Project Description

This project provides technical assistance to the government of Kyrgyzstan to address complaints from people whose residential and other structures have been damaged by the ongoing construction of the Bishkek-Kara-Balta section of CAREC Corridor 3 (Biskek-Osh road).

This Asian Development Bank will support with a study to quantify the potential impacts and costs from the original approach to construction.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
