---

### Project Description

This project funds improvements to water supply service and planning in Kathmandu Valley. It finances the remaining investment gaps for the Melamchi water source development and rehabilitates and expands the water supply distribution system.

---

### Investment Description

- Asian Development Bank (ADB)

---

### Contact Information

Asian Development Bank  
6 ADB Avenue,  
Mandaluyong City 1550, Philippines

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
