<b>Project Cost (USD)</b>	\$ 0.23 million

### **Project Description**

According to ADB website, the TA is category B and it aims to enhance the environmental sustainability of the project focusing on the protection and long-term conservation of the valuable biodiversity at the Baluran and Bali Barat national parks through the institutional strengthening of the two park authorities. This will ensure the viability of the protected area network and the survival of endangered species, adequate institutional capacity to monitor the implementation of the project's environmental management plan, and biodiversity conservation measures in accordance with international and national best practices.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
