Project Description

According to ADB website, ADB is helping Azerbaijan with road upgrades along a route running from its border with the Russian Federation down to the border with Iran. The second project under the multitranche financing facility will fund a 30-kilometer section between Jalilabad and Shorsulu, and support project implementation and capacity development for the transport sector.

This project will finance construction of new motorway between Jalilabad and Shorsulu and provide capacity development. With progress having been made in the implementation of the first tranche, the land acquisition and resettlement plan (LARP) implemented, and works contractor mobilized, the government is now requesting ADB in the second PFR for Tranche 2 to help finance Project 2. Project 2 aims to develop Jalilabad to Shorsulu motorway section and provide sector capacity development. Tranche 2 will be the last tranche of the MFF.

This project is associated to the following projects:

1. ADB-45389-001: Second Road Network Development Investment Program
2. ADB-45389-002: Second Road Network Development Investment Program - Tranche 1
3. ADB-45389-003: Second Road Network Development Program

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
