Project Description

According to ADB website, the PPTA helps design the project to empower the country's unemployed and underemployed youths and adults to take advantage of employment and income opportunities in the domestic and international labor markets through provision of quality training. A key feature of the project is the institutionalization of mechanisms for engaging the private sector in technical and vocational education and training (TVET) at the policy and operational levels.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
