Project Description

According to ADB website, ADB is helping the People’s Republic of China develop the three cities comprising the central Yunnan city cluster - Chuxiong Municipality, Lufeng County, and Wuding County. The project will reduce flood risks and enhance public amenities, improve sanitation and public health, expand urban road networks, and promote public participation in urban development.

Investment Description

- Asian Development Bank (ADB)

Wuhuashan, Kunming Yunnan,
Peoples Republic of China

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
