### Name of Issuer (Grantee)

Pula Advisors AG

---

### Project Description

This technical assistance activity will provide funding to support Pula Advisors AG to develop commercially sustainable capabilities to better assess and adequately serve riskier farmers, including women and smallholders, in new and existing insurance markets. The three-year grant will (1) expedite insurance payout speed to increase impact to farmers, (2) enable geographic and product expansion for impact and profitability, (3) increase access to insurance for more vulnerable farmers including women, and (4) increase willingness to buy and incorporate insurance.
