Project Description

According to ADB website, the grant development objective is to contribute towards achieving the Millennium Development Goal (MDG) targets by reversing/managing the spread of HIV/AIDS in Myanmar. The project will increase the coverage and quality of information and services (prevention, treatment, and care) for targeted populations along and near the economic corridors.

The development objective will be achieved by:
1. Strengthened planning and management capacity at national, state or regional, and township levels
2. Enhanced capacity to provide quality and accessible services
3. Improved access to community outreach among target populations
4. Monitoring and project management

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
