Project Description

This project funds upgrading and constructing water supply systems in up to 26 small towns, with 1,450 km of water supply pipelines, 78,000 household connections, 26 water treatment systems with 50,000 cubic meter per day capacity, 20,300 household toilets with septic tanks, septic management facilities and equipment, drainage systems and master plans, and training for agencies and public awareness.

Investment Description

- Asian Development Bank (ADB)

The financing for this project comes from:

Bill and Melinda Gates Foundation (Grant): US\$ 1.3 million

ADB (Loan): US\$ 60 million

OPEC Fund for International Development (Loan): US\$ 20 million

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
