Investment Amount (USD)	$ 46.00 million
Project Cost (USD)	$ 58.00 million

Project Description

This project increases sustainable management, operation, and maintenance and increases water productivity by transferring management, operation, and maintenance to private operators and introducing infrastructure modernization. The project will focus on modernizing the Muhuri Irrigation Project (MIP) in Chittagong division. It will also finance a feasibility study and detailed design for modernizing the Ganges Kobadak Irrigation Project in Khulna division and the Teesta Irrigation Project in Rangpur division.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
