### Project Description

According to the Bank's website, this project finances the completion of Songinokhairkhan District Hospital through addressing cost overruns. The additional funding does not involve any scaling-up or modification to the original design of the hospital.

---

**Investment Description**

- Asian Development Bank (ADB)

### Contact Information

*No contact information available at time of writing.*

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
