## Project Description

According to ADB website, the proposed Technical and Vocational Education and Training Sector Development Program (TVETSDP) seeks to support the Government of Cambodia in improving access to, and relevance and quality of, the formal technical vocational education and training (TVET) system. The key focus of the project is to achieve a market responsive formal TVET system through partnerships with employers and private sector. The impact will be an increased employability of technical and vocational education and training (TVET) certified workers.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
