Project Description

This project finances improvement of water supply services in the National Capital Territory of Delhi by improving infrastructure, management, and performance of water supply services at the Wazirabad Water Treatment Plant in North Delhi. It also improves the management capacity of the service utility responsible for water supply and sanitation in this area.

Investment Description

- Asian Development Bank (ADB)

Contact Information

Delhi Jal Board
Varunalaya Ph-II, Jhandewalan, Karol Bagh, New Delhi 110005 India

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
