperations, we request that the IDB be the executing agency.

We thank you in advance for your attention to this request and highly appreciate the firm commitment the Bank has shown in supporting Belize's efforts in terms of regional integration.

Yours sincerely,
