7a. Project Development Objectives/Outcomes
Original/Current Project Development Objectives/Outcomes

The goal of the project is to improve the performance of the administration and enable it to implement key strategic choices of the Government of Burkina Faso (GoBF). This is expected to be achieved through the implementation of decentralization and deconcentration of responsibilities and services, and the strengthening of cross-cutting public sector management systems ? human resources management, public expenditure management, formulation, monitoring and evaluation of public policies ? , following the principles of transparency, accountability and performance.
