| Investment Amount (USD) | \$ 105.00 million |
| Loan Amount (USD) | \$ 105.00 million |

Project Description

According to the bank website, "the proposed tranche 3 for \$105 million will fund (1) physical investments in transmission infrastructure, including high-voltage lines and transmission substations; and (2) investments in upgrading the enterprise resource planning (ERP) system and related components. The government submitted a periodic financing request on 24 November 2017 outlining the tranche subprojects as well as techno-economic assessment and environmental and social safeguards review and analysis."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
