Dear Mr. Ramazzotti,

We refer to your message of 15 August 2023 to the European Investment Bank (EIB) requesting information regarding the project 'BPCE EFFICACITE ENERGETIQUE MBIL' (20190591)[1]. We also refer to our acknowledgement of receipt of 16 August 2023. Your request has been handled on the basis of the EIB Group Transparency Policy (EIB-TP)[2].

In your message, you ask "*if there is information on the final beneficiary SMEs and/or on the sub-projects financed through this investment, especially those targeting energy efficiency.*"

In response to your question, please note that the contract for this project was only signed with the project promoter/intermediary (BPCE) in December 2022[3]. As of this date, no allocations of funds to final beneficiaries under this credit line have been submitted to the EIB yet. Thus, the EIB does not hold, and therefore cannot disclose the information that you request at this stage[4].

We hope that you find this information useful and remain available if you need further clarifications[5].

Yours sincerely,

Infodesk Team
