

Host country	Georgia
Name of Grantee	American Hospital Network LLC
Project Description	The technical assistance will support the American Hospital Tbilisi (“AHT”) in providing medical services to Ukrainian refugees currently in or travelling to Georgia due to the ongoing conflict with Russia. The technical assistance will increase the developmental impact of DFC’s existing loan to AHT while providing support for Ukrainian refugees.
DFC Contribution	\$800,000
All-Source Funding	\$800,000
