Project Description

IMPACT

Governance-related policy and institutional measures are implemented in the health sector.

CONSULTING SERVICES

The TA will support 18 person-months of international consulting services (team leader/health sector governance specialist, health planning and financial management specialist, and health service delivery and quality specialist) and 20 person-months of national consulting services (national health system reform specialists, social development and safeguards specialist, and communication and stakeholder advocacy specialist). Consultants will be recruited by ADB as individual consultants. Moreover, to provide the TA with flexibility to mobilize expertise as required, the terms of reference and selection method for 4 person-months of international and 10 person-months of national consulting services_possibly in the areas of financing, health policy and governance, auditing, procurement, financial management, safeguards_will be determined during TA implementation. The outline terms of reference for consultants are in Appendix 3. The TA will also mobilize short-term resource persons to provide specific expertise, as needed. The TA will support 4 national administrative staff, including an administrator, an accountant, a translator and a secretary.

PROCUREMENT

Equipment under the TA will be procured by MOH in accordance with ADB's Guidelines for Procurement, and retained by MOH on completion of the TA. The EA will be provided with an advance payment facility. The EA has demonstrated in other ADB-funded project capacity to complete activities and liquidate the advance. In all cases, ADB's Technical Assistance Disbursement Handbook (2010, as amended from time to time), Procurement Guidelines (2013, as amended from time to time), and other ADB guidelines will be applied.

Contact Information

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
