Project Description

According to the bank's website, "the additional financing is aligned with the government's priorities in addressing the socioeconomic impacts of COVID-19 and avoiding disruptions in the agricultural supply chains that threatens food security." Also, "the additional financing will (i) provide drying and storage facilities (DSF), including warehouses and drying yards, to agricultural cooperatives to preserve quality of seeds produced by government stations; and (ii) continue to work with MEF to implement weather-indexed climate insurance (WICI) scheme as MEF is the regulating body for the country's financial sector, including the insurance subsector."
