### Project Description

According to ADB website, ADB is helping the People's Republic of China protect water resources and improve water access in Chaonan District in Guangdong province. The project will integrate urban-rural water supply systems and help reduce water losses. It will support watershed management through reforestation, pollution prevention, and water quality monitoring and build public awareness on environment and sanitation.

### Investment Description

- Asian Development Bank (ADB)

### Contact Information

Executing Agency: Guangdong Provincial Finance Department/International Debt Management Office

Email Address: LIXU@GWDWBO.GOV.CN

No 376, Beijing Road, Yuexiu District  
Guangzhou, Guangdong Province, People's Republic of China

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
