

**DISCLAIMER:**

The Environmental and Social Impact Assessment (and associated documents) was created by third parties to audit the client's compliance with the policies of lenders. DFC's client provided these documents so that DFC can disclose them pursuant to requirements under the BUILD Act of 2018. Nothing in these documents shall be interpreted as a commitment, endorsement, or acceptance by DFC.

Approval and funding of the project by DFC shall be conditional upon the completion of a satisfactory review to confirm the project's compliance with DFC and U.S. Government policies, including recent Executive Orders.
