| Project Cost (USD) | \$ 6.00 million |

Project Description

The project will rehabilitate the pavement of about 157 km of roads in Kampong Chhnang, Kampong Speu, Prey Vang, and Svay Rieng. The rehabilitation program will provide a safer, climate-resilient, and cost-effective provincial road network with all-year access to markets and other social services for provincial centers of southeastern and Midwestern Cambodia.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
