Project Description

According to the bank website, The Trade Finance Program (TFP) closes market gaps for trade finance by providing guarantees and loans to partner banks to support trade. Drawing the private sector into developing countries is important to closing gaps and TFP is the biggest mobilizer of private sector financing at ADB. In addition to doing transactions TFP provides a number of 'knowledge products' which contribute to closing financing gaps. More information can be found at www.adb.org/tfp.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment.
