Project Description

This Technical Assistance (TA) will support MOF and selected sector ministries in the budget formulation process, with a focus on medium-term budgeting, together with capacity development. In addition, the TA will facilitate the early adoption and implementation of an objective, non-discriminatory, transparent, formula-based inter-governmental fiscal transfer arrangement together with capacity development to improve the efficiency of service delivery and address vertical and horizontal imbalances. In addition, the TA will support EPFC to strengthen its role in fulfilling its oversight functions through policy advice and technical support, together with institutional coordination across a number of key ministries.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
