Project Description

According to ADB website, the ADB is working with the Philippines to undertake sweeping reforms of the school system that will assist in the addition of two years of senior high school. The project is helping to develop senior high school curriculums, build and improve schools, and develop a voucher system to help students with tuition costs. About 5.9 million students who are expected to enter high school in the next 3 years are benefitting from the program. The project impact will be employment of SHS graduates and those with some SHS enhanced.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
