#### B. Project Development Objective(s)

To assist line ministries strengthen capacities for effective delivery of their financial management functions.

#### C. Project Description

The 2-year project provides a comprehensive learning package for finance officials in line ministries, promoting their capacity development in PFM. The important role of PFM in the economic governance of project beneficiaries is increasingly recognized. PFM continues to receive significant attention in SEE countries' dialogue with the EU, in particular in the context of their annual ERP, as well as in the management of sector budget support under the EUs second IPA.

Through the project, line ministries' finance officials will strengthen their proactive role in knowledge exchange and shaping their own learning priorities. In addition, senior officials of line ministries will be encouraged to reflect on their role in effective financial management.
