Policy Review	
U.S. Economic Impact	The Project is not expected to have a negative impact on the U.S. economy.
Developmental Objectives	The execution of three annexes under an existing DFC political insurance contract supports the development objectives of the original contract through technical assistance in the Project Countries funded by nongovernmental, bilateral, and multilateral institutions
Environment and Social Assessment	The Asia Foundation is categorically eligible. The insurance coverages in the original contract are determined to be Category C as the activities are expected to result in minimal adverse environmental and social impacts. The execution of three additional annexes under the existing DFC political insurance contract does not pose any additional environmental and social risks.
