Project Description

DESCRIPTION

It is expected that 30 seminars, workshops, and trainings will be conducted during the TA period. An estimated 900 participants will attend_(i) finance and accounting staff of the executing and implementing agencies directly involved in disbursement, and (ii) representatives from finance ministries and SAIs.

The seminar will cover topics such as:

(i) loan and TA products and features;

(ii) disbursement policies and procedures;

(iii) country- and project-specific case studies and group discussions;

(iv) preparation, submission, and monitoring of loan withdrawal applications and TA claims;

(v) project accounting and monitoring compliance;

(vi) government counterpart fund contributions and accounting systems;

(vii) general audit issues for the ADB projects in the DMC concerned; and

(viii) client portal for disbursement system's features and procedures

PROJECT RATIONALE AND LINKAGE TO COUNTRY/REGIONAL STRATEGY

The impact will be greater mobilization of loan, grant, and TA funds to DMC governments and recipients.

The outcome will be staff at executing and implementing agencies with more knowledge of ADB policies and procedures and the technical capabilities for project financial administration and use of the CPD system.

IMPACT

Improved mobilization of loan, grant, and technical assistance funds to DMC government and recipients.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
