Project Description

This is an investment program which targets the transport sector in all urban areas in Armenia, aiming to improve connectivity, reduce congestion, and promote safe, reliable, and efficient transport. The tranches under this program will finance urban infrastructures and services in Armenian cities.

Investment Description

- Asian Development Bank (ADB)

This funding will be disbursed in multiple tranches, as part of the multitranche financing facility.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at:

<http://www.adb.org/site/accountability-mechanism/main>
